The Progressive Music Series for Basal Use in Primary, Intermediate, and Grammar Grades Horatio William Parker, Osbourne McConathy, Edward Bailey Birge, William Otto Miessner, 1920 *Monteverdi* Richard Wistreich, 2017-07-05

Claudio Monteverdi is now recognized as the towering figure of a critical transitional moment of Western music history relentless innovator in every genre within chamber church and theatre music self proclaimed leader of a new dispensation between words and their musical expression perhaps even Creator of Modern Music During recent years as his arrestingly attractive music has been brought back to life in performance so too have some of the most outstanding musicologists focussed intensely on Monteverdi as they worked through the big questions in the historiography and hermeneutics of early Baroque music including musical representation of language compositional theory social institutional cultural and gender history performance practices and more The 17 articles in this volume have been selected by Richard Wistreich to exemplify the best scholarship in English and because each in retrospect turns out to have been a ground breaking contribution to one or more significant strands in Monteverdi studies Choral-Orchestral Repertoire Jonathan D.
