Symonds,2018 Craig L Symonds World War II at Sea offers a definitive naval history of the Second World War presenting the chronology of the naval war from The London Conference of 1930 to the surrender in Tokyo Bay in 1945 on a global scale for the first time *Morning Star, Midnight Sun* Jeffrey Cox,2018-02-22 Following the disastrous Java Sea campaign the Allies stopped the Japanese advance at Coral Sea and Midway But the Japanese still threatened to build a network of bases in the South Pacific and threatened to cut off Australia In response Allies made a desperate move by starting their first offensive of the Pacific War Their first target a new Japanese airfield in a relatively unknown place in the Solomon Islands called Guadalcanal Hamstrung by obsolete pre war thinking and a bureaucratic mind set the US Navy had to adapt on the fly in order to compete with the mighty Imperial Japanese Navy Starting with the amphibious assaults on Guadalcanal and Tulagi and continuing with the worst defeat in US Navy history the campaign quickly turned into a see saw struggle where the evenly matched foes struggled to gain the upper hand and grind out a victory Following on from his hugely successful book *Rising Sun Falling Skies* Jeffrey R Cox tells the gripping story of the first Allied offensive of the Pacific War as they sought to regain dominance in the Pacific *Sunk in Kula Gulf* John J. Domagalski,2012 The early morning hours of July 6 1943 found the USS Helena off the Solomon Islands in what would later be known as the Battle of Kula Gulf But the ship s participation in the battle came to a swift end when three Japanese torpedoes suddenly struck One hundred and sixty eight sailors went down with the ship many never surviving the initial torpedo hits As the last of the Helena disappeared below the ocean s surface the remaining crewmen s struggle for survival had only just begun *Sunk in Kula Gulf* tells the epic story of the Helena s survivors Two destroyers plucked more than seven hundred from the sea in a night rescue

operation as the battle continued to rage A second group of eighty eight sailors clustered into three lifeboats made it to a nearby island and was rescued the next day A third group of survivors spread over a wide area was missed entirely Clinging to life rafts or debris the weary men were pushed away from the area of the sinking by a strong current After enduring days at sea under the hot tropical sun they finally found land It was however the Japanese held island of Vella Lavella and deep behind the front lines The survivors organized and disappeared into the island s interior jungle Living a meager existence the group evaded the Japanese for eight days until the Marines and U S Navy evacuated the shipwrecked sailors in a daring rescue operation Using a wide variety of sources including previously unpublished firsthand accounts John J Domagalski brings to life this amazing little known story from World War II **Dark Waters, Starry Skies** Jeffrey Cox,2023-03-02 Esteemed Pacific War historian Jeffrey Cox has produced a fast paced and absorbing read of the crucial New Georgia phase of the Guadalcanal Solomons Campaign during the Pacific War Thousands of miles from friendly ports the US Navy had finally managed to complete the capture of Guadalcanal from the Japanese in early 1943 Now the Allies sought to keep the offensive momentum won at such a high cost Determined not to repeat their mistakes at Guadalcanal the Allies nonetheless faltered in their continuing efforts to roll back the Japanese land air and naval forces Dark Waters Starry Skies is an engrossing history which weaves together strategy and tactics with a blow by blow account of every battle at a vital point in the Pacific War that has not been analyzed in this level of detail before Using first hand accounts from both sides this book vividly recreates all the terror and drama of the nighttime naval battles during this phase of the Solomons campaign and the ferocious firestorm many Marines faced as they disembarked from their landing craft The reader is transported to the bridge to stand alongside Admiral Walden Ainsworth as he sails to stop another Japanese reinforcement convoy for New Georgia and vividly feels the fear of an 18 year old Marine as he fights for survival against a weakened but still determined enemy

Unit Histories of World War II United States. Department of the Army. Office of Military History,1950 **The War Against Japan, 1941-1945** John J. Sbrega,2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA s fight against Japan in the Second World War Including books articles and declassified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories historiographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military aspects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru On Board the USS Boise in World War II Ian S. Bertram,2025-09-17 The story of the USS Boise CL 47 is one of fear loss endurance fame triumph and pain The light cruiser endured a remarkable career through the entirety of World War II with a redemption arc that took its crew from the position

of scapegoats to heroes and ultimately to the vanguard of America's liberation forces. One man, Donald D.B. Fitch, witnessed the entire conflict from his battle station on the bridge. The ship conducted secret missions and fought at Guadalcanal, Sicily, New Guinea, and the Philippines. Through Fitch's eyes, this book relives the terrors and thrills of naval combat along with the pranks, shenanigans, and the rumors that were the lifeblood of a ship through four years of war. Fitch and his friends fought for each other and their country, and in the end, they left their mark on history. **Left to Die** Dan Kurzman, 2010-06-15

