The Farm A Stepping Stone:

Stepping Stones ,1928 *Stepping Stones* John E. Milnes,Jan M. Milnes,2016-02-19 With the emergence of the Industrial Revolution in Great Britain came increased riches for the wealthy and desperate poverty for the poor The Industrial Revolution was in fact the creation of mass production of goods previously generated by cottage industries Large numbers of rural people followed the job route becoming the new urban poor As a result of many varied reasons hordes of children found themselves living on the streets of the cities The British Government in a valiant attempt to help these lost souls entered into an agreement with the Canadian Government resulting in large numbers of British children emigrating to Canada in the new world These were to become known as the British Home Children because they largely started out in a philanthropic home Some even migrated through other means as will be seen in the case of John Buchan a significant character in this novel The authors determined that the wealth of books presently available did not truly reflect the reality of the situation to which these children were subjected Through this novel they hope to generate a greater interest in the children who were to play a large part in forming the demographic of an emerging nation In Ontario alone 1 in 10 are believed to be descendants of these children **Stepping Stones of Life** Peter Simon,2013-07-12 Enormous strides have been made in this century some of them advantageous and other detrimental Science has developed so fast that we have conquered space as far as the moon and even further with unmanned rockets The speed at which we are travelling hardly gives time to stop and look back on the previous year and make comparisons with the way of life Not even a superman can predict what the world will be like in twelve months time These memories are offered as a breathing space for anyone who may have travelled over the same ground as I have and seen or done the same things It may not have been a very profitable existence but nevertheless enjoyable and interesting **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States.
