The Fixers Crisis Management In British Politics

D Kirk

The Fixers Crisis Management In British Politics:

The Fixers Trevor A. Smith, Alison Young, 1996 An account of the role played by fixers in crisis management in British politics since 1945 This study investigates the circumstances in which fixers are called in how they become fixers and the attributes they possess and how they go about dealing with the crises they are asked to handle Transforming British Government R. Rhodes, 2015-12-26 Examines the changing roles and relationships of the Prime Minister ministers and civil servants Edited by Rod Rhodes and written by a team of distinguished political scientists and historians these volumes provide an authoritative account of how British government has changed over the past fifty years **The Oxford Handbook of Public Management** Ewan Ferlie, Laurence E. Lynn, Christopher Pollitt, 2005 Brings together international scholars to comment on key issues in Public Management The chapters in this book include overviews exploration of particular thematic areas and analyses of different theoretical perspectives such as political science management sociology and economics It is aimed at advanced students researchers and others The Oxford Handbook of Management Consulting Matthias Kipping, Timothy Clark, 2012-03-29 Management consultants of various kinds play an important role in the world of business and within other types of organization The Oxford Handbook on Management Consulting is a comprehensive overview of thinking and research on management consultancy with contributions from leading international scholars The first section provides an account of the historical developments in management consulting research and how current thinking has evolved from prior work The second section focuses on disciplinary and theoretical perspectives their diversities areas of synergy and parallel concerns The following sections examine consulting as a knowledge business consultants and management fashion and the relationship between management consultants and their clients The Handbook concludes with an assessment of areas of future research and debate By bringing together a wide range of research and thinking on management consulting across different disciplines sub disciplines and conceptual approaches the Handbook provides a comprehensive understanding of both current thinking and future directions for research *Management Consultancy and the British State* Antonio E. Weiss, 2018-10-26 This book traces the emergence and development of the relationship between management consultancies and the British state It seeks to answer three questions why were management consultants brought into the machinery of the state how has state power been impacted by bringing profit seeking actors into the machinery of the state and how has the nature of management consultancy changed over time The book demonstrates the role consultants played in major developments in the postwar period Specific case studies interrogate how consultancies influenced the policy fields of health service reform and social security benefits This book will redefine debates amongst business historians and historians of the postwar British state about the nature of management consultancy and public sector reform **Machiavelli, Marketing, and Management** Phil Harris, Andrew Lock, Patricia Rees, 2000 This text aims to provide insight into the meaning and interpretation of Machiavelli and his works for management marketing and political

thought and to highlight their relevance to the manager today **The Handbook of Global Companies** John Mikler, 2013-03-25 The Handbook of Global Companies brings together original research addressing the latest theories and empirical analysis surrounding the role of global companies in local national and international governance Offers new insights into the role of global companies in relation to policy and governance at local national and international levels Brings together newly commissioned research by a global team of established and up and coming scholars from the fields of international relations political science public policy and beyond Considers the environmental and societal responsibilities of global corporations Covers topics including the spatial locations of global companies debate about the power they wield and their role as catalysts in new forms of governance and the ways in which global companies share authority with the state and international organizations to drive policy processes Speculates on the broader potential and limitations of global governance

Routledge Handbook of Comparative Policy Analysis Marleen Brans, Iris Geva-May, Michael Howlett, 2017-04-28 This Handbook presents the first comprehensive study of policy analytical practices in comparative perspective It explores emerging developments and innovations in the field and advances knowledge of the nature and quality of policy analysis across different countries and at different levels of government by all relevant actors both inside and outside government who contribute to the diagnosis of problems and the search for policy solutions Handbook chapters examine all aspects of the science art and craft of policy analysis They do so both at the often studied national level and also at the less well known level of sub national and local governments In addition to studying governments the Handbook also examines for the first time the practices and policy work of a range of non governmental actors including think tanks interest groups business actors labour groups media political parties and non profits Bringing together a rich collection of cases and a renowned group of scholars the Handbook constitutes a landmark study in the field *The British Civil Service* Janice Morphet, 2025-05-28 Taking account of its evolution in recent decades this book provides an up to date account of the role of the Civil Service in the UK The book offers a much needed re examination of the function and role of the Civil Service and considers the ways in which it has changed in response to today's pressures It examines the changing relationships between ministers civil servants and special advisers spADs as well as investigating challenges to the principles of the Civil Service such as service outsourcing COVID 19 responses and Brexit Asking whether the practices of the past are effective for the future this book is a vital resource for undergraduate and postgraduate students of UK politics public administration and public sector management

