The Hope Of Christs Return Premillennial Commentary On 1 And 2 Thessalonians:

The Hope of Christ's Return: Premillennial Commentary on 1 & 2 Thessalonians Mal Couch, 2002-04 Dr Couch's commentary approaches the Thessalonians letters from a premillennial point of view but is adaptable for everyone. It is scholarly yet understandable, comprehensive but alive. He gives the key meanings of the Greek text explaining each nuance of the language in a clear and concrete way. The reader will find a clear compelling commentary. Study questions at the end of each chapter. Bible study outlines for 1 and 2 Thessalonians. A glossary of theological terms. The 1st Century Church Speaks to the 21st Century Church. The church in Thessalonica was a congregation of new believers that was impacting their world for Jesus but their awe inspiring love for Christ came at a terrible price. They endured tremendous trials and tribulations to the point that many gave their lives for the gospel. Paul wrote 1 Thessalonians to further equip these young believers to live as beacons of light in an immoral city. He instructed them to go beyond their efforts in living for Christ and sought to clarify their understanding of the Rapture. After his first letter rumors began to circulate throughout the church in Thessalonica that the Rapture had already taken place. Paul wrote 2 Thessalonians to dispel these rumors and to further encourage them to stand firm in Christ. This commentary speaks to the 21st century Christian. With the persecution of believers on the rise, sexual immorality running rampant and the abundance of End Time prophecies, Dr Couch's commentary will help the reader understand how to stand for Christ in a fallen world and find hope in Christ's return. *Evangelical Bible Doctrine* Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid, sacred and safe theological manual for the body of Christ. Colleagues and friends of Dr Couch such as Dr Wayne House, Dr Norman Geisler, Dr Arnold Fruchtenbaum, Dr Timothy Demy and more along with many of Mal's students and disciples set forth in this work a biblical and practical theology. The first half of the book covers all twelve of the major biblical doctrines of Christianity. The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith. In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith. So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism, this book will provide for you a solid resource for many years to come. **The Essence of the New Testament** Elmer L. Towns, Ben Gutierrez, 2012 Leading biblical scholars from Liberty University offer a thorough survey of the complete New Testament with book introductions, theological concepts, practical applications, word studies and more. *Illustrated Bible Survey* Ed Hindson, Elmer L. Towns, 2017-07-01 This revised edition of *Illustrated Bible Survey* introduces all the books of the Bible from Genesis to Revelation and features expanded content dealing with current issues in Old Testament studies, the latest archaeological finds and recent theological issues. *The Gospel of the Christ* Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe

about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith **1 and 2 Thessalonians** Nijay K. Gupta, 2019-07-23 The study of Paul s Thessalonian letters is enjoying fresh interest today These texts are considered by many to be amongst the earliest extant Christian documents They are included in conversations about early Jewish and Christian apocalypticism New insights are coming from examination of the religious socio cultural and political contexts of Roman Thessalonica And looking back these letters have played an important role in the development of Christian eschatology This volume serves as an up to date guide to these academic discussions and debates and much more This volume on 1 and 2 Thessalonians in the Zondervan Critical Introductions to the New Testament series offers a volume length engagement with subjects that normally only receive short treatments in biblical commentaries or in New Testament Introductions This volume addresses Authorship Date Audience Socio Historical Context Genre Purpose Integrity Textual History Greek Style Structure Argument Other Critical Issues Main Interpretive Issues Reception into the Canon Selected History of Interpretation Bibliography *Are We Living in the Last Days?* Bryan Chapell, 2024-02-06 Will Jesus s return be preceded by a single world government Will every person have a government issued ID or mark Does Christ return once or twice Will believers go through a Great Tribulation Will there be a literal battle of Armageddon Does it even matter what we believe about future events Biblical prophecies about the end times have confused confounded and even divided God s people for centuries But the reason Scripture gives us hints about the future is to provide the encouragement we need to endure the present confident that God keeps his promises In this balanced look at four major views of the end times bestselling author Bryan Chapell explains the primary ways Christians have interpreted biblical prophecy about the last days not so that we might pick a hill to die on but so that we can cling to what unites us in Christ No matter what end times view we find most compelling in God s plans we can find strength for today and hope for tomorrow [Elenchus of Biblica](#) Maria J. declaration doctrinale est importante pour l'Eglise et pour le développement de la vie consacrée dans l'Eglise. En lisant *Lumen Gentium*, on est assez vite frappé par le début abrupt du sixième chapitre sur les religieux car tous les autres chapitres s'ouvrent par une brève introduction. Cependant, on ne peut détacher ce chapitre de ce qui a été dit précédemment sur la vocation universelle à la sainteté. En fait, l'histoire du texte fait clairement ressortir le lien qui unit ces chapitres. **1 & 2 Thessalonians** Molly T. Marshall, 2022-08-30. The Thessalonian correspondence represents the earliest writing in the New Testament according to many scholars. It speaks to a group of Christians struggling with thorny questions such as: How should we live in the shadow of the coming parousia? What are our obligations to one another as followers of Jesus? How do we learn to trust the truth of the gospel? For Paul, this earliest correspondence was a test of his apostolic authority and also a means to express his genuine warmth and affection for the Christian community at Thessalonica. In spite of their relative brevity, the letters to the Thessalonians wrestle with ideas and obligations that remain relevant today. The volumes in the Belief series offer a fresh and invigorating approach to all the books of the Bible. Building on a wide range of sources from biblical studies and the Christian tradition, renowned scholars focus less on traditional historical and literary angles in favor of a theologically focused commentary that considers the contemporary relevance of the text. Why then and why now are overarching questions asked throughout the volumes in the series. **Exegesis Exposition** 2 3 4

The Return of Christ David L. Allen, Steve W. Lemke, 2011-05-18. Twelve ministry leaders write in support of the premillennial end times position, the belief that Christ will return to earth before He reigns over an earthly kingdom for one thousand years. *The Personal and Pre-millennial Coming of Our Lord and Saviour Jesus Christ*, 1888. **1 & 2**

Thessalonians Jacob W. Elias, 1995-06-09. Jacob W. Elias invites us to listen in while Paul and his missionary companions encourage and warn believers in ancient Thessalonica. Elias shows Paul dealing pastorally with everyday concerns of church life while reminding his converts about the big picture. What God has done through the death and resurrection of Jesus Christ will yet be brought to glorious completion. The church has an active role to play in God's redemptive mission in the world. Today, apocalyptic biblical texts are often ignored or misused. But Elias tells how the gospel proclaimed to the Thessalonians undergirds the nurture of churches marked by faith, love, and hope. **The Popular Bible Prophecy Commentary** Tim F.
