## **The Honorary Survivor:**

**Survivor's Odyssey** Richard Wiener, 2013-05 EXCERPTS FOR WEBSITE Survivor s Odyssey BID 112614 As I sit by my window gazing out over the autumnal park the turning leaves straining in the gusting west wind and a suggestion of morning sun stippling a clump of trees in the near distance my thoughts return to the view from my childhood room on Lutherstrasse a bourgeois cobblestone paved street in Wittenberg lined with neatly spaced lindens How tranquil it all seemed then Like other early childhoods contemplated late in life mine seems idyllic in retrospect A cozy home devoted parents playmates and relatives nearby Who could have predicted then that Wittenberg this ancient town the cradle of the Protestant Reformation would soon like the rest of Germany be swept up in the fanaticism and hysteria of National Socialism When did I first realize that I was not just another German child that I was merely tolerated later reviled and finally cast out How strange it seems now that it took so long for me to comprehend that what was happening to me and my fellow Jews was extraordinary Finally in November 1938 all the accumulated hatred reached critical mass And the dry tinder was ignited by an assassin s bullet The son of Polish Jews enraged by his parents deportation shot an attach at the German Embassy in Paris and this provided a sufficient pretext for what came to be known as Crystal Night Kristallnacht the opening salvo of the Holocaust The official story was that the assassination so outraged the German people that they could not be restrained from seeking revenge The truth is that in a clearly coordinated effort across the entire country synagogues were set afire Jewish shops looted and destroyed and Jewish homes invaded and destroyed A mob mentality nurtured for years had at long last found its focus in action In the late 40s hitchhiking was still a viable option I was now in civilian attire and I knew that drivers even those open to hitchhikers had to decide on a dime whether to stop Most of those who picked me up whizzed past screeched to a halt twenty yards further on and watched me run to catch up Once I got into the car they checked me out and asked a few questions before deciding whether I was a keeper Over the succeeding months I learned a lot about people Because I was a stranger whom they would never see again many shared with me confidences that they could not share with family friends or people in their communities They told me of their addictions their adulteries their sexual proclivities It wasn t because of who I was Out of a deep need they would have shared these confidences with almost anyone And at times it was uncomfortable for me to listen I wanted them to stop talking but I needed the ride and kept my mouth shut Aware that I would have to work part time I answered an ad and landed a job with the Whelan s chain of drugstores as a soda jerker I worked two eight hour shifts one on Wednesdays from four to midnight the other on Saturdays Since I was low man on the totem pole my employers felt free to shift me around from store to store as vacancies occurred Most of my colleagues were unskilled drifters who worked only long enough to save a few bucks few were college students like me But I was soon disabused of any idea that this gave me special status The best I could hope for was the occasional gig at an upscale location but I was just as likely to be sent to a hellhole like the notorious hangout for pimps and drug dealers at the corner of Eighth Avenue and 42nd Street

The pay was lousy the tips few and far between but what I learned about people was a valuable adjunct to what I learned in my college classes Until about 30 years later He was by now a gr *Survivor Benefits Legislation* United States. **The House of Love and Prayer** Tova Reich,2023-05-16 Tova Reich s verbal blade is amazingly ingeniously startlingly all consumingly all encompassingly deservedly and brilliantly savage Cynthia Ozick In this extraordinary collection of short fiction Tova Reich dives deep into the world of Orthodox Jewry a world that her stories like the shows Unorthodox and Shtisel embrace with respect and affection while also poking at the faultlines in its unshakeable traditions The eight stories collected in this volume are all populated by seekers of holiness illumination liberation meaning love Their journeys unfold in the U S Israel Poland China often in the very heart of the Jewish world and are rendered with an insider s authority The narrative voice bringing all this to life has been described as fearlessly satiric and subversive with a moral but not moralizing edge equally alive to the sacred and the profane comically absurd to the point of tragedy From the opening story The Lost Girl winner of a National Magazine Award in Fiction to Dead Zone in the closing pages of this collection we are confronted with souls unable to rest unable to find release searching for their place in this life and beyond Between these two stories we encounter a true believer seeking personal redemption in China Forbidden City and an aged woman longing at the end of her life to find a way back to her mother The Plot Three of the stories The Page Turner The Third Generation and Dedicated to the Dead are animated by the long term fallout from the Holocaust generational trauma abuse of memory competitive victimization and more In the midst of all this is the story The House of Love and Prayer which in its way encompasses the entire spectrum The novelist Howard Norman has said Few contemporary writers are truly original Tova Reich is one of them Read this book and discover her satiric genius **Life between Memory and Hope** Zeev W. Mankowitz,2002-09-30 This is the remarkable story of the 250 000 Holocaust survivors who converged on the American Zone of Occupied Germany from 1945 to 1948 They envisaged themselves as the living bridge between destruction and rebirth the last remnants of a world destroyed and the active agents of its return to life Much of what has been written elsewhere looks at the Surviving Remnant through the eyes of others and thus has often failed to disclose the tragic complexity of their lives together with their remarkable political and social achievements Despite having lost everyone and everything they got on with their lives they

married had children and worked for a better future They did not surrender to the deformities of suffering and managed to preserve their humanity intact Mankowitz uses largely inaccessible archival material to give a moving and sensitive account of this neglected area in the aftermath of the Holocaust

Re-examining the Holocaust through Literature Aukje Kluge,Benn E. Williams,2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context
