The Carnal Myth:

The Carnal Myth Edward Dahlberg, 1968 *The Bronte Myth* Lucasta Miller, 2007-12-18 In a brilliant combination of biography literary criticism and history *The Brontë Myth* shows how Charlotte Emily and Anne Brontë became cultural icons whose ever changing reputations reflected the obsessions of various eras When literary London learned that *Jane Eyre* and *Wuthering Heights* had been written by young rural spinsters the Brontës instantly became as famous as their shockingly passionate books Soon after their deaths their first biographer spun the sisters into a picturesque myth of family tragedies and Yorkshire moors Ever since these enigmatic figures have tempted generations of readers Victorian Freudian feminist to reinterpret them casting them as everything from domestic saints to sex starved hysterics In her bewitching metabiography Lucasta Miller follows the twists and turns of the phenomenon of Brontë mania and rescues these three fiercely original geniuses from the distortions of legend **Boys Abducted** Abdulhamit Arvas, 2025-03-14 In *Boys Abducted* Abdulhamit Arvas explores the history of abducted boys in English and Ottoman literary and visual culture to examine the relationships between homoeroticism race and empire in the early modern period The popular literary trope of the abducted beautiful boy often eroticized as an exotic object of desire intersects with the historical phenomenon of vulnerable youths who were captured and exchanged within the global traffic in bodies Arvas offers a queer historicist analysis of a wide array of Ottoman and English texts and genres ranging from poetry drama and travelogue to chronicles maps and visual arts He shows how the boy in these representations crosses boundaries between nations and empires embodying the tensions and dissonances between the aestheticized eroticism of literary and cultural representations and the violent history of abductions conversions and enslavements In so doing Arvas presents complex parallels and connections between the two societies highlighting the circulation of sexual and racial discourses in imperial imaginings to uncover discursive formations and formulations of sexuality race and empire *The Sorrows of Priapus* Edward Dahlberg, 1973-01-01 **Ten Indictments Against the Modern Church** Paul Washer, FELIPE CHAVARRO POLANIA, 2019-08-08 *Ten Indictments Against the Modern Church* is a sermon preached at the Revival Conference in Atlanta in 2008 Paul Washer delivered an urgent appeal to the Christians and churches in North America that many have been believing a false gospel and have false assurance of their salvation He listed ten indictments against the modern church system in America This is a historical urgent message Tell others and spread the message We need a reformation and revival of a Biblical standard Greg Gordon Revival Conference Organizer *Wisdom of the Mythtellers - Second Edition* Sean Kane, 1998-10-06 *Mythtelling* the ideas and emotions of the Earth expressed through stories stories distilled from millennia of treading warily in nature rather than undertaking to rearrange her furniture *Wisdom of the Mythtellers* uncovers four kinds of ancestral dream mapping Native Australian Native American Celtic and Greek **The Gospel According to the Apostles** John F. MacArthur, 2005-03-06 The apostles understood the Gospel as they learned from and personally lived alongside Jesus and these lessons became the heart of their message to an unsaved

world But what does their perspective mean for modern Christians and how can we read the Bible through their unique lens today Following the release of his bestselling book *The Gospel According to Jesus* Dr MacArthur noticed that Christians were looking for practical advice spiritual counsel and accessible explanations of the Bible And most of all they wanted help understanding their experiences within Christianity Dr MacArthur realized that by examining scripture from the perspective of the apostles themselves even more Christians could come to know the Gospel as Jesus earliest followers did In his characteristic compelling style Dr MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church Dr MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years including What is cheap grace Have some Christians adopted a no lordship theology What must a person do to be considered righteous by God How should we call people to faith Do our works have any effect on our salvation *The Gospel According to the Apostles* is a book for every Christian who wants to experience understand and fall in love with the same gospel that Jesus preached

Medieval Mythography, Volume Two Jane Chance, 2019-11-15 The second volume in Jane Chance's study of the history of medieval mythography from the fifth through fifteenth centuries focuses on the time period in Western Europe between the School of Chartres and the papal court at Avignon This examination of historical and philosophical developments in the story of mythography reflects the ever increasing importance of the subjectivity of the commentator Through her vast and wide ranging familiarity with hitherto seldom studied primary texts spanning nearly one thousand years Chance provides a guide to the assimilation of classical myth into the Christian Middle Ages Rich in insight and example dense in documentation and compelling in its interpretations *Medieval Mythography* is an important tool for scholars of the classical tradition and for medievalists working in any language

The Virgin Birth of Christ J. Gresham Machen, 2022-01-01 In what remains a widely discussed issue in contemporary theology J Gresham Machen's *The Virgin Birth of Christ* acts as both an introduction to the subject and a window into American Princeton theology in the early twentieth century Machen undertakes an encyclopaedic study of the different perspectives on the virgin birth He begins with a close reading of the scriptural accounts comparing and contrasting the stories of Jesus birth told in Luke and Matthew Secular historical accounts are then considered as well as possible alternative theories including the likelihood of the story being of early Jewish or Pagan origin Machen's study was the definitive work on the virgin birth for the majority of the twentieth century and remains an invaluable resource both as an apologetic work and as a time capsule of theological progress

The American Enemy Philippe Roger, 2005-05-12 Bowman's fine translation of this magisterial work brings French anti Americanism into the broad light of day offering fascinating reading for Americans who care about their image abroad and how it came about
