The Fifties:

The Fifties David Halberstam, 2012-12-18 This vivid New York Times bestseller about 1950s America from a Pulitzer Prize winning journalist is an engrossing sail across a pivotal decade Time Joe McCarthy Marilyn Monroe The H bomb Ozzie and Harriet Elvis Civil rights It s undeniable The fifties were a defining decade for America complete with sweeping cultural change and political upheaval This decade is also the focus of David Halberstam s triumphant The Fifties which stands as an enduring classic and was an instant New York Times bestseller upon its publication More than a survey of the decade it is a masterfully woven examination of far reaching change from the unexpected popularity of Holiday Inn to the marketing savvy behind McDonald s expansion A meditation on the staggering influence of image and rhetoric The Fifties is vintage Halberstam who was hailed by the Denver Post as a lively graceful writer who makes you understand how much of our time was born in those years This ebook features an extended biography of David Halberstam **The Fifties** Douglas T. Miller, Marion Nowak, 1977 Surveys the social cultural and political history of the United States during the decade of the 1950 s The Fifties Mary Ellen Sterling, 1998 The Fifties Brett Harvey, 1993 Advanced academic degree to raise children and keep a home in the suburbs to follow your dreams of having a profession and even to live politically and sexually far from the mainstream of American life These are stories of women s lives some very tragic some remarkably heroic and they reveal to us all over again an era we thought we knew so well **Back to the Fifties** Michael D. Dwyer, 2015 Through close attention to films like *Back to the Future* and popular music of artists like Michael Jackson *Back to the Fifties* explores how Fifties nostalgia was shaped for a generation of teenagers trained by popular culture to rewind record recycle and replay Revisiting and Revising the Fifties in Contemporary US Popular Culture Eleonora Ravizza, 2020-05-25 In this book Eleonora Ravizza analyzes how contemporary American popular culture has represented and reproduced the fifties By investigating the cultural work of films and TV series from the last two decades the book uncovers the inherent limitations of a revisionist take on the fifties Ravizza argues that due to the visual nature of the fifties crystallized in American consciousness through the widespread influence of television most contemporary attempts to rework and rewrite the regressive gender queer and racial politics fall short of such a revisionist reevaluation **British Cinema in the Fifties** Christine Geraghty, 2002-01-04 In the fifties British cinema won large audiences with popular war films and comedies creating stars such as Dirk Bogarde and Kay Kendall and introducing the stereotypes of war hero boffin and comic bureaucrat which still help to define images of British national identity In *British Cinema in the Fifties* Christine Geraghty examines some of the most popular films of this period exploring the ways in which they approached contemporary social issues such as national identity the end of empire new gender roles and the care of children Through a series of case studies on films as diverse as *It Always Rains on Sunday* and *Genevieve* Simba and *The Wrong Arm of the Law* Geraghty explores some of the key debates about British cinema and film theory contesting current emphases on contradiction subversion and

excess and exploring the curious mix of rebellion and conformity which marked British cinema in the post war era

America in the Fifties Enzo George,2015-07-15 Shortly after World War II America experienced an incredible economic and technological boom as soldiers returned home from abroad The middle class grew and technology such as the automobile and television found their way into more and more homes Explore the Fifties through the eyes of artists politicians and ordinary people

America in the Fifties Andrew J. Dunar,2006-11-07 The 1950s evoke images of prosperity suburbia a smiling President Eisenhower cars with elaborate tail fins Elvis Presley Marilyn Monroe and the golden age of television seemingly a simpler time in which the idealized family life of situation comedies had at least some basis in reality A closer examination however recalls more threatening images the hysteria of McCarthyism the shadow of the atomic bomb war in Korea the Soviet threat manifested in the launch of Sputnik and the bombast of Nikita Khrushchev and clashes over the integration of public buses in Montgomery Alabama and a high school in Little Rock Arkansas Andrew J Dunar successfully shows how the issues confronting America in the late twentieth century have roots in the fifties some apparent at the time others only in retrospect civil rights environmentalism the counterculture and movements on behalf of women Chicanos and Native Americans The rise of the Beats the continuing development of jazz the emergence of rock n roll and the art of Jackson Pollock reveal the decade to be less conformist than commonly portrayed While the cold war rivalry with the Soviet Union generated the most concern Dunar skillfully illustrates how the rise of Nasser in Egypt Castro in Cuba and Communist regimes in North Korea Vietnam and China signaled new regional challenges to American power

