The Holy Year In Rome Past And Present:

The Holy Year in Rome Eva-Maria Jung-Inglessis, 1997

History of the Holy Years through Mass Media

(1900-2015) Gianluca della Maggiore, Raffaella Perin, Federico Ruozzi, Dario Edoardo Viganò, 2025-09-29 As soon as Jubilees or Holy Years appeared on the 14th century historical stage they became the papal monarchy's most relevant political and economic instruments. Since the 20th century jubilee celebrations have also proved to be extraordinary moments of confrontation though not always easy or unambiguous between the papacy and the rapidly developing mass audiovisual media. On the one hand the jubilees have served as catalysts for attention towards the Vatican amplifying the traditional reasons behind the attraction of the Eternal City as a destination for imposing pilgrimages and as a theater for spectacular liturgical ceremonies. On the other hand the Holy Years have provided the opportunity for the Holy See to experiment through audiovisual media with new ways of interpreting and unfolding the universal mission of the papacy finally freed from temporal concerns. This volume aims to reconstruct this complex and little investigated connection by drawing on a variety of sources from the Vatican archives as well as little known audiovisual sources. Focusing on one hundred years of history 1900-2015 the events of both ordinary and extraordinary jubilees are analyzed from the perspective of each of the audiovisual mass media: cinema, radio, and television.

The Holy Year of Jubilee Herbert Thurston, 1900 This historic book may have numerous typos, missing text, or index. Purchasers can download a free scanned copy of the original book without typos from the publisher. 1900 06 Not illustrated. Excerpt CHAPTER VI The Ceremonies Of The Jubilee. In the still unpublished diary of Francesco Mucanzio, papal master of ceremonies at the close of the sixteenth century, we find that distinguished rubrician in December 1574 discussing at some length the ritual to be used in the unwalling of the Holy Door at the forthcoming celebration of the Jubilee. He tells us that as the time for the ceremony drew near he went to his Holiness Pope Gregory XIII and submitted to him a memorandum concerning the preparations to be made and the things to be then observed. It appears however that his colleague in the office of master of ceremonies also went to the Pope with a similar programme which he declared to be that which had been followed by Julius III in the year 1550. It differed very little from mine, says Mucanzio, except in the versicles and responses. Those which I had set down were taken from an ancient roll, a quodam rotulo antiquo used in the time of Clement VII, and of these versicles there was probably no accurate copy forthcoming in 1550 on account of the pillage and disasters to which the city had been subjected. He refers presumably to the sack of Rome in 1527; hence they had been somewhat altered. My opinion was that out of the two sets which we had before us a third more appropriate than either might have been drawn up, but when the matter was proposed in the Congregation of Cardinals appointed for the revision of ceremonies they decided that as regards the versicles 1. The copy here quoted is contained in MS Addit. 26811 at the British Museum, and prayers the precedent of Julius III's time should be adhered to in every particular. The fact is adds Mucanzio we have nothing prescribed about this matter in the Book of Ceremonies 1 and on this account

The End and the

Beginning George Weigel, 2011-11-01 As March gave way to April in the spring of 2005 and the world kept vigil outside the apostolic palace in Rome the pontificate of Pope John Paul II then drawing to a poignant end was already being described as one of the most consequential in two millennia of Christian history With these words world renowned author and NBC Vatican analyst George Weigel begins his long awaited sequel to the international bestseller *Witness to Hope* The Biography of Pope John Paul II More than ten years in the making *The End and the Beginning* Pope John Paul II The Victory of Freedom the Last Years the Legacy tells the dramatic story of the Pope's battle with communism in light of new and recently disclosed information and brings to a close Weigel's landmark portrait of a man who not only left an indelible mark on the Catholic Church but also changed the course of world history When he was elected pope in the fall of 1978 few people had ever heard of the charismatic Karol Wojtya But in a very short time he would ignite a revolution of conscience in his native Poland that would ultimately lead to the collapse of European communism and death of the Soviet Union What even fewer people knew was that the KGB the Polish Secret Police and the East German Stasi had been waging a dangerous decades long war against Wojtya and the Vatican itself Weigel with unprecedented access to many Soviet era documents chronicles John Paul's struggle against the dark forces of communism Moreover Weigel recounts the tumultuous last years of John Paul's life as he dealt with a crippling illness as well as the new world disorder and revelations about corruption within the Catholic Church Weigel's thought provoking biography of John Paul II concludes with a probing and passionate assessment of a man who lived his life as a witness to hope in service to the Christian ideals he embraced *The Vision of John Paul II* Gerard Mannion, 2008 The Vision of John Paul II assesses the writings work and ecclesial Vision of this long serving pontiff Moving beyond the scope of so many other books on John Paul II this volume seeks to fill a gap by focusing on his lasting influence on pressing issues facing the church today social justice women's roles collegiality ecumenism and interreligious dialogue Readers will appreciate the contributions of internationally known and respected scholars Michael Walsh Ronald Modras Paul McPartlan Gerard Mannion Judith Merkle Jim Voiss Charles E Curran Mario I Aguilar Susan Rakoczy Paul Lakeland Gemma Simmonds Raymond G Helmick Peter Phan This accessibly written volume allows readers to engage with a variety of viewpoints and to understand the ways in which the legacy of John Paul II continues to impact today's church **Witness to Hope** George Weigel, 2009-10-13 This definitive biography of Pope John Paul II explores his historic influence on the world stage Magnificent A tremendous achievement Washington Post As head of the Catholic Church from 1978 until his death in 2005 John Paul II was one of the world's most transformational figures With unprecedented cooperation from the Pope as well as the people who knew and worked with him throughout his life George Weigel offers a groundbreaking portrait of him as a man a thinker and a leader whose religious convictions defined a new approach to world politics and changed the course of history The Pope played a crucial yet underexplored role in some of the most momentous events of his time including the collapse of European communism the quest for peace in the Middle East and the democratic transformation of Latin America

