## **The Fighting Devil Dogs:**

**THE FIGHTING DEVIL DOGS** Franklyn Adreon, Ronald Davidson, Barry Shipman, Sol Shor, 1943      **The Republic Chapterplays** R.M. Hayes, 2000-09-01 Known as Hollywood's Thrill Factory Republic Pictures produced some of the most exciting serials to hit the big screen The studio's chapterplays were one of the most popular Saturday matinee genres Covering nearly 70 serials the filmographies include full production credits release dates chapter titles running times sound systems when applicable a note on reissues condensations and sequels and an extensive cast list showing roles played Included are an essay on the general development of the American serial and a history of Republic studio to the present

**Serials and Series** Buck Rainey, 2015-06-08 While many fans remember The Lone Ranger Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis      **Science Fiction Serials** Roy Kinnard, 2015-08-13 Destination Moon George Pal's 1950 Technicolor epic is generally cited as the first noteworthy science fiction film Usually ignored or casually dismissed in genre histories are the serials the low budget chapterplays exhibited as Saturday matinee fare and targeted almost exclusively at children Lacking stars and top notch writers or directors the serials went largely unnoticed and

unacknowledged by either critics or by the film industry Yet serials were financially important to the Hollywood studios and were often free to exploit risky or outlandish subjects that producers of distinguished movies would not touch Influential serials such as The Phantom Empire 1935 and Flash Gordon 1936 finally brought science fiction themes to the big screen Those serials and 29 others are exhaustively covered in this work which provides complete cast and credit information along with plot descriptions and historical commentary for each serial Video distributors if available are also listed      *In a Door, into a Fight, Out a Door, into a Chase* William Witney, 2005-04-07 Early in 1937 a young film editor went on location to St George Utah for the filming of Republic's The Painted Stallion Rain and cast problems put the production hopelessly behind schedule The studio summarily fired the director and replaced him with the film editor Thus was born the career of one of Hollywood's most famous serial directors Bill Witney Witney went on to direct or codirect 23 Republic serials working with such stars as William Benedict Hoot Gibson Bela Lugosi and Noah Beery Sr Witney's output included some of the most famous cliffhangers of the era such as Adventures of Red Ryder Spy Smasher Drums of Fu Manchu The Lone Ranger and The Lone Ranger Rides Again Though he enjoyed a long career as a feature film and television director it is the Republic serials for which he is best remembered This engaging story is a behind the scenes look at the heyday of the Hollywood cliffhanger the making of the movies and the people involved in them      **The Republic Pictures Checklist** Len D. Martin, 2015-08-13

**Encyclopedia of American Film Serials** Geoff Mayer, 2017-02-07 From their heyday in the 1910s to their lingering demise in the 1950s American film serials delivered excitement in weekly installments for millions of moviegoers despite minuscule budgets nearly impossible shooting schedules and the disdain of critics Early heroines like Pearl White Helen Holmes and Ruth Roland broke gender barriers and ruled the screen Through both world wars such serials as *Spy Smasher* and *Batman* were vehicles for propaganda Smash hits like *Flash Gordon* and *The Lone Ranger*
