

### BARBARA OLSON, 1955-2001

Just two days before this book was to be printed, Barbara Olson was killed in the hijacked airplane that was flown into the Pentagon during the terrorist attack on America. It is now published in her memory, as we and her family know she would have wanted.

Barbara was the bestselling author of *Hell to Pay: The Unfolding Story of Hillary Rodham Clinton*. She served as a prosecutor for the Department of Justice and as counsel to a congressional committee before going into private practice. She was a much sought-after legal analyst and commentator on television and radio. Barbara will be missed by the many who enjoyed her spirit, her wit, and her commitment to principle.

**The Final Days** Barbara Olson,2003-08-01 A revelation of Bill and Hillary Clinton s last days as the First Family discusses President Clinton s controversial pardons and his relationship with fugitive Marc Rich and Hillary s solicitation of gifts and partaking of the White House china

**Bill Clinton** Patrick J. Maney,2021-04-15 Of the original Gilded Age historian Richard Hofstadter wrote There is no other period in the nation s history when politics seems so completely dwarfed by economic changes none in which the life of the country rests so completely in the hands of the industrial entrepreneur The era of William Jefferson Clinton s ascent to the presidency was strikingly similar nothing less Clinton himself said than a paradigm shift from the industrial age to an information technology age from the Cold War to a global society How Bill Clinton met the challenges of this new Gilded Age is the subject of Patrick J Maney s book an in depth perspective on the 42nd president of the United States and the transformative era over which he presided Bill Clinton New Gilded Age President goes beyond personality and politics to examine the critical issues of the day economic and fiscal policy business and financial deregulation healthcare and welfare reform and foreign affairs in a post Cold War world But at its heart is Bill Clinton in all his guises the first baby boomer to reach the White House the natural the most gifted politician of his generation but one with an inexplicably careless and self destructive streak the Comeback Kid repeatedly overcoming long odds the survivor frequently down but never out and with Hillary Rodham Clinton part of the most controversial First Couple since Franklin and Eleanor Roosevelt Maney s book is in sum the most succinct and up to date study of the Clinton presidency invaluable not merely for understanding a transformative era in American history but presidential national and global politics today

Historical Dictionary of the Clinton Era Richard S. Conley,2012-03-15 William Jefferson Clinton s legacy remains a matter of significant contention among historians political scientists and pundits even after a decade of time to reflect The narrative of Clinton s two terms may be in some sense the tale of two different men or at least two incongruous public views of the nation s 42nd chief executive On the one hand there is the Clinton who left the White House more popular than when he took office entering with a 58 percent approval rating and leaving with a 66 percent approval rating On the other hand an ABC News poll conducted on his last day showed that 67 percent of Americans said Clinton was not honest and trustworthy The Historical Dictionary of the Clinton Era covers both sides of the Clinton presidency through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities including the president his advisors his family his opponents and his critics as well as members of Congress military leaders and international leaders This book is a vital access point for students researchers and anyone interested in the presidency of Bill Clinton

Politics of Fear Manuel G. Gonzales,Richard Delgado,2015-12-03 Lucidly written widely informed and uncompromisingly honest a valuable expose Michael Parenti Documents the stunning success of a network of wealthy donors and corporations in creating and sustaining a set of think tanks legal action groups and media

strategies Gary Orfield Harvard University What explains the electoral success of Republicans particularly of the ascendant neoconservatives who now dominate the Party Based on a thorough and up to date examination of the New Right over twenty five years *The Politics of Fear* proposes some provocative answers including globalization new technologies and a far reaching network of right wing think tanks and foundations As the authors show all have opened the doors to a new politics of fear successfully waged by the neoconservatives By manipulating insecurity the New Right has created an extraordinarily successful populist conservative movement Utilizing extensive documentation the authors argue convincingly that the fear of immigrants and racial minorities has served as the most effective tactic in the GOP arsenal while their approach also implicates gays feminists and terrorists The book explains why Americans have willingly supported a party that promises them security just as it delivers greater economic and political insecurity The authors argue that despite their striking political successes neoconservatives have delivered to voters a set of policies harmful to working Americans in the way of regressive tax measures military exploits tort reform deregulation and environmental destruction

*Presidential Payola* Thomas J. Craughwell, 2011-04 Presidents with little oversight short of checks and balances have abused funding misdirected money misused personal funds and misappropriated tax payer contributions for personal gain This history of presidential monetary abuse details the biggest often blatant abuses of power where political influence was bought and sold lucrative contract handed out to friends and political support is up for purchase The tales are shocking examples of the oval office politicking gone wild and the damage it has done to the credibility of presidents It also reveals with more than 40 archival images the sheer volume of tax payer money that goes awry for politicians personal gain with the presidential stamp on it or simply a purposeful presidential oversight

