to train a horse or do you learn from watching videos or even by just reading a book Will a book tell you everything you need to know For that matter will a video give you all the ins and outs of training a horse You know a little about riding but those horses were already trained You have never even been around an untrained horse How hard can it be You love animals and you love horses and horseback riding You have plenty of room for a horse now You talked to a trainer about training a horse but he won't let you be there while he is training the horse You really want to be in on the training So the only solution you can think of is to train the horse yourself You have to learn but you can do it It shouldn't be that hard You will have to do some reading up on the subject maybe even several books and there are probably videos too you can watch So that is it you are going to find you a horse to buy You about how much a horse will cost you You know about how much it will cost to feed them for a year Of course they need shots and checking out with a vet You have even thought of that and know how much that will cost When you called that vet to ask for advice he said he would go with you to help you pick out the horse so that you will get the right horse for you The only cost will be the cost of checking out the horse He should be able to tell me if the horse is in good health before I buy it Don't want to buy a horse that is going to run up a ton of money in vet charges This will work out well Of course there is still the matter of training a horse Training Your Own Horse You can learn how to teach your horse to back up load on a trailer and how to be a good riding horse If you have the time and the patience you can train your own horse to be a good riding horse The key to training your horse is to understanding how horses think How are you going to learn how horses think Horses can't tell you what they think anymore that a dog or cat can tell you what they think I don't have to hire a horse whisperer do I So where do you find all of this information
