The Fifty Year Kill:

The Jew is Not My Enemy Tarek Fatah, 2011-12-06 A liberal Muslim and critically acclaimed author explores the historical political and theological basis for centuries of Muslim animosity towards Jews debunking long held myths and tracing a history of hate and its impact today More than nine years after 9 11 and 60 years after the creation of the state of Israel the world is no closer to solving let alone understanding the psychological and political divide between Jews and Muslims While countless books have been written on the subject of terrorism political Islam and jihad barely a handful address the theological and historical basis of the Jew Muslim divide Following the terrorist attacks on Mumbai in November 2008 in which Pakistani jihadis sought out and murdered the members of a local Jewish centre Tarek Fatah began an in depth investigation of the historical basis for the crime In this provocative new book Fatah uses extensive research to trace how literature from as early as the seventh century has fueled the hatred of Jews by Muslims Fatah debunks the anti Jewish writings of the Hadith literature takes apart the Arab supremacist doctrines that lend fuel to the fire and reinterprets supposed anti Jewish passages in the Quran In doing so he argues that hating Jews is against the essence of the Islamic spirit and suggests what needs to be done to eliminate the agonizing friction between the two communities

The Men Who Killed the News Eric Beecher, 2024-07-31 Crikey owner and ex News Corp and Fairfax editor lifts the lid on the abuse of power by media moguls from William Randolph Hearst to Elon Musk and on his own unique experience of working for and being sued by the Murdochs What's gone wrong with our media The answer its owners From William Randolph Hearst to Elon Musk from the British press barons to colonial upstarts Conrad Black and Rupert Murdoch media proprietors have manipulated the news to accumulate wealth and influence as they meddled with democracy Eric Beecher knows the news business from bottom to top He has been a journalist editor and media proprietor of Text Media and Crikey with the rare distinction of having both worked for and been sued unsuccessfully by the Murdochs This book reveals the distorted role of the media moguls of the past two centuries their techniques strategies behind closed doors machinations and indulgent lifestyles It explains how they have exploited the shield of the freedom of the press to undermine journalism and truth In an era of fake news AI and misinformation this is democracy's chillingly important story how a small coterie of flawed and narcissistic moguls created a shadow of power that has contributed to making the media an agent of mistrust

Killing Kennedy Bill O'Reilly, Martin Dugard, 2012-10-02 A riveting historical narrative of the shocking events surrounding the assassination of John F Kennedy and the follow up to mega bestselling author Bill O'Reilly's Killing Lincoln The basis for the 2013 television movie of the same name starring Rob Lowe as JFK More than a million readers have thrilled to Bill O'Reilly's Killing Lincoln the page turning work of nonfiction about the shocking assassination that changed the course of American history Now the iconic anchor of The O'Reilly Factor recounts in gripping detail the brutal murder of John Fitzgerald Kennedy and how a sequence of gunshots on a Dallas afternoon not only killed a beloved president but also sent the nation into the cataclysmic division of the Vietnam War and its culture changing aftermath In January 1961 as the Cold War escalates John F Kennedy struggles to contain the growth of Communism while he learns the hardships solitude and temptations of what it means to be president of the United States Along the way he acquires a number of formidable enemies among them Soviet leader Nikita Khrushchev Cuban dictator Fidel Castro and Allen Dulles director of the Central Intelligence Agency In addition powerful elements of organized crime have begun to talk about targeting the president and his brother Attorney General Robert Kennedy In the midst of a 1963 campaign trip to Texas Kennedy is gunned down by an erratic young drifter named Lee Harvey Oswald The former Marine Corps sharpshooter escapes the scene only to be caught and shot dead while in police custody The events leading up to the most notorious crime of the twentieth century are almost as shocking as the assassination itself Killing Kennedy chronicles both the heroism and deceit of Camelot bringing history to life in ways that will profoundly move the reader [Killing England](#) Bill O'Reilly, Martin Dugard, 2017-09-19 The Revolutionary War as never told before This breathtaking installment in Bill O'Reilly and Martin Dugard's mega bestselling Killing series transports readers to the most important era in our nation's history the Revolutionary War Told through the

