## **The Five Ministries Building New Testament Ministry:**

*The Ministry, Vol. 12, No. 02* Various Authors, 2008-02-01 This issue of The Ministry contains a complete record of the nine messages given during the 2007 International Training for Elders and Responsible Ones in Mexico City Mexico October 4 6 2007 The general subject of the training was Knowing and Caring for the Church This knowing is a knowing by revelation and by the experience of life We need to know the Lord to know God s economy the divine dispensing and to know the church Our care for the church is limited by our knowing of the church and our behavior and proper conduct in the church as the house of God is determined by our knowing of the church This is a set principle The burden in these messages is that we must first know the church in order to care for the church If we do not know the church we cannot care for the church in a proper way Therefore we need to be those who know the church in the way that God knows the church and then we need to care for the church in the way that God cares for the church Our knowing the church according to revelation and the experiences of life brings in the proper caring We must care for the church according to the revelation the vision and the experiences of life that have constituted our inner knowing of the church Therefore our knowing of the church which is progressive must increase We also include letters from Romania concerning the Lord s move there **The Collected**

 Lord and are included in this volume under the same title Fivefold Apostle Church Building John DeVries,2018-02-08  
 Fivefold Church Fishing If fivefold ministry were compared to fishing their different strengths are used as a team The apostle  
 would acquire the boat net and team to catch and process the fish The prophet would seek Holy Spirit direction to know time  
 location and fishing depth The teacher would study to give knowledge of species and bait to maximize catching cleaning and  
 preserving the fish The evangelist will go out regardless of time or weather He will tirelessly cast his net to maximize  
 gathering all he can while encouraging believers to join him The pastor would receive the catch clean it and care for the  
 processed fish All the elders would distribute this catch with wisdom and love while ministering to the entire assembly Well  
 fed believers will then minister both inside and outside of the church Apostles, Prophets and the Coming Moves of God  
 Bill Hamon,1997 Author of the Prophets series Dr Bill Hamon brings the same anointed instruction in this new series on  
 apostles Learn about the apostolic age and how apostles and prophets work together Find out God s end time plans for the  
 Church **The Making of a Leader** Frank Damazio,1988 In his insightful book Damazio lays out for the serious student a  
 broad discussion of what it means to be responsible for a group of followers **The Five Star Church** Stan Toler,Alan  
 Nelson,1999-04-22 Ever wonder how a restaurant or hotel earns a five star rating Is it the people The location The service In  
 most cases it is all of this and more Why should your church be any different The Five Star Church reveals how you can  
 pursue Christian excellence and uphold the Lord s command to honor one another above yourselves Romans 12 10 It  
 contains tips tools and the inspiration you need to build a top quality church that people will flock to and participate in No  
 matter how small your ministry or budget God can use your church effectively to make everyone there feel welcome and  
 cared for the marks of a five star church **Interpreting Scripture** Ashish Raichur,2025-01-07 Our goal in this book is to  
 learn how to handle the Word of God correctly under the leadership of the Holy Spirit We attempt to make the practice of  
 correctly interpreting Scripture simple and easy to understand so that believers and ministers of the Word can apply these

principles to their reading study and ministry of God's holy Word. We have also included some common questions and difficult topics so that we understand the interpretive process in arriving at the Biblical perspective on these topics. May this book be a useful resource as you study, understand, interpret, apply, and teach the Word of God. **Implementing Fivefold Churches** John Devries, 2025-01-28. IMPLEMENTING FIVEFOLD CHURCHES. The household of God is built on the foundation of APOSTLES and PROPHETS. Ephesians 2:19-20. Only man has made change to this and not God. When Christ ascended to heaven, He gave five differing ministry callings. Ephesians 4:8-11. Man changed this without any scriptural text or basis. Our Lord set His ministry government in place. 1 Corinthians 12:18-28. Only man has changed this. All churches that do not have a multiple scripturally described eldership are out of order. Titus 1:5. Our Lord described a scriptural holy church. This must be restored to have what the Book of Acts depicts with supernatural gifts, miracles, and prophetic revelation. That is a FIVEFOLD CHURCH. The author has ministered in several countries but especially in the Philippines with church planting conferences, writing books, and doctrinal manuals. His life is dedicated to restore scriptural Fivefold churches. **Heart of an Apostle** Pete Beck, Jr., 2007-10-01. After many years of experience with churches, I observed that the maturing of the churches in general was being thwarted by the lack of genuine apostolic and five-fold ministry. The book was written to illustrate the need for genuine apostolic leadership from the heart of maturity. Most books about apostolic leadership, although good and helpful, were more or less written from the point of view of application and performance of ministry rather than from the aspect of heart. Key editorial points are: Why we need each other; The marks of a true apostle and how to recognize them; The need for a team spirit; Passing the baton to future leaders. This book will throw great light on the understanding of those who want to see true oversight work in churches and the blessing it will bring to all concerned. **Unless the Lord Build the House** Arthur Eedle, 2010-07-22. Unless The Lord *Beyond Pentecost*, **Prophetic Pioneering** Jeremiah Johnson, 2023-01-17. A world plagued with darkness is waiting for a prophetic people to arise, shine, and light the way. Days of crisis and turmoil demand a people who are plugged into Heaven's activity. Old operating systems that built empires in the name of Christianity but created shallow, compromising disciples are crumbling under the weight of global **Unlimited Growth** Mike Mazzalongo, 2017-09-13. **Your Gift from God the Holy Spirit Matters** Charles Elias Mahlangu, 2016-08-22. Your Gift from God the Holy Spirit Matters Book 1. This book is part of a 3-book series. In Your Gift from God the Holy Spirit Matters, Charles takes the reader on a hunt to explore how the individual believer is granted a supernatural gift. He persuades and convinces the believer to discover his individual strategic gifting. He defines and illustrates the gifts and tackles the controversial. Charles says Ministry gifts were given to prepare the saints for the work of service and not to do the work of the ministry. He shows how Pentecostal Evangelicals, Charismatic Evangelicals, and Traditional Evangelicals have been uniquely gifted and what must be discovered at the individual level according to the divine strategy of God the Father, God the Son, and God the Holy Spirit. Spiritual Gifts Welcome to the church Book 2. In Spiritual Gifts Welcome to the Church, Charles defines and

