The First And Second Epistles Of Paul To The Thessalonians:

The First and Second Epistles of Paul to the Thessalonians Richard Wolff, 1970 The First and Second Epistles to the Thessalonians Leon Morris, 2009-04-10 The two letters to the Thessalonians dwell richly on the Christian hope and emphasize the significance of the Christian calling in the here and now In this commentary Leon Morris offers a solid exegetical discussion of specific problems relating to the composition of the letters themselves yet his exposition is also pervaded by an acute awareness of the relevance of Paul's message to the practical problems encountered in living the Christian life Long published as part of the New International Commentary on the New Testament series and here reprinted in paperback this classic work on 1 and 2 Thessalonians has proved and will continue to prove useful to a wide range of readers including scholars pastors Bible students and educated Christians Thorough and readable Leon Morris deals minutely with the grammatical meaning of the Greek text without being obscure or pedantic The main exposition of the commentary is comprehensible by any intelligent Bible student and provides ready reference for the casual reader Christianity Today Morris is an able exegete with a mind of his own and a stylistic facility that makes his commentary as readable as it is instructive Evangelical Quarterly This commentary is worthy of a place on the shelves of every student of the New Testament Didaskalia

The Epistles of Paul to the Thessalonians Leon Morris, 1984 Tydale New Testament Commentaries contains the Epistle of 1 2 Thessalonians and also book 13 **The Epistles of St. Paul to the Thessalonians, Galatians, Romans: with critical notes and dissertations. The First and Second Letters to the Thessalonians Gordon D. Fee,2009-07-10 In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians He shows the reader what is in the biblical text what the text meant in the first century and what it means now Fee reveals the logic of each argument or narrative before moving on to the details of each verse and he concludes each section with a theological practical reflection on the meaning of the text today Among other things Fee explores the occasion for writing for each epistle restoring 2 Thessalonians to the place it deserves as a full companion to the first letter rather than merely a tagalong to 1 Thessalonians
