The Nazi Organisation of Women Jill Stephenson,2013-05-07

The Nazi s were implacably opposed to feminism and women s independence Rosa Luxemburg became a symbol of all that most horrified them in German society in particular because of her involvement in active politics Nazi ideology saw women in the activist role of wives mothers and home makers and their task was to support their fighting menfolk by providing food and making and mending uniforms and flags The miscellany of women s organisations was dissolved and reunified by Gregor Strasser in 1931 and in 1934 Gertrud Scholtz Klink became an overall leader of the Nazi Women s Group after which it functioned primarily as a propaganda channel Part of the policy of Gleichschaltung co ordination meant that even to join a sewing group women had to choose the party group or nothing This book provides a detailed and fascinating picture of the origins development and functions of the specifically women s organisations associated with the NSDAP from their beginnings in the early 1920s until their demise in 1945 It traces the history of the Nazi Women s Group the sources of its members and analyses their ambitions and hopes from the Frauenwerk Its purpose is above all to make an important contribution to the study of National Socialism as a movement which attracted and held the enthusiasm of a small minority of Germans who given the chance from 1933 attempted to impose their will on the majority

The Third Reich David G. Williamson,D.G. Williamson,2013-11-04 Since publication of the first edition in 1982 David Williamson s *The Third Reich* has become established as one of the most successful books in the Seminar Studies in History series The author draws on up to date scholarship to guide students through the maze of historical controversies concerning the Third Reich and to offer a comprehensive analysis of the key issues of the period In a clear and accessible manner the new edition provides chapters that introduce readers to the historiography of the Third Reich analyse the reasons for Hitler s rise to power look at how the Nazi regime consolidated it s grip on power during the period March 1933 August 1934 explain how Nazi Germany was governed and discuss to what extent Hitler can be viewed as a weak dictator analyse Hitler s economic foreign and social policies in both war and peace up to 1945 as well as the development of Nazi racial and eugenic policies The analysis of these themes is backed up with an increased selection of documents which enable students to discuss the key issues more fully Providing a concise but comprehensive account of the origins course and downfall of the Third Reich this new edition of an already classic text will be an invaluable introduction to the subject for students

A Companion to Nazi Germany Shelley Baranowski,Armin Nolzen,Claus-Christian W. Szejnmann,2018-04-03 A Deep Exploration of the Rise Reign and Legacy of the Third Reich For its brief existence National Socialist Germany was one of the most destructive regimes in the history of humankind Since that time scholarly debate about its causes has volleyed continuously between the effects of political and military decisions pathological development or modernity gone awry Was terror the defining force of rule or was popular

consent critical to sustaining the movement Were the German people sympathetic to Nazi ideology or were they radicalized by social manipulation and powerful propaganda Was the Final Solution the motivation for the Third Reich's rise to power or simply the outcome A Companion to Nazi Germany addresses these crucial questions with historical insight from the Nazi Party's emergence in the 1920s through its postwar repercussions From the theory and context that gave rise to the movement through its structural cultural economic and social impacts to the era's lasting legacy this book offers an in depth examination of modern history's most infamous reign Assesses the historiography of Nazism and the prehistory of the regime Provides deep insight into labor education research and home life amidst the Third Reich's ideological imperatives Describes how the Third Reich affected business the economy and the culture including sports entertainment and religion Delves into the social militarization in the lead up to war and examines the social and historical complexities that allowed genocide to take place Shows how modern day Germany confronts and deals with its recent history Today's political climate highlights the critical need to understand how radical nationalist movements gain an audience then followers then power While historical analogy can be a faulty basis for analyzing current events there is no doubt that examining the parallels can lead to some important questions about the present Exploring key motivations environments and cause and effect this book provides essential perspective as radical nationalist movements have once again reemerged in many parts of the world **Art as**

Politics in the Third Reich Jonathan Petropoulos, 1999-02-01 The political elite of Nazi Germany perceived itself as a cultural elite as well In Art as Politics in the Third Reich Jonathan Petropoulos explores the elite's cultural aspirations by examining both the formulation of a national aesthetic policy **The Routledge Companion to Nazi Germany** Roderick Stackelberg, 2007-12-12 Combines a narrative overview with chronological bibliographical and tabular information to cover major aspects of Nazi Germany This guide provides a survey of topics such as origins and consolidation of the Nazi regime

Hitler's Voice: Organisation & development of the Nazi Party Detlef Mühlberger, 2004 Detlef Mühlberger's work Hitler's Voice The Volkischer Beobachter 1920-1933 is an important addition to the study of National Socialism In today's scholarship it is difficult to locate a detailed work on National Socialism that does not rely in some way on the Volkischer Beobachter it was truly the bullhorn of the party from the time when the National Socialists were no more than a small group of unknowns gathering at the Munich Bürgerbräukeller until they gained power in 1933 Considering the vast amount of literature on National Socialism however it is surprising that until now there have only been shorter articles and two dissertations and not a single comprehensive analysis of the newspaper 1 Mühlberger's translation of articles from the Volkischer Beobachter addresses this lacuna He has sifted through eleven years of the paper condensing them into two volumes His first volume gives a chronological account of the development and organization of the party until 1933 while the shorter second volume entitled Nazi Ideology and Propaganda examines topical issues such as attacks against the Weimar Republic racism and attempts by the party to garner support from workers farmers and the German Mittelstand Hitler's Germany

Roderick Stackelberg, 2002-01-22 This book provides a comprehensive history of Nazi Germany and sets it in the wider context of 19th and 20th century German history It analyses how a culture of such creativity and achievement could generate such barbarism and destructivity
