Popular 2010s Comedy-drama Films Wikipedia contributors, The Hollywood Novel Anthony Slide, 1995 This reference book details over 1 200 English language works from a variety of genres such as historical novels romances mysteries and thrillers Arranged by author the entries include bibliographic information on the books a brief synopsis that sets the author s work in context and a critical examination The Billboard ,1926 **Earl Hamner** James E. Person (Jr.), James E. Person, 2005 Since Spencer s Mountain I have followed Earl Hamner s career with much interest and much satisfaction having picked a winner Harper Lee author of To Kill a Mockingbird Earl Hamner one of America s best loved storytellers has never been the subject of a full length study Earl Hamner From Walton s Mountain to Tomorrow fills that gap A native Virginian Hamner once said Even though families are said to be shattered these days and God is said to be dead if people can revisit the scenes and places where these values did exist possibly they can come to believe in them again or to adapt some kind of belief in God or faith in the family unit or just getting home again This vision of what makes for a whole life permeates all of Hamner s work It is present in the novel Spencer s Mountain upon which The Waltons was loosely based and in his screenplays such as the work he is perhaps most proud of Charlotte s Web It is even present in such unlikely places as the eight scripts he contributed to the classic television series The Twilight Zone and the tales of cold blooded betrayal and boundless ambition depicted on Falcon Crest In Earl Hamner From Walton s Mountain to Tomorrow readers will discover the integrated nature of his career finding that there is no real conflict between the warm folksiness of The Waltons the offbeat fantasies of his Twilight Zone scripts the unscrupulous ethics displayed on Falcon Crest and the myriad other novels and scripts he has written and TV programs he has produced Instead readers will find that there is a pervasive theme running throughout Hamner s work that of a man forever taking a backward glance at his roots for direction in finding what makes life worthwhile Upon learning that this book was being written Hamner told one of his friends I can t imagine anyone wanting to read a book about me much less write one about me Readers of this book will find Hamner s doubts indeed misplaced They will also discover a delightful individual who has enjoyed a long accomplished career as a storyteller laboring for a worthy goal that posterity may know of an age and a people whose legacy has not through silence been permitted to pass away as if a dream **The Very Witching Time of Night** Gregory William Mank, 2014-06-20 The book covers unusual and often surprising areas of horror film history 1 The harrowingly tragic life of Dracula s leading lady Helen Chandler as intimately remembered by her sister in law 2 John Barrymore s 1931 horror vehicles Svengali and The Mad Genius and their rejection by the public 3 The disastrous shooting of 1933 s Murders in the Zoo perhaps the most racy of all Pre Code horror films 4 A candid interview with the son of legendary horror star Lionel Atwill 5 The censorship battles of One More River as waged by Frankenstein director James Whale 6 The adventures and misadventures of Boris Karloff as a star at Warner Bros 7 The stage and screen versions of the horror comedy Arsenic and Old Lace 8 Production diaries of the horror noirs Cat People and The Curse of the Cat People 9 Frankenstein Meets the Wolf Man revisited 10 Horror propaganda The production of

Hitler's Madman 11 Horror star John Carradine and the rise and fall of his Shakespearean Repertory Company 12 The Shock Theatre television phenomenon And 13 A Tribute to Carl Laemmle Jr producer of the original Universal horror classics including an interview with his lady friend of almost 40 years

The Plateau of Doubt: Hiking the Hayduke Trail across the Colorado Plateau Jonathan Stewart, 2018-03-21 The Plateau of Doubt details a 725 mile two season trek tracing the Hayduke Trail across the Colorado Plateau Not only does it describe the stunning scenery spanning six national parks two national forests three wilderness areas two national monuments and one national recreation area but the underlines the challenges involved in hiking one of the most remote and desiccated landscapes on earth It illustrates the dramatic impact a warming world and over grazing are having on the fragile environment of the Colorado Plateau

The Contender William J. Mann, 2019-10-15 Entertainment Weekly's BIG FALL BOOKS PREVIEW Selection Best Book of 2019 Publisher's Weekly Based on new and revelatory material from Brando's own private archives an award winning film biographer presents a deeply textured ambitious and definitive portrait of the greatest movie actor of the twentieth century the elusive Marlon Brando bringing his extraordinarily complex life into view as never before The most influential movie actor of his era Marlon Brando changed the way other actors perceived their craft His approach was natural honest and deeply personal resulting in performances most notably in *A Streetcar Named Desire* and *On the Waterfront* that are without parallel Brando was heralded as the American Hamlet the Yank who surpassed British stage royalty Laurence Olivier John Gielgud and Ralph Richardson as the standard of greatness in the mid twentieth century Brando's impact on American culture matches his professional significance he both challenged and codified our ideas of masculinity and sexuality Brando

was also one of the first stars to use his fame as a platform to address social political and moral issues courageously calling out America's deeply rooted racism William Mann's brilliant biography of the Hollywood legend illuminates this culture icon for a new age Mann astutely argues that Brando was not only a great actor but also a cultural soothsayer a Cassandra warning us about the challenges to come Brando's admonitions against the monetization of nearly every aspect of the culture were prescient His public protests against racial segregation and discrimination at the height of the Civil Rights movement getting himself arrested at least once were criticized as being needlessly provocative Yet those actions of fifty years ago have become a model many actors follow today Psychologically astute and masterfully researched based on new and revelatory material The Contender explores the star and the man in full including the childhood traumas that reverberated through his professional and personal life It is a dazzling biography of our nation's greatest actor that is sure to become an instant classic The Contender includes sixteen pages of photographs

The Turn to Gruesomeness in American Horror Films, 1931-1936 Jon Towlson, 2016-09-12 Critics have traditionally characterized classic horror by its use of shadow and suggestion Yet the graphic nature of early 1930s films only came to light in the home video DVD era Along with gangster movies and sex pictures horror films drew audiences during the Great Depression with sensational content Exploiting a loophole in the Hays Code which made no provision for on screen gruesomeness studios produced remarkably explicit films that were recut when the Code was more rigidly enforced from 1934 This led to a modern misperception that

classic horror was intended to be safe and reassuring to audiences The author examines the 1931 to 1936 happy ending horror in relation to industry practices and censorship Early works like Murders in the Rue Morgue 1932 and The Raven 1935 may be more akin to The Texas Chain Saw Massacre 1974 and Hostel 2005 than many critics believe Day Hikes In the Santa Monica Mountains Robert Stone,2012-03-01 The 50 mile long Santa Monica Mountains parallel the coastline in Southern California dividing the Pacific coast from the interior valleys The majority of the range is located within the Santa Monica Mountains National Recreation Area the world s largest national park at 150 000 acres including three major state parks Included in this new guide are 138 day hikes with an additional section of 13 hikes that traverses the full length of the 68 mile Backbone Trail in day hike segments There are a variety of hikes to accommodates every level of hiking from short strolls along boardwalks to all day coast to peak hikes Also included are clear trail descriptions ample maps and an index

Bicycling Los Angeles County Patrick Brady,2010-02-01 The geography of Southern California is as infinitely varied as its population From the serenity of coastal beaches to the majestic San Gabriel Mountains and the tight canyons of the Santa Monica Mountains Los Angeles is a cyclist s paradise The vistas are spectacular the terrain fun to ride and the sights include some of Hollywood s best known landmarks Bicycling Los Angeles County takes riders on 40 different rides throughout Southern California s most popular destination Also detailed for avid roadies are some of Los Angeles most popular group rides for those who want a more challenging and social outing