With an updated preface this edition of *Witness to Hope* explains how this man from a far country did all of that and much more and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world **The Spur** ,1925 *The Crisis of Confidence in the Catholic Church* Raymond G. Helmick SJ,2014-09-01 The Catholic Church in the United States and Europe has seen declining numbers both in regular attendance and in clergy and religious life Scandals have torn at people s allegiance and feelings of disappointment disillusion and anger have become widespread Church authorities have seemed reluctant to acknowledge or address these problems and have responded with vexation to those who raise them from the Right or Left *The Crisis of Confidence in the Catholic Church* examines the roots of this crisis in light of the nature of the Church community its institutional structure and the historical experiences that have brought it to this pass Raymond Helmick SJ traces the problems of the Catholic Church far back in its history concentration of Church leadership on control of the Christian population a requirement of obedience to their rulings rather than on the Gospel values of Jesus the defensiveness and self righteousness in the face of any criticism Helmick also emphasizes the role of the Second Vatican Council as it brought the Church to an awareness of its potentiality for an active life of faith by its total membership How will the Church revive Helmick believes that a new growth of Christianity can come now only by a return to the love and care of its original premises to the things that are redolent of the life of Jesus The new evangelization can only be done by living a Christian life giving an example **The Month** ,1900 **A Brief History of Christianity** Bamber Gascoigne,2013-02-07 The story of Christianity is one of colossal undertakings and spectacular successes as well as ferocious intolerance greed and bloodshed Bamber Gascoigne traces a clear path through a complicated history exploring the motives the passions the fears and the achievements of the Christians His approach is objective and he writes in a conversational style focusing on moments of significant detail and a vast and varied cast of characters **The Walther League Messenger** ,1924 *The Papacy: Gaius-Proxies* Philippe Levillain,John W. O'Malley,2002 For a full list of entries and contributors a generous selection of sample entries and more visit the Papacy An Encyclopedia website Routledge is pleased to publish this acclaimed resource in a revised expanded and updated English language edition translated by a team of experts in papal history This comprehensive three volume reference not only covers all of the popes and anti popes from St Peter to John Paul II but also explores the papacy as an institution Articles cover the inner workings both contemporary and historical of the Holy See and encompass religious orders papal encyclicals historical events papal controversies the arts and more This set is destined to be the standard English language reference for all issues concerning the papacy Also includes five maps **Recreating Ancient History: Episodes from the Greek and Roman Past in the Arts and Literature of the Early Modern Period** ,2021-10-25 This volume deals with the question how did scholars and artists in the early modern period represent or rather recreate Greek and Roman history It appears that ancient history was not just studied so as to reconstruct the past it was used as a way of understanding and legitimizing the present Sixteen authors from various

disciplines have studied the works of scholars and artists in different media so as to reveal how they used ancient history as a rich field of raw material that could be used recycled and adapted to new needs and purposes The studies in this volume are important for historians of the early modern period from all disciplines and for all those interested in the reception of classical antiquity Contributors include Maria Berbera Jan Bloemendal Anton Boschloo Jeanine De Landtsheer Jan L de Jong Karl Enenkel Marc Laureys Olga van Marion Alicia Montoya Mark Morford Bettina Noak Sjaak Onderdelinden Paul Smith Wilfried Stroh Francesca Terrenato Arnoud Visser and Bart Westerweel This publication has also been published in paperback please click here for details

The Holy Year of Mercy Word Among Us Press, The, 2015-09-01 Pope Francis has focused on the theme of God's mercy since the beginning of his pontificate Now he has declared an Extraordinary Jubilee of Mercy a holy year beginning on December 8 2015 and lasting until the feast of Christ the King on November 20 2016 This faith sharing guide will give readers and even entire parishes an opportunity to participate in this holy year in a meaningful way Each of the eight sessions features a Gospel passage followed by a homily on that passage given by Pope Francis Questions for reflection and discussion focus on both the Scripture text and the homily Related Scripture passages are included as well as an action step that can be used to grow in the practice and understanding of God's mercy *Littell's*
