The Complete Poems of Louis Daniel Brodsky: Volume One, 1963-1967 Louis Daniel Brodsky, 1996 As the initial volume of an impressive series comprising the full collection of verse by Louis Daniel Brodsky this book begins with Brodsky s first poem written during his final months at Yale in 1963 and traces the author s maturation into his apprentice years when he was a young graduate student in English at Washington University in St Louis presenting the hundreds of poems prose poems and short autobiographical prose works he had composed by June of 1967 when he launched his professional writing career These pieces serve not only as a measure of Brodsky s evolution as a poet but as a human being chronicling one man s struggle to find his purpose in life to make a place for himself in a society often at odds with his own convictions His hopes fears and frustrations permeate the work revealing the intense inner conflicts he felt compelled to set to paper from individual matters his indecision over vocational goals his candid experiences with love and rejection the overwhelming isolation inherent in his academic pursuits to more global concerns especially his acute awareness of the increasing social and political turbulence surrounding him By grappling with these issues in his writing he explored passionate emotions released tension and at times resolved doubts evoked through his introspection But more important he used this outpouring to hone his creative skills and develop his personal and professional identity ultimately creating this tangible record of his travail and his ecstasy his certitude and his confusion and finally his journey into the heart of the person he would never stop becoming a poet

Zionism: The Real Enemy of the Jews, Volume 1 Alan Hart, 2010-08-13 The False Messiah is Volume I of a monumental history of the Israel Palestine conflict Zionism The Real Enemy of the Jews by a seasoned reporter with a vast first hand knowledge of the Middle East It is the first book to put the struggle for Palestine into its global context to show how all the pieces of a complicated jigsaw puzzle fit together It s also the first ever account of events to address the motives needs and dilemmas faced by all sides diaspora Jews real fear of Holocaust II the Palestinian right to justice and self determination the legitimate anger of the Arab masses at American support for Zionism right or wrong and the inevitable

corruption and repression of the regimes of the existing Arab Order who fearing harsher Israeli assaults have tried to contain them From the beginning the conflict pitted a well financed First World nation of European colonialists who held the upper hand in terms of military hardware air power and capability against an essentially feudal Third World Arab nation The False Messiah sheds new light on The early Zionist relations with UK German and US governments Zionism s contribution to bringing the US into World War I Zionism s role and that of domestic non Zionist Jews in the diversion of Jewish refugees first from Russia then from Germany to Palestine rather than to the US UK or elsewhere sabotaging inter alia Truman s efforts to provide visas to the US for 100 000 Jewish immigrants Truman s belabored decision making processes leading to his recognition of the State of Israel against the advice of 3 US Secretaries of State and his Secretary of Defense who all asserted the US best interest was alignment with the Arab world The expansion of the Israeli state beyond its UN recognized borders immediately upon its creation and how it was made possible by Israel s military superiority even from its pre creation At no point throughout its history Hart contends has Israel ever faced an existential threat to its existence As a former BBC Panorama and ITN Middle East correspondent Alan Hart knew and interviewed most of the main players in the Israel Palestine conflict Golda Meir Moshe Dayan Shimon Peres Yasser Arafat and other PLO leaders George Habash Nasser King Hussein of Jordan King Feisal of Saudi Arabia and many others He also exhibits a wealth of research into a full spectrum of viewpoints

This is a provocative collection exploring the different types of violence and how they relate to one another examined through the integration of several disciplines including forensic psychotherapy psychiatry sociology psychosocial studies and political science By examining the violent states of mind behind specific forms of violence and the social and societal contexts in which an individual act of human violence takes place the contributors reveal the dynamic forces and reasoning behind specific forms of violence including structural violence and conceptualise the societal structures themselves as violent states Other research often stops short at examining the causes and risk factors for violence without considering the opposite states that may not only mitigate but allow for a different unfolding of individual and societal evolution As a potential antidote to violence the authors prescribe an understanding of these creative states with their psychological origins and their importance in human behaviour and meaning seeking Making a call to move beyond merely mitigating violence to the opposite direction of fostering creative potential this book is foundational in its capacity to cultivate social consciousness and effect positive change in areas of governance policy making and collective responsibility

Volume 1 Structural Violence and Creative Structures covers structural and symbolic violence with violent states and State violence and with creative responses and creative states at the local and global levels **Yahweh's Breath Bible, Volume 1** Jerry Ayers, 2010-05

Yahweh's Breath is a unique Bible In original Hebrew language it would be Yahweh's Nshamah meaning Yahweh's puff or breath of divine inspiration It was written in the Literal form of the original languages of Hebrew and Greek and then matched with the New Strong's Exhaustive Concordance of the Bible a thorough verbal index to the Holy Scriptures It's one of a kind format puts the Sacred Name of our Father Creator back into the text where it had been removed nearly 6 000 times by the scribes and translators throughout history An outstanding feature also makes those hard to pronounce Biblical names easy as they were written in the original language of the script with the pronunciation following the name Also the meanings of some of the names follows the pronunciation Using the wording from the Strong's Exhaustive Concordance of the Bible gives His Word a detailed come to life picture in your mind At times you can see the glistening green grass or smell the fragrant smoke of spices If you listen carefully you can hear the vibrating trumpet ram's horns or taste the sticky gummy syrup of honey You might even be able to feel with your finger the scar from the spikes in the hands and feet of the Messiah Another feature of this version of His Word the Bible is that any added text by our Romanized translations that was not in the original text languages has been put back into its original form Above all this version makes reading and understanding His love letter to us about His Son easy and enjoyable