The Fifties Peter Lewis,1978 From the publisher This is an attempt to chronicle the decade which began with postwar austerity saw the exploding of the H bomb the popularization of television and the emergence of teenagers and concluded with ventures into space and the beginnings of the affluent society The book covers this period of major rebellion against existing attitudes to sex class authority and good taste the time of Elvis Presley Marilyn Monroe James Dean Burgess and Maclean and the Angry Young Men as well as of Khrushchev Castro and Suez

The Fifties Spiritual Marketplace Robert S. Ellwood,1997 Ellwood frames his detailed and lively account with the provocative idea of the fifties as a supply side free enterprise spiritual marketplace with heady competition between religious groups and leaders and with church attendance at a record high

New Orleans in the Fifties Mary Lou Widmer,2004-07-31 Photos and reminiscences of life the 1950s part of the decade by decade series that vividly documents the Crescent City's history Remember when Mardi Gras was cancelled in 1951 in tribute to the men fighting the Korean War Surely you were there for Elvis Presley's visit to the Municipal Auditorium in 1956 and you must recall the first time you crossed the brand new Greater New Orleans Bridge How about the milk bottle on top of the Cloverland Dairy For those who were there and those who wish they were Mary Lou Widmer recalls these and many other images and events that define the decade Packed with photographs her remembrances will delight and entertain all who lived through this unique decade in New Orleans and fascinate anyone intrigued by the city's past from the tumult of

integration to the worries about communism to the rapid growth of Gentilly Metairie and other suburbs **The 1950s' Most Wanted™** Robert A Rodriguez, 2006-04-01 Journey back fifty years to explore the decade of baby boomers the Red scare and the birth of rock and roll with Robert Rodriguez's The 1950s Most Wanted The Top 10 Book of Rock Roll Rebels Cold War Crises and All American Oddities America was revving its engines when the fifties came along and its citizens more than ready for everything the historic decade had to offer Rodriguez takes you on a spin down memory lane with dozens of top ten lists filled with amazing amusing and even astonishing trivia from the 1950s Television exploded into the mainstream in the 1950s and in this book you'll find kids television shows that were immensely popular then but forgotten now and potential series that never got off the ground Film and music history are also well represented with lists highlighting the fathers of rock and roll and some unlikely recording artists plus catchphrases from contemporary films and first roles of future stars Relive the most notorious crimes of the decade such as the one that inspired the TV show and film The Fugitive and its big scandals such as the quiz show debacle and the deportation of Charlie Chaplin You'll read about politicians celebrities fashion toys fads and disasters Relearn the hip slang of the time while finding out which tales from the fifties were really tall tales or urban legends that are now debunked Rodriguez gives you a whole decade's worth of fun facts and all important memories It may have been half a century ago but with The 1950s Most Wanted it'll seem like just yesterday

The Narrative Study of Lives Amia Lieblich, Ruthellen Josselson, 1997-05-31 The narrative approach is a relevant and enriching technique for uncovering describing and interpreting the meaning of experience This collection explores the challenges of performing narrative work in an academic setting writing about it in an ethical and revealing fashion and drawing meaningful conclusions This stellar collection of scholars examine such topics as how the larger construct of personality can read out of a life story the development of multicultural identity as a dynamic process the transition away from delinquent behaviour the importance of cultural continuity for understanding loneliness in elderly refugees race relations and how it relates to the meaning of the decade in which the interviewee **The 1950s** William H.

Young, 2004-04-30 Have the 1950s been overly romanticized Beneath the calm conformist exterior new ideas and attitudes were percolating This was the decade of McCarthyism Levittowns and men in gray flannel suits but the 1950s also saw bold architectural styles the rise of paperback novels and the Beat writers Cinema Scope and film noir television variety shows the Golden Age of the automobile subliminal advertising fast food Frisbees and silly putty Meanwhile teens attained a more prominent role in American culture with hot rods rock n roll preppies and greasers and gasp juvenile delinquency At the same time a new technological threat the atom bomb lurked beneath the surface of the postwar decade This volume presents a nuanced look at a surprisingly complex time in American popular culture **It Came From the 1950s!** Darryl Jones, Elizabeth McCarthy, Bernice M. The Fifties Introduction

In today's digital age, the availability of The Fifties books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Fifties books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Fifties books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Fifties versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Fifties books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Fifties books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Fifties books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Fifties books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Fifties books and manuals for download and embark on your journey of knowledge?
