*The First Century of Italian Humanism* Ferdinand Schevill, 1928      **The First Century of Italian Humanism**  
Ferdinand Schevill, 1966      **First Century of Italian Humanism** Ferdinand Schevill, 1970-02-01 A study in the intellectual history of Italy between 1325 1450 During this period there began to define itself quite clearly a new attitude toward life which the documents incorporated in this volume offer an opportunity to explore      **Italian Literature before 1900 in English Translation** Robin Healey, 2011-12-15 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008 It lists works from all genres and subjects and includes translations wherever they have appeared across the globe In this annotated bibliography Robin Healey covers over 5 200 distinct editions of pre 1900 Italian writings Most entries are accompanied by useful notes providing information on authors works translators and how the translations were received Among the works by over 1 500 authors represented in this volume are hundreds of editions by Italy s most translated authors Dante Alighieri Machiavelli and Boccaccio and other hundreds which represent the author s only English translation A significant number of entries describe works originally published in Latin Together with Healey s Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature      *The Lost Italian Renaissance* Christopher S. Celenza, 2006-01-09 A groundbreaking work of intellectual history The Lost Italian Renaissance uncovers a priceless intellectual legacy suggests provocative new avenues of research      [The Italia Judaica Jubilee Conference](#) Shlomo Simonsohn, Joseph Shatzmiller, 2012-12-03 This volume contains the proceedings of the Italia Judaica Jubilee Conference held at Tel Aviv University 3 5 January 2010 on the occasion of the jubilee celebration of outstanding scholarship on the history of Italian Jewry Established in 1960 by Professor Shlomo Simonsohn and scholars from Israel and other countries the Italia Judaica Project has sponsored documentation and research and organized international conferences including some as part of the Israeli Italian cultural agreement The conference records the success of the project exploring a broad range of topics related to the culture and history of the Jews in Italy in the Middle Ages and early modern times such as Jewish community economy literature medicine and science and the Arts This volume contains nineteen of the twenty seven lectures presented at the conference including such topics as International Trade and Italian Jews at the Turn of the Middle Ages The Angevins of Naples and the Jews and Dante and the Literary Identity of Jews in Italy The conference was organized by the Goldstein Goren Diaspora Research Centre at Tel Aviv University in cooperation with the Fred W Lessing Institute for European History and Civilization the Cymbalista Jewish Heritage Centre the Faculty of Jewish Studies and the Golda and Israel Koschitzky Department of Jewish History at Bar Ilan University and the Istituto Italiano di Cultura      *Nicholas of Cusa - A Companion to his Life and his Times* Morimichi Watanabe, Edited by Gerald Christianson, 2016-05-06 This work is a guide to

the life thought and activities of Nicholas of Cusa 1401 1464 the great fifteenth century philosopher theologian jurist author of mystical and ecclesiastical treatises cardinal and reformer It is intended not only for advanced scholars but also for beginners and those simply curious about a man who has been called one of the greatest Germans of the fifteenth century and a medieval thinker for the modern age The book provides a series of detailed but readable essays on ideas persons and places a work developed over the course of nearly three decades First it contains articles on the important events and concepts that affected Cusanus philosophical religious intellectual and political Then it turns to his precursors and contemporaries both friendly and critical These include philosophers theologians politicians and canon lawyers And third the book follows the footsteps of the man from Kues and examines various sites where he lived studied or visited Because the author has also visited many of these sites he can contribute personal observations to enliven the journey To add to the book's usefulness as a resource and reference tool each entry is followed by a bibliography containing both recent and older works The purpose of the volume is to gain a greater appreciation of Cusanus and his legacy by striving for a total view of his thought and experience instead of narrowly focusing on specific philosophical theological or intellectual ideas or certain periods of his activities in isolation from other facets of this compelling figure The Mind of the Middle Ages Frederick B. Artz, 2014-11-20 This is the third edition of a near standard survey of the intellectual life of the age of faith Artz on the arts as on philosophy politics and other aspects of culture makes lively and informative reading The Washington Post **Routledge Encyclopedia of Philosophy: Index** Edward Craig, 1998 Volume seven of a ten volume set which provides full and detailed coverage of all aspects of philosophy including information on how philosophy is practiced in different countries who the most influential philosophers were and what the basic concepts are *Studies in the Italian Renaissance* Berthold Louis Ullman, 1955 The Journal of Modern History Bernadotte Everly Schmitt, 1929 Covers the intellectual political and cultural history of Europe since the Renaissance Includes sections Book reviews and Bibliography *Bulletin* Italy America Society (New York, N.Y.), 1929 **Bulletin and Italiana**, 1929 *The American Historical Review* John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler, 1928 American Historical Review is the oldest scholarly journal of history in the United States and the largest in the world Published by the American Historical Association it covers all areas of historical research **The Nation**, 1902 *The Sixteenth Century* Euan Cameron, 2006-03-23 The sixteenth century witnessed some of the most abrupt and traumatic transformations ever seen in European society and culture Population growth strained the old fabric of community and economic relations New supplies of precious metals from east and west re wrote the rules of finance and commerce Politics was dominated first by the gladiatorial struggle of two great Renaissance monarchs then by the bitter and bloody entanglement of religion and politics Society became more disciplined but also more fragmented Yet this was also the age when the Renaissance became a European rather than just an Italian phenomenon an age of art architecture and literature of unprecedented reflection on the thinking person's role in government and civic life It was the

