European Traditions in the Study of Religion in Africa Ulrich Berner, Christoph Boehinger, 2004 This volume comprises case studies of five centuries of European encounters with and imaginations of Africa encompassing her triple religious heritage African Traditional Religions Christianity and Islam The introductory chapters outline the challenges and present overviews some of them also analyze the early accounts of European travelers and missionaries The following contributions examine the lasting legacy of the European Enlightenment in employing an ambivalent language of human equality and universalism while in actual fact consigning Africa to an inferior position It has been difficult for western scholars to divorce themselves wholly from the perceptions thus established However there have been quite different approaches This is indicated in the papers discussing the role and impact of influential European academics scholars of religion theologians historians and social scientists during the colonial and postcolonial period Other contributions examine specific institutional centers of African religious studies in Europe The concluding chapters critically assess European approaches and their use for the study of religion in Africa from an African perspective

Introduction to the History of Christianity in West Africa, 1450s-1900s Eugene Ukaoha, 2017 **The Church in West Africa** Pauline Mark Lere, 2001

A History of Christianity in Africa Elizabeth Isichei, 1995-02-22 This unprecedented work is the first one volume study of the history of Christianity in Africa Written by Elizabeth Isichei a leading scholar in this field *A History of Christianity in Africa* examines the origins and development of Christianity in Africa from the early story of Egyptian Christianity to the spectacular growth vitality and diversity of the churches in Africa today Isichei opens with the brilliance of Christianity in Africa in antiquity and shows how Christian Egypt and North Africa produced some of the most influential intellects of the

time She then discusses the churches founded in the wake of early contacts with Europe from the late fifteenth century on and the unbroken Christian witness of Coptic Egypt and of Ethiopia Isichei also examines the different types of Christianity in modern Africa and shows how social factors have influenced its development and expression With the explosive growth of Christianity now taking place in Africa and the increasingly recognized significance of African Christianity this much needed book fills the void in scholarly works on that continent s Christian past also foreshadowing Christian Africa s influential future

The History of Western Africa Amy McKenna Senior Editor, Geography and History,2011-01-15 From its ancient kingdoms to the independent post colonial states that make up the region today western Africa has transformed dramatically over the centuries Economically lucrative for European slave traders and later for their colonial successors the territories along Africa's Atlantic coast were forced to overcome great adversity before achieving autonomy This volume surveys the history of the many nations of western Africa where vestiges of its celebrated past are still visible in cities like Timbuktu and where its diverse peoples continue to navigate a path towards a more stable future

The Cambridge History of Africa J. D. Fage,Roland Anthony Oliver,1975 The period covered in this volume begins with the emergence of anti slave trade attitudes in Europe and ends on the eve of European colonial conquest

The History of Christianity Jonathan Hill,2020-11-20 How did a group of scared peasants from a backwater of the Roman empire followers of an executed criminal form the largest religion on the planet The story of Christianity its transformation from an illegal sect to the religion of emperors kings and presidents and its spread across the globe is an endlessly fascinating one The History of Christianity gives readers an overview of these extraordinary 2 000 years It is a history not only of how Christianity has changed the world but also of how the world has changed Christianity The first half of this volume is arranged mostly chronologically to create a single narrative from the age of exploration to the late twentieth century The second half describes the history of the church in the past hundred years or so with each chapter focusing on a different part of the world Boxed features throughout the volume highlight especially important figures or themes from each of these periods The History of Christianity The Age of Exploration to the Modern Day will be welcomed by all those wanting a lively and engaging presentation of the people events places and plain curiosities that have formed the Christian story

How Colonialism Preempted Modernity in Africa

Olúfemi Táíwò,2010-01-11 Why hasn t Africa been able to respond to the challenges of modernity and globalization Going against the conventional wisdom that colonialism brought modernity to Africa Ol f mi T w claims that Africa was already becoming modern and that colonialism was an unfinished project Africans aspired to liberal democracy and the rule of law but colonial officials aborted those efforts when they established indirect rule in the service of the European powers T w looks closely at modern institutions such as church missionary societies to recognize African agency and the impulse toward progress He insists that Africa can get back on track and advocates a renewed engagement with modernity Immigration

capitalism democracy and globalization if done right this time can be tools that shape a positive future for Africa
