Hollywood Bloodshed James Kendrick, 2009-03-30 In Hollywood Bloodshed James Kendrick presents a fascinating look into the political and ideological instabilities of the 1980s as studied through the lens of cinema violence Kendrick uses in depth case studies to reveal how dramatic changes in the film industry and its treatment of cinematic bloodshed during the Reagan era reflected shifting social tides as Hollywood struggled to find a balance between the lucrative necessity of screen violence and the rising surge of conservatism As public opinion shifted toward the right and increasing emphasis was placed on issues such as higher military spending family values and money culture film executives were faced with an epic dilemma the violent aspects of cinema that had been the studios bread and butter were now almost universally rejected by mainstream audiences Far from eliminating screen bloodshed altogether studios found new ways of packaging violence that would allow them to continue to attract audiences without risking public outcry ushering in a period of major transition in the film industry Studios began to shy away from the revolutionary directors of the 1970s many of whom had risen to fame through ideologically challenging films characterized by a more disturbing brand of violence while simultaneously clearing the way for a new era in film The 1980s would see the ascent of entertainment conglomerates and powerful producers and the meteoric rise of the blockbuster a film with no less violence than its earlier counterparts but with action oriented thrills rather than more troubling images of brutality Kendrick analyzes these and other radical cinematic changes born of the conservative social climate of the 1980s including the disavowal of horror films in the effort to present a more acceptable public image the creation of the PG 13 rating to designate the gray area of movie violence between PG and R ratings and the complexity of marketing the violence of war movies for audience pleasure The result is a riveting study of an often overlooked yet nevertheless fascinating time in cinema history While many volumes have focused on the violent films of the New American Cinema directors of the 1970s or the rise of icons such as

Woo Tarantino and Rodriguez in the 1990s Kendrick's *Hollywood Bloodshed* bridges a major gap in film studies This comprehensive volume offers much needed perspective on a decade that altered the history of Hollywood and American culture forever International Documentary, 1995

Gender and Genre in 1990s Hollywood Patricia Di Risio, 2024-11-14 The 1990s was a decade of significant turmoil in Hollywood cinema which resulted in a watershed moment in the interplay of gender and genre Patricia Di Risio argues that cinematic representations of unconventional women had an important effect on traditionally male oriented genres such as the crime thriller road movie western film noir war film sci fi and horror Di Risio analyses seven key films from the decade including *Blue Steel* 1990 *Thelma Louise* 1991 *The Quick and the Dead* 1995 *Bound* 1996 *Jackie Brown* 1997 *G.I. Jane* 1997 and *Alien Resurrection* 1997 paying particular attention to their use of irony

allusion and pastiche She highlights how their female protagonists a majority of whom are decidedly queer or gender questioning personas produce an intense crossover in genre conventions largely driven by their gender rebellion She examines how a deconstruction of gender simultaneously allows genre hybridity and intertextuality taking these films into unexpected new directions In doing so she delineates a clear line between the unconventional nature of the representation of the female protagonists and innovative changes to genre filmmaking practices

The Coppolas Vincent LoBrutto, Harriet R. LoBrutto, 2012-08-22 This fascinating behind the scenes look at a Hollywood dynasty offers an in depth study of the films and artistry of iconic director Francis Ford Coppola and his daughter Sofia exploring their work and their impact on each other both personally and professionally The Coppolas A Family Business examines the lives films and relationship of two exemplary filmmakers Francis Ford Coppola and his daughter Sofia It looks at their commonalities and differences as artists and people and at the way those qualities are reflected in their work Much of the book is devoted to Francis and his outstanding achievements and equally notable failures as a screenwriter director producer and presenter of landmark works of cinema The narrative goes beyond the heyday of his involvement with Hollywood to analyze his more recent projects and the choices that led him to create small independent films In Sofia s case the story is one of women s growing independence in the arts revealing how Sofia developed her craft to become a cinematic force in her own right In addition to its insightful commentary on their contributions to cinema past and present the volume provides intriguing hints at what fans might anticipate in the future as both Coppolas continue to expand their artistry