era of the Reformation and Catholic reform when the ideals and priorities of the life of faith were examined and reshaped in the light of new readings of Scripture For the first time Europeans not only learned more about the world beyond their continent they reached out and grasped huge new overseas empires Six leading scholars in their respective fields have here contributed their insights into the challenging and tumultuous sixteenth century The economy politics society and secular and religious thought all receive careful thematic treatment and analysis A detailed picture also emerges of how Europeans made and managed their overseas empires The volume challenges tests and revises the received wisdom of past accounts in the light of the most modern scholarship The diverse experiences of regions of Europe often ignored including the East and the Mediterranean receive particular attention where their destinies were different from the more better known experiences of France and Germany Many clichés of textbook history from the multiple revolutions to the rise of the nation states emerge transformed from this account

**Philology** James Turner, 2015-09-15 A prehistory of today's humanities from ancient Greece to the early twentieth century Many today do not recognize the word but philology was for centuries nearly synonymous with humanistic intellectual life encompassing not only the study of Greek and Roman literature and the Bible but also all other studies of language and literature as well as history culture art and more In short philology was the queen of the human sciences How did it become little more than an archaic word In *Philology* the first history of Western humanistic learning as a connected whole ever published in English James Turner tells the fascinating forgotten story of how the study of languages and texts led to the modern humanities and the modern university The humanities today face a crisis of relevance if not of meaning and purpose Understanding their common origins and what they still share has never been more urgent

[The Italian Renaissance in the German Historical Imagination](#) Martin A. Ruehl, 2015-10-15 Explores German engagement with the Italian Renaissance in the decades from German unification to the Weimar republic

**Revelation** Allen Daves, 2013-12-12 The book of Revelation offers us an interesting theological dilemma It states Rev 22 16 I Jesus have sent mine angel to testify unto you these things in the churches Revelation also states it is the true sayings of Jesus and that it is the testimony of Christ If this is not the gospel of Jesus Christ then what is it and should we consider it accursed testimony of an angel If it is not to be considered accursed then it cannot be some other gospel message then what was already given previously However this is the conundrum for if this is the gospel message then why do so few understand it There is a possibility which few consider but is the overall thesis of this apology The reason people don't understand revelation is because they never understood what the gospel message was in the first place In that case where does that put those who claim it is not essential for salvation Do you not find it quite curious that the most Personally given NT book By Jesus himself is the least understood and given the least importance for Salvation in Christendom There are numerous preachers and bible exegetes but as Paul said I bear them record that they have a zeal of God but not according to knowledge Most who profess the name of Christ are feeding on doctrines of devils and the ignorant There are without

question many qualified teachers and scholars with many years of dedication and solid education However teachers no matter how well lettered or numbered in degrees if obtained from others who are just as equally ignorant in such matters are just blind leaders of the blind And if the blind lead the blind both shall fall into the ditch      *The Social Studies* ,1928