Rethinking Public Relations Dr Kevin Moloney, 2002-09-11 PR is a 2 3 billion UK industry with up to 50 000 jobs a poor reputation and yet a pervasive influence on politics and markets Historically it has been mostly weak propaganda and market boosterism yet it escapes sustained academic scrutiny This topical book analyzes all aspects of public relations challenging accepted views and examining the industry's position as a whole The author argues that PR needs reform because it will not go away and because it continues to grow Incorporating the latest facts and figures this analysis for

advanced students of business and PR provides a fresh approach to a significant contemporary subject **Elite Configurations at the Apex of Power** Mattéi Dogan, 2003 This book prepared under the auspices of the IPSA Research Committee on Political Elites focuses on the interpenetration between various types of elites The contributions to this book reveal contrasting patterns of recruitment and selection in terms of career paths visibility influence and power of different elite circles **Applying Leadership and Management in Planning** Janice Morphet, 2015-05-06 Planning is central to economic social and environmental life but its practice is frequently criticised by all who engage in it Seen as too restrictive by those who promote development and too weak by those opposing it planners who advise on proposals cannot sit on the fence Is it the planning system that is problematic or is it the planners who work within it This valuable book examines these issues at the continuing professional development level and discusses the ways in which management theories tools and techniques can be applied to planning practice and used by all who engage in it Written by an experienced author and widely respected academic the book includes case studies and question and answer sections and will be valuable through both initial and continuous professional education helping candidates prepare for examinations and subsequent management

Bureaucrats and Leadership K. Theakston, 1999-12-07 The book uses a biographical approach to analyse the potential for forms of and constraints upon bureaucratic leadership in modern government Case studies written by experts in the different fields assess the impact of particular officials operating in Whitehall the United States federal government the health service local government and Europe The book brings together an innovative methodology with a wide policy coverage **Freedom of Information** Robert G. Vaughn, 2020-08-26 This volume contains articles examining freedom of information statutes including those protecting government employees who expose official misconduct Using United States laws as examples the articles explore the relationship of these laws to administrative and constitutional theory in the United States In addition they demonstrate how varying conceptions of information illuminate the controversies in the application of these laws to the revolution in the electronic storage and retrieval of information The articles allow the reader to speculate how the connection of these laws to liberal democratic theory explains their recent adoption in several countries and their international application

Sociological Abstracts Leo P. Chall, 1998 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

Politics and Policy Making in the UK Paul Cairney, Sean Kippin, 2023-11-23 Over the past decade the UK has experienced major policy and policy making change This text examines this shifting political and policy landscape while also highlighting the features of UK politics that have endured Written by Paul Cairney and Sean Kippin leading voices in UK public policy and politics the book combines a focus on policy making theories and concepts with the exploration of key themes and events in UK politics including developing social policy in a

post pandemic world governing post Brexit and the centrality of environmental policy The book equips students with a robust and up to date understanding of UK public policy and enables them to locate this within a broader theoretical framework

Public administration ,1998 **Disjunctive Prime Ministerial Leadership in British Politics** Christopher Byrne,Nick Randall,Kevin Theakston,2020-06-25 This book illustrates the cyclical pattern in the kinds of dilemmas that confront political leaders and in particular disjunctive political leaders affiliated with vulnerable political regimes The volume covers three major episodes in disjunction the interwar crisis between 1923 and 1940 afflicting Stanley Baldwin Ramsay MacDonald and Neville Chamberlain the collapse of Keynesian welfarism between 1970 and 1979 dealt with by Edward Heath Harold Wilson and James Callaghan and the ongoing crisis of neoliberalism beginning in 2008 affecting Gordon Brown David Cameron and Theresa May Based on this series of case studies of disjunctive prime ministers the authors conclude that effective disjunctive leadership is premised on judicious use of the prime ministerial toolkit in terms of deciding whether when and where to act effective diagnostic and choice framing and the ability to manage both crises and regimes **Fixing Democracy** Javier Corrales,2018-05-29 In a comprehensive reviews of constitutional change in Latin America Fixing Democracy argues that the strongest predictor of whether a new constitution will expand or restrict presidential powers is power asymmetry or more specifically the distance between Incumbent and Opposition forces at the negotiating table

The Far-Right in World Politics Alexander Anievas,Richard Saull,2024-11-01 This book addresses the reasons why the contemporary far right has gained political resonance in a variety of states across both the Global North and South The rise of far right forms of politics in recent years throughout a range of geopolitical locales suggests the emergence of a distinct conjuncture in world politics indicating a common set of enabling conditions and characteristics It is this unprecedented context in the history of the post war liberal international order that this edited volume aims to address In doing so it brings together a diverse range of scholars many of whom have developed an internationally recognized expertise in the study of the far right and International Relations IR Reflecting a plurality of methodological and theoretical perspectives the chapters cover a variety of theoretical and conceptual issues including analyses of different geopolitical and national expressions of the contemporary far right Notwithstanding such diversity the primary analytical focus of the book is to situate and explain the far right as a distinct part of the history of modern international relations especially with respect to the development of and crises within the contemporary international order From this perspective the contributions combine to demonstrate the deeply embedded symptoms of far right politics centred on racialized imaginaries across the globe and re produced within the sinews of an evolving liberal international order even as the far right also represents an antagonism to some elements of said order Providing a much needed global perspective this book will be of great interest to students and scholars of populism far right politics conservatism and international relations The chapters in this book were originally published as a special issue of Globalizations and are accompanied by a new epilogue
