## **The Fatherhood Of God:**

*The Fatherhood of God* John Coleman Adams, 1888      *The Fatherhood of God, and Its Relation to the Person and Work of Christ; and the Operations of the Holy Spirit* Charles Henry Hamilton Wright, 1867      The Fatherhood of God in Christian Truth and Life John Scott Lidgett, 1902      *Call Him Father* Edward G. Maristany, 1999      The Fatherhood of God. Being the first course of the Cunningham Lectures delivered before the New College, Edinburgh, in March 1864 Robert Smith CANDLISH, 1870      **The fatherhood of God** Robert Mitchell (pastor at Manchester.), 1879      **The Fatherhood of God from Origen to Athanasius** Peter Widdicombe, 1994 The fatherhood of God has has a central if increasingly controversial place in Christian thinking about God Looking at the genesis of Athanasius understanding of divine fatherhood against the background of the Alexandrian tradition Dr Widdicombe demonstrates how the concept of the fatherhood of God came to occupy such a prominent place in Christian theology      **The fatherhood of God. Cunningham lectures. [With]** Robert Smith Candlish, 1870      **When God Says No** Roderick L. Evans, 2008-01-01 In the pages of this book we want to explore reasons why God s answer to us is not always right in our eyes We will examine causes for the Lord denying the request of our hearts In addition we will learn how God s seemingly unfavorable response to us in certain requests is actually a demonstration of His love care and concern for us This will lead us to a greater understanding of the Fatherhood of God in the life of the believer      **The Fatherhood of God in an Age of Emancipation** Willem Adolph Visser 't Hooft, 1982

**The Biblical Concept of the Fatherhood of God** Charles Clarence Talley, 1963      **The Fatherhood of God in John Calvin's Thought** Karin Spiecker Stetina, 2016-03-01 Against the backdrop of feminist critique Karin Spiecker Stetina gives us a thorough study of John Calvin s ideas on the fatherhood of God After looking briefly at Calvin s own experience of fatherhood the author looks in depth at his epistemology and then his imagery for God as Father against the background of the biblical and historical doctrine This intriguing study allows us through the lens of the reformer s theology to look again at what we mean by God as Father and believers as sons and daughters of the living God      **The Fatherhood of God** Charles Henry Hamilton Wright, 1886      The grand discovery; or, The fatherhood of God George Gilfillan, 1854      **The Fatherhood of God** John Scott Lidgett, 1987      The Fatherhood of God and the Sonship of Man Lenneaposs Kugler-Hunt, 2004-03 Kugler Hunt explains to readers that a profound destiny is waiting for them and urges them to come and hear that fathering is bound to the nature of love and that an amazing inheritance awaits those who will fight for it      The Fatherhood of God J. Scott Lidgett, 2015-07-11 Excerpt from *The Fatherhood of God In Christian Truth and Life* This book embodies the substance of a series of lectures delivered at the Bermondsey Settlement to a small class of theological students during the last three years It has been prepared by snatches in the short intervals of leisure left by almost unceasing public engagements I fear that the conditions under which it has been produced have left their marks upon it not only in defects of style but possibly in undetected slips and still more in imperfections of exposition In addition to all this I feel how inadequate any treatment of so

great a subject must be and especially my own Yet such as it is I send this volume forth in the hope that it may throw some light upon the ways of God with men and may help some who are seeking a view of Christian theology comprehensive enough to include and harmonise many elements of truth which seen in isolation become distorted and misleading Especially as one whose time is given to social and administrative work I feel it to be a duty resting upon me to give expression to that conception of God's relationship to and dealings with mankind in Christ which supplies to me at least the principles upon which social work should be based Only the doctrine of the Fatherhood of God seen in its full significance can unite men's efforts in every sphere of life in a consistent whole For the lack of this many are greatly perplexed and distracted by the seemingly rival claims of spiritual work and of the motives of natural and generous sympathy It is of great importance to seek a reconciliation between the two About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Show Us The Father** Devin Schadt, 2018-06-15 What if every father discovered his true identity power and necessity A father's mission is to be a link between heaven and earth between God and his children He does this by becoming the voice of the Father that his children cannot hear the face of the Father that his children cannot see and the touch of the Father that his children cannot feel This is his mission his challenge and his call to glory Show Us the Father contains the battle plan for living out this call offering seven secrets to becoming the father that God has created and destined you to be It is time for fathers to enter this battle fully armed with the bold commitment to sacrifice themselves for their wives children and the future of humanity by becoming like St Joseph a father on earth like the Father in heaven