**Donkey Cons** Lynn Vincent, Robert Stacy McCain, 2006-04-02 There is a double standard for Democrat and Republican criminals An irresistible book that reminds us what the New York Times wants us to forget David Horowitz Publisher FrontPage Magazine Shameless bribery Illicit sex Sweeping corruption The Democratic Party is like the Gambino mob but with matching federal funds In this raucous head spinning look at the follies and felonies of today s most famous and infamous liberals journalists Lynn Vincent and Robert Stacy McCain chronicle for the first time the rampant crime sex and corruption of the Democratic Party *Donkey Cons* reveals How corrupt Democrats in Congress outnumber corrupt Republicans by as much as three to one How Franklin Roosevelt Harry Truman and John F Kennedy were elected with the help of the Mob What two eyewitnesses said about JFK s obsession with hookers How union operatives take from working families to deliver millions of dollars to Democrats How Democrats in the 1990s covered up a conspiracy one expert called the largest incidence of obstruction of justice in American history Why Democrats ignore crime victims and take the side of rapists robbers and cop killers then stump for the right of felons to vote From bribery kickbacks and sex scandals to espionage terrorism and rape what was once the Party of the People has become a party with an appallingly long rap sheet And this hard hitting sad but funny expos of the crimes of the Democratic Party finally puts all

their misdeeds into perspective Thoroughly researched using outrageous anecdotes and intimate details Donkey Cons shows that the serial corruption of the Clinton presidency wasn't an anomaly but a developing unnerving pattern in the modern Democratic ethos These are the stories the Democrats don't want you to read      **Fighting Back** Bill Sammon,2003-08-18 In this bestselling book the author goes behind the scenes with President George W Bush and his teams as they lead the nation on a new kind of war      **Books ,      Jimmy and Rosalynn Carter** E. Stanly Godbold, Jr.,2022 This dual biography of Jimmy and Rosalynn Carter the thirty ninth President and the First Lady chronicles their personal and professional relationships and their business and political successes The second volume of their dramatic story is filled with the emotional and political ups and downs of their lives as they managed a large family attempted to use their presidency to bring peace human rights and justice to all peoples of the world and dedicated the remainder of their long lives to making a safer more caring world

Washington Babylon Mark Hyman,2019-10-22 Since America's founding the nation's capital has experienced more than its share of scandals thankfully Washington Babylon explores some of the dirtiest secrets that have occurred throughout US history Some are from the earliest days of America's founding and include the most famous people in history like George Washington Others are still fresh in our minds as the dust has not even settled In between US history is littered with scandals from nearly all walks of life that were the most talked about stories at the time Many past scandals remain infamous such as Watergate Chappaquiddick and Abscam Other scandals that were once the biggest stories of the day have faded into obscurity Washington Babylon reveals new details in some scandals that were not known when the story first broke offering a whole new perspective for discussion This is the most comprehensive collection of American scandals that will educate entertain shock and perhaps even titillate the reader      **Politically Incorrect Guide to the Presidents** Steven F. Hayward,2012-02-13 Larry Schweikart a retired history professor is ready to set the record straight on the American presidents He goes through each of the first 26 presidents from Washington to Taft and debunks myths lies and fake news made fact by the uninformed Discover why George Washington favored American isolationism James Madison supported states rights what Lincoln promised to Southerners about fugitive slaves and why nineteenth century presidents were the last to understand the true role of government So what made these presidents so much better than the ones America has now Schweikart argues that recent commanders in chief have welcomed crises to advance their own partisan agenda defied the separation of powers the Founders carefully constructed to preserve the Republic and given us every reason to doubt they take the country's interests to heart      **The Clintons' War on Women** Roger Stone,Robert Morrow,2016-09-06 This book on Hillary really tough President Donald Trump Hillary Clinton is running for president as an advocate of women and girls but there is another shocking side to her story that has been carefully covered up until now This stunning expos reveals for the first time how Bill and Hillary Clinton systematically abused women and others sexually physically and psychologically in their scramble for power and wealth In this groundbreaking book New York Times bestselling author Roger Stone and

researcher and alternative historian Robert Morrow map the arc of Bill and Hillary's crimes and cover ups. They reveal details about their actions in Arkansas during Bill Clinton's time in the White House about who really ordered the deadly attack on the Branch Davidian compound in Waco during Hillary's tenure as secretary of state about their time at the Clinton Foundation and during Hillary's current campaign for president. This is the first book to shed light on the couple's deeply personal violations of the people they crushed in their obsessive quest for power. Along the way Stone and Morrow reveal the family's darkest secrets including a Clinton family member's drug rehab treatment that was never reported by the press, Hillary Clinton's unusually close relationship with a top female aide and a stunning revelation of such impact that it could strip Bill Clinton of his current popularity and derail Hillary's push to be the second Clinton in the White House. Anyone who cares about the future of the United States will want to read this, tell all exposing the appalling unvarnished and ugly truth about the Clintons. This paperback edition includes a new preface from Roger Stone revealing explosive new information he's learned since the hardcover's release.

