## **The Fleet Street Sewer Rat:**

*The Fleet Street Sewer Rat* Mark Watts, 2005 Fleet Street's Sewer Rat is great yarn about a fascinating weirdo who by raiding the bins of solicitors and showbiz agents then selling on documents to newspapers has wreaked havoc on an impressive roll call of celebrities and politicians His victims include Elton John Tony Blair Jonathon Aitkin the All Saints George Michael Pell is an orthodox Jew who routinely thieves cheats and lies but possesses a formidable intelligence that periodically spills over into madness This book gets under his skin and exposes his ticks *The Happy Hack - A Memoir of Fleet Street in its Heyday* Mike Molloy, 2016-03-03 Today Fleet Street is just a term for the newspaper business But not so long ago it was a real place Each paper had its own favourite pubs its own extraordinary characters and its own stock of legendary tales about the triumphs and disasters that had befallen friends and enemies It was the Street of Dreams the Street of Adventure the Street of Disillusion and in the end sadly the Street of Profits But once upon a time it was a place of magic Mike Molloy began in Fleet Street as a messenger boy on the Sunday Pictorial and subsequently worked as a cartoonist page designer feature writer and features executive Eventually he was appointed the thirteenth and youngest editor of the Daily Mirror a post he held for ten years To his surprise as he had opposed the take over when Robert Maxwell bought the Mirror Maxwell made him editor in chief of the group This is Molloy's spellbinding and often hilarious account of his years working with some of the giants and pygmies who produced the nation's daily papers Along the way he tells of his encounters with politicians prime ministers rock stars American presidents trade union leaders members of the royal family and some of the legendary figures of show business In the final sector of the book he charts his astonishingly surreal five years with Robert Maxwell whose chaotic reign brought new heights of blundering absurdity to the role of the tyrannical press lord

**Dianaworld: An Obsession** Edward White, 2025-04-29 A fascinating new perspective on the life and afterlife of Diana Princess of Wales the planet's all purpose cultural icon Over the last forty years the mythology of Princess Diana has turned the woman who was born Diana Spencer into a symbol for almost anything From a harbinger of Brexit populism an all American consumer capitalist and the savior of the British aristocracy to a catalyst for MeToo and in the words of one superfan the biggest punk that's come out of England Diana connects with a wider array of people than any member of the royal family ever has We feel so familiar with Diana that it seems crushingly formal to use anything but her first name In *Dianaworld* Edward White guides us through this strange precinct of a global cultural obsession It's a place of mass delusions outsized fantasies and quixotic dreams of druids psychics Hollywood stars obsessive stalkers radical feminists and Middle Eastern generals In a signature innovative exploded biography White offers both a portrait of the princess and group portraits of those who knew her intimately those who worked with and for her and the many ordinary people whose connection to Diana reveals her unique and enduring legacy White draws on a kaleidoscopic array of sources and perspectives never before used in books about Diana or the royal family

from interviews with sex workers and professional lookalikes to the Mass Observation social research project and the Great Diary Project in Britain and the peculiar work of outsider artists Diana would have approved of her posthumous title the People's Princess the image of a royal with a pauper's soul was exactly how she marketed herself In *Dianaworld* White explores Diana Spencer the person and the cultural figure by re-creating the world Diana lived in and illuminating her lasting impact on the world she left behind

**Flat Earth News** Nick Davies, 2011-11-30 Does fake news really exist Find out from the ultimate insider After years of working as a respected journalist Nick Davies in this shocking expos reveals what really goes on behind the scenes of this contentious industry From a prestigious newspaper that allowed intelligence agencies to plant fiction in its columns to the newsroom that routinely rejected stories due to racial bias to the number of papers that accepted cash bribes Gripping thought provoking and revelatory this is an insider's look at one of the most tainted professions Meticulous fair minded and utterly gripping Telegraph Powerful and timely his analysis is fair meticulously researched and fascinating Observer

**The Commercial Manager** Tim Boyce, Cathy Lake, 2007 The Commercial Manager is the complete handbook for practitioners across all sectors of commerce and industry and covers every aspect of this multifaceted role Commercial management covers a large range of different and crucial functions including contract negotiation procurement financial management risk management project management and yet until now the subject has rarely if ever been treated as a single discipline This book fills that important gap Written by authors with wide practical experience The Commercial Manager offers expert accessible and practical guidance on all the British legal commercial and planning aspects of this crucial management role It will serve as an indispensable handbook for managers in both the private and public sectors Part One covers commercial awareness and relationships the contract and negotiation techniques Part Two explores techniques of risk management and Part Three provides expert advice on planning and project management

**Elton** David Buckley, 2007 One of music's true global superstars and most admired figures Elton John has sold an estimated 200 million albums worldwide to date and continues to appear regularly in the singles charts thanks largely to a series of high profile collaborations with new faces But he is loved as much for his outrageous personality and witty outspokenness as for his music recent memorable outbursts have included a public comment that people who charge 75 and lip sync should be shot and calling some pushy photographers rude vile pigs He has even admitted that in one of his more comedic cocaine fueled moments he phoned one of his management team to tell him to do something about the wind outside my hotel room Such shamelessness and sheer silliness rivals anything uttered by punk rockers yet it is so typically Elton honest and wittily intemperate Tragedy and heartbreak have played a large part in his life too Behind the parties the hedonism the lavish stage costumes and silly glasses lies a more somber story There have been disputes with managers legal wranglings splits with partners and a divorce Added to that there have been serious health problems a very public battle with his expanding waistline and receding hairline drug addictions and spells when he wanted to quit the music business

altogether But now at 60 years old Elton enjoys a stable relationship with his husband David Furnish His demons have been overcome His commercial and critical stock is rising With popular acts like the Scissor Sisters sounding more like Elton than Elton himself Elton John is finally cool again Drawing on many firsthand interviews with his associates and musical collaborators this page turning story of high drama and prodigious talent traces Elton s astonishing journey through life as the colossus of camp while also offering a critical history of his work and analyzing afresh his contribution to popular music
