**Jon Buller, Susan Saunders, Maryann

The Flags Of The Fifty States:

Flags of the Fifty States Randy Howe, 2009-11-10 *Flags of the Fifty States* is an indispensable historical reference and a fascinating beautiful pictorial guide to the rich diversity of America's fifty states. It provides a colorful way to learn about how the United States grew and prospered and shaped itself and its banners over the years. With stunning full color reproductions of each flag, this book offers a thorough and eminently readable account of how and why each flag was designed, what the various symbols and figures in the flags mean, and how each flag evolved. Throughout are interesting facts and sidebars that answer such questions as why Alaska is represented by the Big Dipper, what significance the diamond has in the flag of Arkansas, which state features the Union Jack on its flag, and what impact the Civil War had on designs of the state flags of the South.

There's a double spread map of the whole U.S. and a page for every state jam-packed with trivia, interesting facts, handwritten captions, and jokes. At the end of the book is a map showing how the United States grew over time, a spread on the presidents and what states they hailed from, as well as a bibliography of books the kids used in their research. Written by a team of well-known author-artists, this 64-page Smart About History book is a great guide for kids.
