The Historic Return Of Jesus Christ And Coming Jud:

Jesus and His Promised Second Coming Tucker S. Ferda, 2024-09-12 In this pioneering study of Scripture and reception history Tucker S Ferda shows that the hope for Jesus s second coming originated in his own message about the coming of the kingdom after a time of distress Most historical Jesus scholars take for granted that Jesus s second coming was invented by his zealous early followers In *Jesus and His Promised Second Coming* Tucker S Ferda challenges this critical consensus Using innovative methodology Ferda works backward through reception history to Paul and the Gospels to argue that the hope for the second coming originated in Jesus s own grappling with the prospect of death and his conviction that the kingdom was near he expected a return that would coincide with the final judgment and the end of the age within the space of a generation Ferda also makes a major contribution to the reception history of the Bible shedding light on how Christians distinguished their faith from Judaism by deriding Jewish messianism as earthly minded and militaristic In the early modern period critics found an expedient way to distance Jesus from this caricature of Jewish messianism they pinned the expectation for the second coming on Jesus s early followers A new appreciation for the diversity of Judaism and messianism in the Second Temple period makes possible a fresh reconstruction of Jesus Bold and historically astute *Jesus and His Promised Second Coming* breathes new life into a long stagnant conversation It also offers readers fresh insight into the history of Jewish Christian relations Students and scholars of the New Testament will need to read and engage with Ferda s provocative argument

their churches who were spreading a gospel that was contrary to the one proclaimed by Jesus. The situation was so distressing to John that he wrote a series of letters to call them to remember that Jesus' greatest command was for them to love God and to love one another. Similarly, Jude called on believers to remember the truth of the gospel and persevere in the face of these attacks from false teachers. Each of this study's twelve lessons is clearly organized to include: Getting Started, An opening question to introduce you to the lesson, Setting the Stage, A short reflection to explain the context of the study, Exploring the Text, The Scripture reading for the lesson with related study questions, Reviewing the Story Questions to help you identify key points in the reading, Applying the Message Questions to help you apply the key ideas to their lives, Reflecting on the Meaning, A closing reflection on the key teachings in the lesson.
