Jet, 1987-12-14 The weekly source of African American political and entertainment news *Jet*, 1987-12-14 The weekly source of African American political and entertainment news **The Almighty Black P Stone Nation** Natalie Y. Moore, Lance Williams, 2011-01-06 In gangster lore the Almighty Black P Stone Nation stands out among the most notorious street gangs But how did teens from a poverty currently founding member Jeff Fort is serving a triple life sentence An exciting story about the evolution of a gang the book is an expos of how minority crime is targeted as well as a timely look at urban violence *Jet*, 1991-07-08 The weekly source of African American political and entertainment news **Confessions of a Recovering Racist** George O'Hare, Emma Young, 2018-04-03 The memoir of a dyed in the wool racist forced to change his beliefs to succeed in the progressively changing times of twentieth century America This true story is about George O Hare and his upbringing in a segregated White Irish Catholic Chicago neighborhood As an adult moving up the corporate ladder at a time when America was transitioning from Jim Crow to Civil Rights George was asked by his manager to join the Junior Chamber of Commerce which often worked closely with a race of people he did not want to know and did not trust Consequently George was faced with a dilemma How could he be a part of this organization and fulfill his hopes of corporate success given the beliefs and principles he was taught as a child and had embraced his entire life The path George ultimately chose to follow shaped and changed his life forever He met some of the most iconic African Americans in the country and became good friends with Dr Martin Luther King comedian Dick Gregory Father George Clements Muhammad Ali State Senator Barack Obama and many others This compelling memoir is also an historical document giving insight into the heart of America during one of the most momentous eras in history It is a must read for anyone willing to look at George s life examine one s own and decide like George what each of us can do in our own small world and for our nation **Jet**, 1987-12-14 The weekly source of African American political and entertainment news **Authentically Black and Truly Catholic** Matthew J. Cressler, 2017-11-14 Chicago has been known as the Black Metropolis But before the Great Migration Chicago could have been called the Catholic Metropolis with its skyline defined by parish spires as well as by industrial smoke stacks and skyscrapers This book uncovers the intersection of the two Authentically Black and Truly Catholic traces the developments within the church in Chicago to show how Black Catholic activists in the 1960s and 1970s made Black Catholicism as we know it today The sweep of the Great Migration brought many Black migrants face to face with white missionaries for the first time and transformed the religious landscape of the urban North The hopes migrants had for their new home met with the desires of missionaries to convert entire neighborhoods Missionaries and migrants forged fraught relationships with one another and tens of thousands of Black men and women became Catholic in the middle decades of the twentieth century as a result These Black Catholic converts saved failing parishes by embracing relationships and ritual life that distinguished them from the evangelical

churches proliferating around them They praised the quiet dignity of the Latin Mass while distancing themselves from the gospel choir altar calls and shouts of amen increasingly common in Black evangelical churches Their unique rituals and relationships came under intense scrutiny in the late 1960s when a growing group of Black Catholic activists sparked a revolution in U S Catholicism *Jet* ,1991-04-29 The weekly source of African American political and entertainment news

BOOK JACKET

Primetime Blues Donald Bogle, 2015-08-18 A landmark study by the leading critic of African American film and television Primetime Blues is

the first comprehensive history of African Americans on network television Donald Bogle examines the stereotypes which too often continue to march across the screen today but also shows the ways in which television has been invigorated by extraordinary black performers whose presence on the screen has been of great significance to the African American community Bogle's exhaustive study moves from the postwar era of Beulah and Amos n Andy to the politically restless sixties reflected in I Spy and an edgy ultra hip program like Mod Squad He examines the television of the seventies when a nation still caught up in Vietnam and Watergate retreated into the ethnic humor of Sanford and Son and Good Times and the politically conservative eighties marked by the unexpected success of The Cosby Show and the emergence of deracialized characters on such dramatic series as L A Law Finally he turns a critical eye to the television landscape of the nineties with shows such as The Fresh Prince of Bel Air I ll Fly Away ER and The Steve Harvey Show Note The ebook edition does not include photos
