The Finances Of The United States From 1775 To 1789:

The Finances of the United States from 1775 to 1789 Charles Jesse Bullock, 1895 The brief appearance of a ghost late at night begins a series of comic misunderstandings during which the narrator's mother throws a shoe through a neighbor's window and his grandfather shoots a policeman

The Finances of the United States From 1775 to 1789 CHARLES JESSE. BULLOCK, 2025-05-22 The *Finances of the United States From 1775 to 1789* by Charles Jesse Bullock offers a detailed examination of the fiscal challenges and strategies employed by the nascent American nation during its formative years. This volume, originally published as part of the *Bulletin of the University of Wisconsin*, delves into the intricacies of budgeting and financial management in the United States from the onset of the Revolutionary War through the adoption of the Constitution. Bullock meticulously analyzes the financial policies, economic conditions, and budgetary processes that shaped the early republic. This work provides valuable insights into the economic underpinnings of the American Revolution and the subsequent efforts to establish a stable financial system. It remains a significant resource for scholars and students interested in the economic and political history of the United States. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
