Battles of the Beasts: Tales of Animal Vengeance in the Fantasy World Amrahs Hseham, 2025-01-20 As the author of these tales I have drawn upon my love for fantasy literature, my fascination with myth and folklore, and my admiration for animals to create these stories. I have been inspired by the rich tapestry of fantasy worlds, the diversity of creatures that populate them, and the limitless possibilities of the genre. I have also been moved by the timeless themes of justice, equality, and the plight of the oppressed, which are just as relevant in the fantastical realms as they are in our world. Through these stories, I hope to transport readers to worlds where the fantastical and the natural collide, where animals are not just passive entities but active participants in shaping their destinies. I am immensely grateful to the readers who embarked on this journey with me. Your imagination, curiosity, and open-mindedness are what make stories come alive. I invite you to immerse yourself in the fantastical worlds of **Battles of the Beasts**, to journey with our animal protagonists as they harness their magic, confront their foes, and seek justice in their unique ways. I hope that these stories will not only entertain you but also inspire you to consider the world around you and the role that we all play in it.

The Unlikeable Demon Hunter: A Devilishly Funny Urban Fantasy Deborah Wilde, 2017-04-18 Featuring a snarky heroine, kickass action, and spicy romance, this hilarious urban fantasy series starter sucker punches you in the heart when you're not looking. The mission: kill demons. The catch: infuriatingly sexy minder. The challenge: don't get the two confused. Nava Katz is an expert at burying her lost dreams and wielding cynicism as her personal brand. Then she interrupts her twin brother's induction ceremony into a secret supernatural society, accidentally torches his life-long dream, and steals his destiny as a Chosen Demon Hunter. Oops. Now she's trying to wrangle her new-found powers while facing her worst nightmare: being needed. Her questionable reward: being assigned to Rohan Mitra, rockstar-turned-ruthless slayer. A man whose inner demons earn nods of respect from actual ones. The chemistry between them is as dangerous as the monsters they hunt, yet he'd be the perfect bad boy fling if only he wasn't determined to make her face her demons too. And speaking of facing demons, Odds saving her brother from one's hit list. Um, Odds of her succeeding: out of spite. Way better. The Brotherhood wants her gone. The demons want her dead. First gig as a Chosen One, and she's already nailing it. If you like KF Breene, Annabel Chase, and Heather G. Harris, you won't be able to put down this laugh-out-loud, deliciously addictive series. Binge the complete series now. Don't buy it if you're offended by bad language, immoral behavior, loose ethics, sassy attitude, hot guys, cuz it does it all, and it's GREAT.

Philosophy: The Fantasy of Peter S. Beagle David Stevens,2013-08-16 In *Beyond Horatio's Philosophy The Fantasy of Peter S Beagle* David Stevens examines the fantasy of American writer Peter S Beagle He finds a consistent view of the world and an almost overpowering sense of humor leading him to conclude that Beagle believes that love is the best thing we have and the only reason for living His work will be read and enjoyed for generations to come and Stevens tells you why Beagle indulges in what Stevens terms metaphysical speculations a working out of the possibilities of the world being different than it is He invites the reader to examine these speculations with him and when we do to come away from the experience as better men and women believing in the transforming power of love and laughing at ourselves in the process No writer could ask for more or succeed better Beagle would have us believe to paraphrase Shakespeare's Hamlet that there are more things in heaven and earth than are dreamt of in our philosophy Complete with bibliography and index **The Fantasy Writer's Handbook**

The Fantasy of Individuality Almudena Hernando, 2017-08-14 The Enlightenment promised humanity a bright future of emancipation which never actually materialized Instead our social order is still based on gender inequality which rests upon a false conviction that the individual can be conceived of as separate from community that the more individualized a person is the less they need to establish links with their community to feel safe and that the more they use reason to build a relationship with the world the less they need emotions This conviction which guides the ideals of our social system is based on a fantasy the fantasy of individuality This volume is a step in fleshing out the historical reasons for gender inequality from the origins of humankind to present times in the Western world It is a theoretically informed and up to date overview of the history of gender inequality that takes as its starting point the mechanisms through which human beings construct their self identity Starting from a peripheral interdisciplinary and heterodox perspective this book intends to appraise the complexity of gender identity in all its richness and diversity It seeks to understand the persistence of relationality in supposedly fully individualized male selves and the construction of new forms of individuality among women that did not follow the masculine model It is argued here that by balancing community and self beyond the contradictions of hegemonic masculinity modern women are struggling to build a new more empowering form of personhood The author is an archaeologist who uses her discipline not only to provide data theory and a long term perspective but also in a metaphorical sense to construct a socio historical genealogy of current gender systems through an examination of how personhood and self identity have been constructed in the Western world