**Branded Conservatives** Kenneth M. Cosgrove, 2007. This book argues that Conservatism has made good use of branding in its move from the fringes to the center of American political life. Conservatives have built a unique brand around their candidates, their movement and their issues that has facilitated their ability to win elections and implement public policies. Branding has been one of the major tools through which Conservatives have built an enduring movement over the last several decades and a tool through which their movement has become very resilient. This book is ideal for use in classes on American politics, campaigns and elections, media and politics, political marketing and consumer marketing.

*The Republican Noise Machine* David Brock, 2005. Bestselling author David Brock documents the most important political development of the last thirty years. How the Republican Right has won political power and hijacked public discourse in the United States. Over the last several decades the GOP has built a powerful media machine: newspapers and magazines, think tanks, talk radio networks, op-ed columnists, the FOX News Channel, Christian Right broadcasting, book publishers and high traffic Internet sites to sell conservatism to the public and discredit its opponents. David Brock's penetrating analysis of news stories from the disputed 2000 presidential election to the war in Iraq to the political battles of 2004 reveals that this booming right wing media market is largely based on bigotry, ignorance and emotional manipulation, closely tied to America's long standing cultural divisions and the buying power of anti-intellectual traditionalists. Writing with verve and deep insight, Brock reaches far beyond typical bromides about media bias to produce an invaluable account of the rise of right wing media and its political consequences.

**The Rattle and Hiss of the Tin Gods** Evelyn L. Damore, 2002-05-27. The Rattle and Hiss of the Tin gods compares the basic tenets of humanism and Christianity and documents the impact secular humanistic thought has had on all aspects of American life from movies to politics. It raises the question: What role, if any, does Christianity play in solving our social problems? The book also forces the reader to view the drama being played out in the media and the political arena on the issue of separation of church and state in a more

thoughtful way Although these questions are answered in every chapter of the book they are best explained when the focus is on the issue of political Christians The author s views are presented in a straightforward manner even as she counters the one sided view that the media has taken over the years belittling a way of life principles and values that so many Americans hold

**The Vast Right-Wing Conspiracy's Dossier on Hillary Clinton** Amanda B. Carpenter,2016-05-03 Written in the style and format of the New York Times bestseller The Official Handbook of the Vast Right Wing Conspiracy this expose is full of fresh reporting devastating quotes scandalous stories funny sidebars and forgotten but telling incidents from Hillary s past

**Politically Incorrect Guide to the Presidents, Part 2** Steven F. Hayward,2017-01-09 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country

**Pardongate** Mark Hyman,2020-06-30 Bill Clinton s abrupt departure from long standing precedent was an astonishing abuse of the Justice Department processes and underscored the shady wheeling and dealing that was common in the Clinton orbit Bill Hillary and brothers Roger Clinton Hugh Rodham and Tony Rodham all profited financially or politically from hustling dozens of pardons to some of history s most undeserving recipients These ranged from worldwide pariah Marc Rich to a cocaine trafficking kingpin to murderous terrorists who hadn t even requested executive clemency A third of the final day pardons bypassed Justice Department review and went straight to Bill for approval Dozens of recipients hadn t even filed a petition In the final hours of Bill Clinton s last day in office the pardon attorney was frantically preparing paperwork for recipients whose names were misspelled or whose addresses were unknown It was a free for all The brothers were paid hundreds of thousands of dollars to privately lobby Bill for pardons some of which never materialized But the brothers were still paid Hillary collected political and financial IOUs she later cashed in when she sought political office For most of his presidency Bill was one of the stingiest presidents of all time when it came to the awarding official forgiveness to felons but the pardon floodgates opened when Hillary began her run for the US Senate It was the selling of pardons for money and influence that launched the Clintons nearly two decade pay for play scheme a scheme that not only amassed billions of dollars for the Clinton Foundation and hundreds of millions of dollars for the Clintons but also catapulted Hillary into a presidential front runner Pardongate reveals details of the Clinton machine that will leave even the most informed citizens appalled
