**On Their Own** Joyce Hoffmann, 2008-06-24 Over three hundred women both print and broadcast journalists were accredited to chronicle America s activities in Vietnam Many of those women won esteemed prizes for their reporting including the Pulitzer the Overseas Press Club Award the George Polk Award the National Book Award and the Bancroft Prize for History Tragically several lost their lives covering the war while others were wounded or taken prisoner In this gripping narrative veteran journalist Joyce Hoffmann tells the important yet largely unknown story of a central group of these female journalists including Dickey Chapelle Gloria Emerson Kate Webb and others Each has a unique and deeply compelling tale to tell and vivid portraits of

their personal lives and professional triumphs are woven into the controversial details of America's twenty year entanglement in Southeast Asia

**A Shau Valor** Thomas R. Yarborough, 2016-04-05 From the author of Da Nang Diary A military history of the Battle of Hamburger Hill and other fights between the NVA and the US and its Vietnamese allies Throughout the Vietnam War one focal point persisted where the Viet Cong guerrillas and Army of the Republic of Viet Nam ARVN were not a major factor but where the trained professionals of the North Vietnamese and US armies repeatedly fought head to head A Shau Valor is a thorough study of nine years of American combat operations encompassing the crucial frontier valley and a fifteen mile radius around it the most deadly killing ground of the entire war Beginning in 1963 Special Forces A teams established camps along the valley floor followed by a number of top secret Project Delta reconnaissance missions through 1967 Then US Army and Marine Corps maneuver battalions engaged in a series of sometimes controversial thrusts into the A Shau designed to disrupt NVA infiltrations and to kill enemy soldiers part of what came to be known as Westmoreland's war of attrition The various campaigns included Operation Pirous 1967 Operations Delaware and Somerset Plain 1968 and Operations Dewey Canyon Massachusetts Striker and Apache Snow 1969 which included the infamous battle for Hamburger Hill culminating with Operation Texas Star and the vicious fight for and humiliating evacuation of Fire Support Base Ripcord in the summer of 1970 the last major US battle of the war By 1971 the fighting had once again shifted to the realm of small Special Forces reconnaissance teams assigned to the ultra secret Studies and Observations Group SOG Other works have focused on individual battles or units but A Shau Valor is the first to study the campaign for all its courage and sacrifice chronologically and within the context of other historical political and cultural events

**Death in the Highlands** J. Keith Saliba, 2023-06-14 A history of the first engagement between the U S Army and the North Vietnamese Army at the beginning of the Vietnam War in 1965 In fall 1965 North Vietnam's high command smelled blood in the water The South Vietnamese republic was on the verge of collapse and Hanoi resolved to crush it once and for all The communists set their sights on South Vietnam's strategically vital West Central Highlands Annihilate ARVN's defenses in Kontum and Pleiku provinces the communists surmised and the region's remaining provinces would topple like dominoes Their first target was the American Special Forces camp at Plei Me remote and isolated along the Cambodian border As darkness fell on 19 October 1965 two North Vietnamese Army regiments some four thousand troops crept into their final strike positions The plan was as simple as it was audacious one regiment would bring the frontier fortress under murderous siege while the other would lie in wait to destroy the inevitable rescue force Initially all that stood athwart Hanoi's grand scheme was a handful of American Green Berets a few hundred Montagnard allies and burgeoning U S airpower Cut off and beleaguered Plei Me's defenders fought for their lives while a daring band of close air support and resupply pilots helped keep the beast at bay But as the overland relief force bogged down 5th Group ordered in the legendary Charge Charlie Beckwith and his elite Project Delta to help hold the line Soon the 1st Cavalry Division would also join the fray setting the stage for its bloody Ia Drang

Valley fights a few weeks later Before it was over the siege of Plei Me would push its defenders to the brink and usher in the first major clashes between the U S and North Vietnamese armies Drawing on archival research and interviews with combat veterans J Keith Saliba reconstructs this pivotal battle in vivid gut wrenching detail and illustrates where the siege fit in the war s strategic picture Praise for Death in the Highlands Winner 2021 Gold Medal in history Military Writers Society of America This story has it all the bravery and suffering of men in extreme peril and how they lived and died Plei Me was the prelude to the bloody battles of the 1st Cavalry Division troopers in the nearby Ia Drang Valley just weeks later Keith Saliba has done them all proud Joseph L Galloway co author of the New York Times bestseller We Were Soldiers Once and Young Military history at its best a clear detailed and highly readable account of an important but little understood battle of the Vietnam War Col Andrew R Finlayson USMC Ret author of Killer Kane A Marine Long Range Recon Team Leader in Vietnam 1967 1968 and winner of the CIA s Studies in Intelligence Award The Father of All Things Tom Bissell,2007 The author describes his journey to Vietnam with his war veteran father offering a glimpse of a land that had shaped both of their lives while reflecting on his father s war experience and the war s continuing political cultural and personal influence **Search and Destroy** Dean Hughes,2015-07-21 RICK WARD WANTS TO GO TO WAR And he s not sure why Maybe he s running from his dad and his crazy temper Maybe he s running from his girl who seems to think he s more of a joke than a man Or maybe he s just running to find himself But after Rick ventures into the Vietnam jungle he discovers that no one not protestors politicians or writers has got a clue War is far bigger scarier and more complicated than anything he ever could have imagined The My Lai Massacre in American History and Memory Kendrick Oliver,2006 This book examines the response of American society to the My Lai massacre and its ambiguous place in American national memory The author argues that the massacre revelations left many Americans untroubled It was only when the soldiers most immediately responsible came to be tried that opposition to the conflict grew for these prosecutions were regarded by supporters of the war as evidence that the national leaders no longer had the will to do what was necessary to win **Grunts** John C. McManus,2010-08-03 A superb book an American equivalent to John Keegan s The Face of Battle I sincerely believe that Grunts is destined to be a classic Dave Grossman Author of On Killing and On Combat From the acclaimed author of The Dead and Those About to Die comes a sweeping narrative of six decades of combat and an eye opening account of the evolution of the American infantry From the beaches of Normandy and the South Pacific Islands to the deserts of the Middle East the American soldier has been the most indispensable and most overlooked factor in wartime victory In Grunts renowned historian John C McManus examines ten critical battles from Hitler s massive assault on U S soldiers at the Battle of the Bulge to counterinsurgency combat in Iraq where the skills and courage of American troops proved the crucial difference between victory and defeat Based on years of research and interviews with veterans this powerful history reveals the ugly face of war in a way few books have and demonstrates the fundamental and too often forgotten importance of the human element in serving and protecting

the nation     Buddha's Child Nguyen Cao Ky, Marvin Wolf, 2002 Ky served as a general in the South Vietnamese Air Force and as prime minister from 1965 until 1967
