himself and his personal difficulties This investigation of the suicidal themes in Wagner s life and operas Die Fliegender Hollander Tannhauser Lohengrin Tristan und Isolde Die Meistersinger the Ring cycle and Parsifal shows how manic depressive illness particularly the depressive part of it affected Wagner s life and art It also analyzes the influence of Giambattista Vico s theories of cycles and how these theories appeared in Wagner s work suicide as a theatrical and operatic phenomenon and the way in which the theme of suicide has appeared in other works of the literary and performing arts
