**Flight of the Innocents** T. A. Cooper, Gary Mull, 2018-03 *Matthew's Account of the Massacre of the Innocents in Light of its Reception History* Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great's massacre in Matthew 2 16 18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho's examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives

**The Flight of the Innocents** Yutang Lin, 1965 *Illustrated Guide to the Bible* J. R. Porter, 2016-09-15 Examines the Biblical narratives in their historical social archaeological and mythological contexts and provides a section with a book by book summary of the Bible

**The Two Jesus Boys** Christoph Rau, 2019-04-25 The two contradicting genealogies of Jesus in the Gospels have long puzzled biblical scholars Rudolf Steiner's spiritual research led him to the controversial theological conclusion that historically there existed two Jesus boys born of two holy families These two boys he said were necessary as part of the spiritual preparation of forming a suitable human body for the incarnation of Christ into the earthly realm Both apocryphal texts and the writings of the Essenes as discovered at Qumran by the Dead Sea now appear to support this conception with references to Messianic figures from both royal and priestly lines Various authors have developed Rudolf Steiner's observations first presented in the early twentieth century although much of this literature has lacked the rigour of accurate and broad scholarship The Two Jesus Boys is not simply a derivative rehash of these previous publications Rather it offers a fresh investigation of primary sources coupled with an objective determination to allow the facts to speak for themselves Christoph Rau thus comes to the unavoidable conclusion that Steiner's presentation of the chronology of the two births needs revision furthermore the most recent discoveries and interpretations of Essene scrolls reveal that the Jewish sect expected not one but three Messiahs Rau quotes from and analyses numerous documents from the landscape of early Christianity and Judaism His findings provide a secure foundation for the historical existence of two Jesus boys in the prelude to Christ's incarnation on earth as well as a revelation of the Essenes long expectation of three Messiahs

**The History of the Life and Death of Jesus Christ** Jeremy Taylor, 1851 *Titian to 1518* Paul Joannides, 2001-01-01 The work that Titian produced during the first decade of his career is beautiful and varied but it has raised many questions of attribution and chronology

This book the first thorough and coherent account of this period in Titian s life reconstructs what he painted when he painted it and what these paintings mean Paul Joannides begins by discussing the probable course of Titian s early career and his relationship to the Bellinis There are individual excurses on Giorgione and on Sebastiano del Piombo whose work has often been confused with his Joannides then offers new interpretations of some of Titian s paintings emphasising their poetic and dramatic qualities Among other topics he associates for the first time the paintings in Saint Petersburg Venice and Houston lays out Titian s part of the Fondaco connects the privately owned Resurrected Christ with the Fogg Circumcision integrates the Dresden Venus and the Berlin Portrait into Titian s work and establishes the dynamism and inventiveness of the great Assunta of 1516 18 Joannides provides detailed arguments in support of both new and familiar attributions proposes a more closely reasoned and precise chronology *The Story of a Beautiful Life Illustrated* Frederic William Farrar,1900
