The Final 42 Months:

The Entire Endtime Sequence Robert L. Carlton, 2012-08-03 In recent times many people have come to realize that this world is approaching its end Most believe that GOD is in control of how it will end and they are right Not only is GOD in control He has a Master Endtime Plan for this earth and its peoples Moreover in His Holy Word the Bible GOD has described His plan He has described it very clearly and in great detail This book describes the entire Endtime Scenario making it so simple anyone can understand it It reviews the scriptures that describe each major Endtime happening and other scriptures that explicitly define the chronological sequence for those happenings It identifies several calendar timelines within the scriptures that measure the precise times between various Endtime happenings To give confidence in its conclusions it identifies four separate sets of Scriptures that clearly define the sequence for the events that will lead to CHRIST S return and the Christian Rapture Ressurrection Everyone even those who are not familiar with either the Bible or the Christian theology should easily understand this book They will understand the entire Endtime Scenario that JESUS CHRIST foretold the major happenings that will take place the sequence in which they will happen and the specific scriptures that describe all these things Moreover they will understand how all of these things relate to GOD S Covenants and His labors of the past 6000 years They will see that all of the Endtime happenings are just the grand finale of those labors Most importantly each reader will not only allow what is going to happen in the Endtimes he or she will know how they can control their own eternal destiny

Federal Register, 2013-03 The Rise of the Antichrist Lowell B. Hudson, 2018-11-13 Does the idea of Biblical Prophecy seem well laughingly absurd galactically improbable Good It s supposed to seem that way In fact for Biblical prophecy to work properly its readers have to be highly skeptical Biblical prophecy requires even promotes uber skepticism at times to evoke the intended response in its readers The credibility of its message that its words were authored by God gains increased potency as the highly improbable happens again and again When the absurdly improbable actually occurs over and over in documented historically verifiable situations our fundamental assumptions are challenged We are confronted with the possibility that on a truly foundational level everything we thought we knew may really be wrong or radically incomplete That s what Biblical prophecy is about on a macro level That s its big idea Biblical prophecies also seek to warn about particularly important slices of future history Not because that future can be changed but so it can be met with integrity and intact faith This book is obviously focused on those Biblical prophecies involving the Antichrist s rise to power By using careful time honored traditional methods of Biblical investigation we ll have a serious and sober look at what the Scriptures really say about this future world ruler There are also some new discoveries that many would find surprising even shocking Now that s a lot to swallow all at once That the future is knowable on some level and that it s going to be so horrible Why would anyone want to believe this could happen Deep down I don t want to believe it It s so much easier to reject it than to allow it to threaten your whole frame of reference That tug of war that vague unease that s supposed to happen too It s

Biblical prophecy doing its thing It takes a lot of guts to consider ideas that have the power to explode your comfortable world view If you decide to read this book remember it s ok to be skeptical It s absolutely required for a healthy mind But resist the awful temptation to reject out of hand Aside from being an addictive and lazy habit it just may deprive you someday of knowing that wonderful excruciating panic of having your mind blown open *The Final Seven* Patricia Green,2013-04-15

The Vile Man of Daniel Robert Pelletier, 2018-08-03 The Vile Man of Daniel examines all scriptures related to the Vile Man or beast who arises in the final days of mans rule on the earth It is a fresh look at the scriptures and only the scriptures without the shroud of religion All scriptures written about the beast must fit together perfectly the Old Testament the Gospels and the New Testament There can be no contradictions The book suggests that the missing ingredient with respect to proper interpretation is the hidden mystery of the one body of Jesus Christ which is not accounted for in the Old Testament but kept hidden in God until revealed to the apostle Paul in the first century Once this is understood whole sections of scriptures become plain and clear and perfect

The Overcomers James Duren,2009-06-24 The book of Revelation is fascinating But it is so much more than fascinating because it weaves together in symbolic form the final outcome of God's intentions for all creation It is the last of God's direct communications to the world until Jesus returns It ties together the main events that the course history has taken and will take up to the final climax that ushers in the eternal state of all creation I hope I have rightly handled the Word of Truth and as a consequence will have made the message of Revelation clear to you If it strengthens and blesses you I will be content If it glorifies Christ and adds to the honor that is due Him from your heart my labors will be amply rewarded James Duren A servant of Jesus Christ