Media W. Lambert Gardiner, 2006 In the tradition of Harold Innis and Marshall McLuhan Professor Scott Gardiner approaches media as an extra somatic tool and engages in a bracingly different approach to the purpose and power of media via an investigation into its historical psychological and technical underpinnings as well as the powerful and disturbing benign configurations of its future Gardiner goes beyond the usual sociological level of analysis and the readings approach to the topic Media in all forms is seen as an extension of memory and speech what we are born with if medium is defined as storing and transmitting information Next the development of storing information outside our bodies is analyzed reading writing photography and film for transmitting information outside our bodies telephone radio television and for both storing and transmitting outside our bodies internet multimedia Futurity and the limits of Media conclude the study A well known Canadian researcher and scholar Gardiner is the author of numerous books and articles on the Media and worked with Innis and McLuhan at the Toronto School of Media A powerful overview of the subject and its and our mediated future recommended both for its content as well as for its lively and sophisticated presentation Professor Ernst Bekovsky

It's Only a Movie! Raymond J. Haberski, Once derided as senseless entertainment movies have gradually assumed a place among the arts Raymond Haberski s provocative and insightful book traces the trajectory of this evolution throughout the twentieth century from nickelodeon amusements to the age of the financial blockbuster Haberski begins by looking at the barriers to film s acceptance as an art form including the Chicago Motion Picture Commission hearings of 1918 1920 one of the most revealing confrontations over the use of censorship in the motion picture industry He then examines how movies overcame the stigma attached to popular entertainment through such watershed events as the creation of the Museum of Modern Art s Film

Library in the 1920s The arguments between Pauline Kael and Andrew Sarris s heralded a golden age of criticism and Haberski focuses on the roles of Kael Sarris James Agee Roger Ebert and others in the creation of cinephilia Described by Susan Sontag as born of the conviction that cinema was an art unlike any other this love of cinema centered on coffee houses universities art theaters film festivals and of course foreign films The lively debates over the place of movies in American culture began to wane in the 1970s Haberski places the blame on the loss of cultural authority and on the increasing irrelevance of the meaning of art He concludes with a persuasive call for the re emergence of a middle ground between art and entertainment something more complex ambiguous and vexing something worth thought *Terrence Malick* Thomas Deane Tucker, Stuart Kendall, 2011-05-12 Terrence Malick s four feature films have been celebrated by critics and adored as instant classics among film aficionados but the body of critical literature devoted to them has remained surprisingly small in comparison to Malick s stature in the world of contemporary film Each of the essays in *Terrence Malick Film and Philosophy* is grounded in film studies philosophical inquiry and the emerging field of scholarship that combines the two disciplines Malick s films are also open to other angles notably phenomenological deconstructive and Deleuzian approaches to film all of which are evidenced in this collection *Terrence Malick Film and Philosophy* engages with Malick s body of work in distinct and independently significant ways by looking at the tradition within which Malick works the creative orientation of the filmmaker and by discussing the ways in which criticism can illuminate these remarkable films **The History of**

American Literature on Film Thomas Leitch, 2019-06-13 From William Dickson s Rip Van Winkle films 1896 to Baz Luhrmann s big budget production of *The Great Gatsby* 2013 and beyond cinematic adaptations of American literature participate in a rich and fascinating history Unlike previous studies of American literature and film which emphasize particular authors like Edith Wharton and Nathaniel Hawthorne particular texts like *Moby Dick* particular literary periods like the American Renaissance or particular genres like the novel this volume considers the multiple functions of filmed American literature as a cinematic genre in its own right one that reflects the specific political and aesthetic priorities of different national and historical cinemas even as it plays a decisive role in defining American literature for a global audience

Costume, Makeup, and Hair Adrienne L. McLean, 2016-10-07 Movie buffs and film scholars alike often overlook the importance of makeup artists hair stylists and costumers With precious few but notable exceptions creative workers in these fields have received little public recognition even when their artistry goes on to inspire worldwide fashion trends From the acclaimed *Behind the Silver Screen* series *Costume Makeup and Hair* charts the development of these three crafts in the American film industry from the 1890s to the present Each chapter examines a different era in film history revealing how the arts of cinematic costume makeup and hair have continually adapted to new conditions making the transitions from stage to screen from monochrome to color and from analog to digital Together the book s contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation often fashioning striking looks and ingenious effects out

of limited materials Costume Makeup and Hair not only considers these crafts in relation to a wide range of film genres from sci fi spectacles to period dramas but also examines the role they have played in the larger marketplace for fashion and beauty products Drawing on rare archival materials and lavish color illustrations this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume makeup and hairstyling as distinct art forms
