Jumonville,2002-08-30 From the accounts of 18th century travelers to the interpretations of 21st century historians Jumonville lists more than 6 800 books chapters articles theses dissertations and government documents that describe the rich history of America s 18th state Here are references to sources on the Louisiana Purchase the Battle of New Orleans Carnival and Cajuns Less explored topics such as the rebellion of 1768 the changing roles of women and civic development are also covered It is a sweeping guide to the publications that best illuminate the land the people and the multifaceted history of the Pelican State Arranged according to discipline and time period chapters cover such topics as the environment the Civil War and Reconstruction social and cultural history the people of Louisiana local parish and sectional histories and New Orleans It also lists major historical sites and repositories of primary materials As the only comprehensive bibliography of the secondary sources about the state ILouisiana History R is an invaluable resource for scholars and researchers **The Hispanic American Historical Review** James Alexander Robertson,1996 Includes Bibliographical section **Racing the Storm** Hillary Potter,2007-01-01 On August 29 2005 Hurricane Katrina hit land and gravely affected the lives of many people in the states along the Gulf Coast Katrina went beyond demonstrating the devastating natural effects of a hurricane by exposing the continuing significance of race relations and racial stereotyping in U S society Racing the Storm serves to highlight the race based perceptions of and responses to Katrina survivors by governmental entities volunteers the media and the general public Scholars from a variety of disciplines take on the task of analyzing the social phenomena and racial implications surrounding Hurricane Katrina Book jacket

Baby Boom Rusty Monhollon,2010-02-09 This engaging collection of essays explores the many ways Americans of every race class gender and political leaning experienced the Baby Boom This revealing new work goes inside the Baby Boom generation to look at how everyday people within the boomer demographic changed and were changed by the course of American history Baby Boom People and Perspectives does not focus on one single historic moment but rather follows different groups within the Baby Boom generation as they move through history From the generation gap of the 1950s to the civil rights movement from Vietnam and the counterculture of the 1960s to Watergate and the Reagan era and from the Clinton years to September 11th and the recent resurgence of conservatism this insightful social history shows how Baby Boomers across the breadth of American society experienced and impacted the same historic events differently **Racism in Contemporary America** Meyer Weinberg,1996-05-23 Racism in Contemporary America is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer

Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America s most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines **The Mexican American Family Album** Dorothy Hoobler,Thomas Hoobler,1994

Provides a look at the experiences of Mexican immigrants relating stories of their arrival in the United States and their integration into a new society **From the Banana Zones to the Big Easy** Glenn A. Chambers,2019-08-14 From the Banana Zones to the Big Easy focuses on the immigration of West Indians and Central Americans particularly those of British West Indian descent from the Caribbean coastal areas to New Orleans from the turn of the twentieth century to the start of World War II Glenn A Chambers discerns the methods by which these individuals of diverse racial and ethnic backgrounds integrated into New Orleans society and negotiated their distinct historical and ethnoracial identities in the Jim Crow South Throughout this study Chambers explores two central questions What did it mean to be West Indian within a context in which the persons migrating or their parents in some cases were not born in the West Indies And how did Central Americans grapple with this West Indian cultural identity when their political identity citizenship was Honduran Costa Rican or Panamanian Chambers maintains that a distinct West Indian culture did not emerge in New Orleans Rather newly arrived West Indian practices intertwined with existing African American traditions a process intensified in New Orleans s established climate of incorporating and often absorbing new peoples and cultures The West Indian population in early twentieth century New Orleans was truly transnational multinational multilingual diasporic and constantly evolving These newcomers to New Orleans remained conscious of their West Indian roots but were not bound by them Their experiences spanned nations but were not politically internationalist as was the case with the larger West Indian communities in the northeastern United States The ways in which individuals and families transitioned into U S constructions of race were at times the result of conscious decisions In other instances race was determined by the realities of everyday life in the Jim Crow South in which whiteness translated into access and opportunity and all other ethnicities were relegated to a subordinate position Many West Indians and Central Americans impacted by this system learned to navigate it in such a way that their ethnic and national identity all but disappeared from the historical record Through an analysis of arrest records ships passenger records foreign consulate reports draft registrations declarations of intent to apply for citizenship naturalization applications and city directories Chambers recovers the lives of a small but significant population of immigrants who challenged the racial status quo *Meatpackers* Rick Halpern,Roger Horowitz,1996 The interviewees

speak for themselves with power intelligence and emotion They reveal the importance of the packinghouse employment to midwestern black communities and offer insights into the work experience and family relationships of African Americans

The Cuban-Americans Liz Sonnaborn,Liz Sonneborn,2002 Discusses the past and present political upheavals that drove the Cubans to American soil *Latinos in the United States* Joan Nordquist,1994 *We Have Just Begun to Not Fight* Heather T. Frazer,John O'Sullivan,1996 Using the method of oral history this work presents a sample of the insights and reflections of the diverse group of Americans who entered the Civilian Public Service **The American archivist** Society of American Archivists,1993 Includes sections Reviews of books and Abstracts of archive publications *A Stranger's Supper* Zorka Milich,1995 The spoken word is an invaluable asset which strengthens human experience of the past and adds vigor to the documentation of historical accounts This series presents major events in American history through the rich personal testimonies of those who were there Each volume includes A preface illuminating historical background and research details A collection of oral testimonies selected from a range of rare and hard to find sources A concluding analytical chapter Notes bibliography and an index Illustrations **Her Excellency** Ann Miller Morin,1995 What inspired the women who pioneered diplomatic service throughout this century What personality traits did they share How successful were they What obstacles did they face in their male dominated profession How did they influence foreign policy In this fascinating and unique oral history of women ambassadors Ann Miller Morin answers these questions and many more She presents and interprets intensive candid interviews with fifteen high profile women ambassadors representing a range of experiences within varied administrative cultural and historical contexts **From the Old Country** Bruce M. Stave,John Fulton Sutherland,Aldo Salerno,1994 Sutherland offer the reader an opportunity to explore and question this and other concepts in From the Old Country an oral history comprising the voices of the early European immigrants the Irish Scandinavians Italians Jews Poles Slavs and others who came to America by the millions between the late nineteenth to early twentieth century *Women in the Mines* Marat Moore,1996 Women in the Mines informs provokes and inspires from first page to last with gripping stories from coalfield women from 1914 to 1994 Early women miners describe handloading coal to help their families survive The 1970s generation talks openly about sexual harassment community attitudes pregnancy health and safety racism aging and unemployment The stories demonstrate the strength and resilience of women who accepted the challenge of nontraditional work and the changes in their lives brought by that decision **America, History and Life** ,2003 Article abstracts and citations of reviews and dissertations covering the United States and Canada