From the award-winning author of *Fatal Voyage* comes the first full account of one of World War II's most secret scandals. In November 1942, a Japanese torpedo destroyed the USS Juneau, killing 700 men. From extensive interviews, Kurzman reveals the agonizing truth behind one of America's greatest military tragedies. Midnight in the Pacific Joseph Wheelan, 2024-09-24 A sweeping narrative history of America's first major offensive of WWII, the brutal campaign to take Japanese-occupied Guadalcanal. From August to November of 1942, US Marines, sailors, and pilots struggled against an implacable enemy. Japanese soldiers inculcated with the bushido tradition of death before dishonor, the glittering prize was the strategically decisive Henderson Airfield. The bitter slugfest dragged on with heavy losses on both sides. More American sailors died in these battles than in all previous US wars. Each side lost twenty-four warships, and the air war claimed more than 500 US planes. Meanwhile, starving Japanese soldiers called it the island of death. In the end, American Marines, sailors, and airmen had finally halted the Japanese juggernaut that had whirled through Asia and the Pacific for five years. Guadalcanal was America's first major ground victory against Japan and most importantly, the Pacific War's turning point. Drawing on vivid accounts written by the combatants along with Marine Corps and Army archives and oral histories, *Midnight in the Pacific* is both a sweeping narrative and a compelling drama of individual Marines, soldiers, and sailors caught in the crosshairs of history. **Blazing Star, Setting Sun** Jeffrey Cox, 2020-06-25 From popular Pacific Theatre expert Jeffrey R. Cox comes this insightful new history of the critical Guadalcanal and Solomons campaign at the height of World War II. Cox's previous book *Morning Star, Rising Sun* had found the US Navy at its absolute nadir and the fate of the Enterprise, the last operational US aircraft carrier at this point in the war, unknown. This second volume completes the history of this crucial campaign, combining detailed research with a novelist's flair for the dramatic to reveal exactly how, despite missteps and misfortunes, the tide of war finally turned. By the end of February 1944, thanks to hard-fought and costly American victories in the first and second naval battles of Guadalcanal, the battle of Empress Augusta Bay, and the battle of Cape St. George, the Japanese would no longer hold the material or skilled manpower advantage. From this point on, although the war was still a long way from being won, the American star was unquestionably on the ascendant, slowly but surely edging Japanese imperialism towards its sunset. Jeffrey Cox's analysis and attention to detail of even the smallest events are second to none. But what truly sets this book apart is how he combines this microscopic attention to detail, often unearthing new facts along the way, with an engaging style that transports the reader to the heart of the story, bringing the events on the deep blue of the

Pacific vividly to life **Neptune's Inferno** James D. Hornfischer, 2012-03-06 A literary tour de force that is destined to become one of the definitive works about the battle for Guadalcanal James D Hornfischer deftly captures the essence of the most pivotal naval campaign of the Pacific war San Antonio Express News The Battle of Guadalcanal has long been heralded as a Marine victory Now with his powerful portrait of the Navy's sacrifice James D Hornfischer tells for the first time the full story of the men who fought in destroyers cruisers and battleships in the narrow deadly waters of Ironbottom Sound Here in stunning cinematic detail are the seven major naval actions that began in August 1942 a time when the war seemed unwinnable and America fought on a shoestring with the outcome always in doubt Working from new interviews with survivors unpublished eyewitness accounts and newly available documents Hornfischer paints a vivid picture of the officers and enlisted men who opposed the Japanese in America's hour of need The first major work on this subject in almost two decades Neptune's Inferno does what all great battle narratives do It tells the gripping human stories behind the momentous events and critical decisions that altered the course of history and shaped so many lives Praise for Neptune's Inferno Vivid and engaging extremely readable comprehensive and thoroughly researched Ronald Spector The Wall Street Journal Superlative storytelling the masterwork on the long neglected topic of World War II's surface ship combat Richard B Frank World War II The author's two previous World War II books thrust him into the major leagues of American military history writers Neptune's Inferno is solid proof he deserves to be there The Dallas Morning News Outstanding The author's narrative gifts and excellent choice of detail give an almost Homeric quality to the men who met on the sea in steel titans Booklist starred review Brilliant a compelling narrative of naval combat simply superb The Washington Times [Catalog of Copyright Entries.
