C. Campbell, 2003-03-03 The southern as much a Hollywood genre as the western is the subject of The Celluloid South For decades the film industry to provide profit making entertainment offered the public movies that neither raised difficult issues nor offended a majority of the ticket buyers As a result Hollywood romanticized the south particularly the antebellum era in hundreds of films like Uncle Tom's Cabin Gone With the Wind Birth of a Nation and Jezebel During the 1920s and especially the Depression the moonlight and magnolia romances increased to such an extent that Hollywood has been struggling since the late forties to rid films of the traditional images of the southern In his exploration of the southern Edward D C Campbell Jr examines the film plots and images their social literary and historical origins and their impact on the creation of a popular mythology of the south The unrealistic but seemingly harmless characterizations of a planter society and agricultural economy and especially slavery have hindered the region's self assessment and warped the nation's perspective on race Campbell looks beyond the productions themselves however to advertising techniques and the reactions of the viewers and reviewers in his examination of the southern its popularity and its decline and its influence of the public's conception of history contemporary conditions and black white relations The Celluloid South is not a study of film per se but of film as a reflection of society and the ramifications inherent in popular entertainment Readers interested in southern history popular culture or cinema studies as well as movie fans will find The Celluloid South a fascinating look at Hollywood's development of the southern myth Thirty one film stills illustrate the text **When Blanche Met Brando** Sam Staggs, 2024-05-01 A witty insightful probe of Tennessee Williams most famous play in all its variations from the author of All About All About Eve The Dallas Morning News Exhaustively researched and almost flirtatiously opinionated When Blanche Met Brando is everything a fan needs to know about the groundbreaking New York and London stage productions of Williams Streetcar as well as the classic Brando Leigh film Sam Staggs interviews with all the living cast members of each production will enhance what's known about the play and movie and help make this book satisfying as both a pop culture read and as a deeper piece of thinking about a well known story Readers will come away from this book delighted with the juicy behind the scenes stories about cast director playwright and the various productions and will also renew their curiosity about the

connection between the role of Blanche and Vivien Leigh's insatiable sexual appetite and later descent into breakdown. They may also for the first time question whether the character of Blanche was actually mad or whether her anxiousness was symptomatic of another disorder. *A Streetcar Named Desire* is one of the most haunting and most studied modern plays. Staggs' new book will fascinate fans and enrich newcomers' understanding of its importance in American theater and movie history. A comprehensive minihistory of 20th century American stage and screen, and Staggs doesn't skimp on tabloid juice. **Pleasure at the New Orleans Second Line** Rachel Carrico, 2024-10-22. On many Sundays, Black New Orleanians dance through city streets in Second Lines. These processions invite would-be spectators to join in grooving to an ambulatory brass band for several hours. Though an increasingly popular attraction for tourists, parading provides the second liners themselves with a potent public expression of Black resistance. Rachel Carrico examines the parading bodies in motion as a form of negotiating and understanding power. Seeing pleasure as a bodily experience, Carrico reveals how second liners' moves link joy and liberation, self and communal identities, play and dissent, and reclamations of place. As she shows dancers' choices allow them to access the pleasure of reclaiming self and city through motion and rhythm while expanding a sense of the possible in the present and for the future. In depth and empathetic, *Dancing the Politics of Pleasure at the New Orleans Second Line* blends analysis with a chorus of Black voices to reveal an indelible facet of Black culture in the Crescent City.

Outside and Inside Reva Marin, 2020-10-16. *Outside and Inside: Representations of Race and Identity in White Jazz Autobiography* is the first full-length study of key autobiographies of white jazz musicians. White musicians from a wide range of musical, social, and economic backgrounds looked to black music and culture as the model on which to form their personal identities and their identities as professional musicians. Their accounts illustrate the triumphs and failures of jazz interracialism. As they describe their relationships with black musicians who are their teachers and peers, white jazz autobiographers display the contradictory attitudes of reverence and entitlement and deference and insensitivity that remain part of the white response to black culture to the present day. *Outside and Inside* features insights into the development of jazz styles and culture in the urban meccas of twentieth-century jazz in New Orleans, Chicago, New York, and Los Angeles. Reva Marin considers the autobiographies of sixteen white male jazz instrumentalists, including renowned swing era bandleaders Benny Goodman, Artie Shaw, and Charlie Barnet; reed instrumentalists Mezz Mezzrow, Bob Wilber, and Bud Freeman; trumpeters Max Kaminsky and Wingy Manone; guitarist Steve Jordan; pianists Art Hodes and Don Asher; saxophonist Art Pepper; guitarist and bandleader Eddie Condon; and New Orleans style clarinetist Tom Sancton. While critical race theory informs this work, Marin argues that viewing these texts simply through the lens of white privilege does not do justice to the kind of sustained relationships with black music and culture described in the accounts of white jazz autobiographers. She

both insists upon the value of insider perspectives and holds the texts to rigorous scrutiny while embracing an expansive interpretation of white involvement in black culture Marin opens new paths for study of race relations and racial ethnic and gender identity formation in jazz studies     The Chronicle ,1877     The Canadian Patent Office Record and Register of Copyrights and Trade Marks ,1916     *Ice and Refrigeration* ,1924     Proceedings Kentucky Mutual and Co-operative Fire Insurance Association,1915     **Film Year Book** ,1942     Industrial Refrigeration ,1924     Louis Armstrong, Duke Ellington, and Miles Davis Aaron Lefkowitz,2018-06-20 This book examines Louis Armstrong Duke Ellington and Miles Davis as distinctively global symbols of threatening and nonthreatening black masculinity It centers them in debates over U S cultural exceptionalism noting how they have been part of the definition of jazz as a jingoistic and exclusively American form of popular culture     **Fire Technology Abstracts** ,1978