eyes of George Washington Benjamin Franklin Thomas Jefferson and Great Britain's King George III Killing England chronicles the path to independence in gripping detail taking the reader from the battlefields of America to the royal courts of Europe What started as protest and unrest in the colonies soon escalated to a world war with devastating casualties O'Reilly and Dugard recreate the war's landmark battles including Bunker Hill Long Island Saratoga and Yorktown revealing the savagery of hand to hand combat and the often brutal conditions under which these brave American soldiers lived and fought Also here is the reckless treachery of Benedict Arnold and the daring guerrilla tactics of the Swamp Fox Frances Marion A must read Killing England reminds one and all how the course of history can be changed through the courage and determination of those intent on doing the impossible *Smoking Kills* Conrad Keating,2016-07-05 At the end of the Second World War Britain had the highest incidence of lung cancer in the world For the first time lung cancer deaths exceeded those from tuberculosis and no one knew why On 30 September 1950 a young physician named Richard Doll concluded in a research paper that smoking cigarettes was a cause and an important cause of the rapidly increasing epidemic of lung cancer His historic and contentious finding marked the beginning of a life long crusade against premature death and the forces of Big Tobacco Born in 1912 Doll a natural patrician jettisoned his Establishment background and joined the Communist Party as a reaction to the anarchy and waste of capitalism in the 1930s He treated the blistered feet of the Jarrow Marchers served as a medical officer at the retreat to Dunkirk and became a true hero of the NHS A political revolutionary and an epidemiologist with a Darwinian heart of stone Doll fulfilled his early ambition to be a valuable member of society Doll steered a course through a minefield of medical and political controversy Opponents from the tobacco industry questioned his science while later critics from the environmental lobby attacked his alleged connections to the chemical industry An enigmatic individual Doll was feared and respected throughout a long and wide ranging scientific career which ended only with his death in 2005 In this authorised and groundbreaking biography Conrad Keating reveals a man whose life and work encapsulates much of the twentieth century Described by the British Medical Journal as perhaps Britain's most eminent doctor Doll ushered in a new era in medicine the intellectual ascendancy of medical statistics According to the Nobel laureate Sir Paul Nurse his work which may have prevented tens of millions of deaths transcends the boundaries of professional medicine into the global community of mankind A well crafted biography of Doll who single handedly saved millions of lives with his findings New Scientist As this fascinating and fair minded biography makes clear while Doll's political instincts were radical he was nevertheless a conservative scientist always cautious in causal inference Impressive and engaging International Journal of Epidemiology *General History of the Robberies & Murders of the Most Notorious Pirates* Charles Captain Johnson,2010-05-04 The classic account of the lives exploits of the most notorious pirates of the Golden Age from Anne Bonny to Blackbeard [The Real Stories behind Honour Killing](#) Shahnaz Shoro,2019-03-01 Honour killing as it is widely understood is the cold blooded murder of a woman or a man involved with her by the male members of

her household in order to cleanse the reputation of the family clan community or tribe This violent tradition in the name of religion custom and culture continues to be carried out in a significantly large part of the world The majority of people still believe that honour killings happen for reasons such as marriage from choice or a love affair of a kinswoman rape a demand for divorce from a woman or the birth of a female child all of which are perceived as bringing shame on the family However current research on honour killing suggests that there are a number of intriguing and very cleverly knitted plots of jealousy greed violence and murder which show that in the name of honour various other purposes are being served and people are killed in ways which give the impression that they are honour killings By collecting data from people involved in such situations this book opens a Pandora s box showing that such killings are carried out not to assuage the hurt honour of a patriarchal society but to serve a variety of malign intentions goals and agendas It will serve to let the world comprehend the phenomenon of honour related violence where culture and crime unite under the umbrella of highly discriminating laws against women This book consists of twenty six testimonies from those involved in honour killings bringing together interviews with killers victims and the falsely accused

The Killing of Karen Silkwood Richard Rashke, 2024-11-12 For this edition Rashke has added a preface and three short chapters that explore what has been released and learned about the Silkwood case since the book s original publication Karen Silkwood an employee of the Kerr McGee plutonium processing plant was killed in a car crash on her way to deliver important documents to a newspaper reporter in 1974 Silkwood was a union activist concerned about health and safety issues at the plant and her death at age 28 was considered by many to be highly suspicious Was it Kerr McGee s revenge on a troublesome whistle blower Or was it part of a much larger conspiracy reaching from the Atomic Energy Commission to the FBI and the CIA Richard Rashke leads us through the myriad of charges and countercharges theories and facts and reaches conclusions based solely on the evidence in hand Originally published in 1981 his audiobook offers a vivid edgy picture of the tensions that racked this country in the 1970s Now updated with never before revealed names and content this new volume is an important historical document Complex fascinating characters populate this compelling insider s view of the nuclear industry The issues it explores whistle blowers worker safety the environment and nuclear vulnerability have not lost relevance today 26 years after Silkwood s white Honda Civic was found trapped in a concrete culvert near Oklahoma City Rashke fully explores and explains what happened to the various actors in the drama and discusses the long term effects of the events around Silkwood s death Karen Silkwood is recognized by many as the original Whistler Blower Current events should impel every curious reader to pick up this investigation to better understand how power politics and greed still influence America s business interests