describes each gift He persuades the believer to connect with individual gifting according to the will of God the Father God the Son and God the Holy Spirit He urges that every believer is entrusted with a gift that can be known and used to benefit many Spiritual gifts Church Under Siege Book 3 In Spiritual gifts Church Under Siege Charles laments over how ministry gifts which were intended to prepare saints have been woefully neglected He argues that believers are granted abilities and leaders are needed who are willing to invest in them He moans that those with ministry gifts of the Lord Jesus Christ have behaved as if they are not committed to training individual believers The Black pulpit has ignored the pews in the department of gift identification and developing He pleads with the leaders as ministers of the Lord Jesus Christ to fulfil the number one functional dynamic in this life **Christ Will Build His Church** H. Wallace Webster,2009-01-01 As the church continues to

advance through the generations The Great Commission is falling into great disarray Discipleship has almost become obsolete Leadership is dwindling and most churches are trying to repair this lack of leadership in the wrong way This book is a call for us to return to the basics of what Jesus was commanding His disciples to do through The Great Commission It does not just explain the importance of the commission it maps out a detailed strategy for how to make this call work in the local church It is important to realize that few churches are doing anything to train up their leaders This book offers an attempt to be faithful to Jesus s Great Commission What is most important about this three year program is that it will develop the men of the church this will provide a large group of men from which to draw your leadership Christ Will Build His Church gets back to the basics takes the principles clearly outlined in Scripture and argues that they are still valid today The church is in great need This book has the potential to draw us back to historic Christianity and to a discipleship that really works The

Five Lambeth Conferences Randall Thomas Davidson,1920 **The Five Disciplines for Christians** Elliott

Cooke,2022-10-11 The Five Disciplines for Christians are imperative for spiritual growth These five disciplines are fellowship Bible study prayer ministry and witnessing The Christian will not grow to maturity in Christ without all five but most Christians don t know what they are This book will help the reader to rediscover these ancient biblical practices which will bring them closer to God transform the world around them and provide personal fulfillment The book is broken down into five sections one for each discipline Each section provides the biblical mandate describes the nuances of the discipline identifies challenges to its practice and gives tools to enhance one s routine *Bill's Bible Briefs* Bill Taylor,2022-11-03 The information and teaching contained in this work is the accumulation of nearly sixty years of experience as a Christian most of that time and experience in various leadership roles from youth group officer as a teen to church elder and assistant pastor The author has been involved in numerous and varied denominational and nondenominational groups and churches and various moves of the Spirit of God within the Church It is the author's strong belief that Christ's return is coming soon and that Jesus is calling His Bride into a level of preparedness for that day that will change the Church This work is a collection of papers written to address various issues and aspects of the Christian faith and walk These papers were

written at various times over many years but primarily after 2015 Some were written from speaking notes or Sunday school lesson outlines Others were issues that the author had observed were affecting portions of the Church or revelations he felt were from the LORD Consequently the subjects are eclectic and wide ranging from spiritual gifts serving in the kingdom of God to child discipline from spiritual warfare to basic spiritual rebellion from the principle of tithing to small church groups Consequently the reader should review the list of titles and determine which topic or topics the Holy Spirit is directing him or her to read     Divine Distinction Ralph L. Dennis,2004-07     **Creating a Missional Culture** JR Woodward,2013-09-20 Missiologist and church planter JR Woodward offers a blueprint for the missional church not small adjustments around the periphery of the infrastructure but a radical revisioning of how a church ought to look that entails changing how we think about leadership and what we expect out of discipleship
