The Celebrated Jumping Frog:

The Celebrated Jumping Frog of Calaveras County (and other sketches) Mark Twain, 1962 James Russell Lowell had already pronounced the Frog story the finest piece of humorous writing yet produced in America We are sure he would also have bestowed this word of praise upon the remaining stories that make up this small volume though the title sketch is definitely the redeeming feature of the collection **The Celebrated Jumping Frog of Calaveras County** Mark

poses a moral distinction between honest and dishonest cleverness It also shows that you don't necessarily have to be educated and well spoken to be clever nor is a good education a defense against getting fooled *The Jumping Frog* Mark Twain,1971-06-01 Revenge edition The original story a hapless French translation and Twain's hilarious retranslation from the French 12 illustrations The Celebrated Jumping Frog of Calaveras County Mark Twain,2019-02-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Celebrated Jumping Frog of Calaveras County ANNOTATED Mark Twain,2021-04-14 The narrator visits Simon Wheeler in a tavern in Angel's Camp Calaveras County California a gold rush mining town He calls on Wheeler at the request of his friend from back East to ask after the Rev Leonidas W Smiley He finds Simon Wheeler dozing by the stove and describes him as old fat simple and gentle As Wheeler backs the narrator into a corner and launches into a series of tall tales about a completely different man named Jim Smiley the narrator suspects that his friend made up Leonidas as a pretext to entrap him into listening to Wheeler's long and tedious stories Wheeler's story within the story commences all about a gambler named Jim Smiley Jim Smiley would bet on anything He was a lucky man who almost always won He bet on dog fights horse races and even the ill health of the parson's wife Smiley trained animals to win bets for him Both his horse the fifteen minute nag and his dog Andrew Jackson didn't seem like much but would surprisingly win in the end Andrew Jackson had a trick during a fight of catching the other dog's back legs in his mouth tenaciously This worked until he fought a dog that didn't have back legs When Andrew Jackson didn't know what to do he looked heartbrokenly at Smiley and died Wheeler comments that the dog probably had some genius and talent in him since he managed to come out on top despite lack of opportunities Smiley caught a frog named him Dan'l Webster and took him home to educate him For the next three months he did nothing but teach the frog It could turn somersaults in the air and catch flies on command Dan'l Webster's specialty was to jump higher than any other frog around Despite his many gifts he was modest and straight forward Jim Smiley kept Dan'l Webster in a box and would occasionally fetch him for a bet One day a stranger in the camp asks Smiley what's in the box Smiley responds indifferently that it could be other animals but it's a frog The stranger examines the box and asks what the frog is good for Smiley replies casually that

he can outjump any frog in Calaveras County The stranger replies that he doesn't see anything unique about that frog Smiley says May be you understand frogs and may be you don't understand em may be you've had experience and may be you are only a amateur as it were Anyways I've got my opinion and I'll risk forty dollars that he can outjump any frog in Calaveras county The stranger thinks about it and then says that if he had a frog he would take the bet Smiley offers to catch him a frog and hands the box with Dan'l Webster to the stranger While Smiley is out the stranger takes Dan'l out of his box opens his mouth and fills him with quail shot Then he sets him on the floor Smiley comes back from the swamp with a frog and gives him to the stranger They set the frogs side by side with even fore paws Smiley calls One two three jump and they each touch their frogs from behind The new frog hops off Dan'l Webster tries to jump but can't budge Smiley is surprised disgusted and confused The stranger takes the money and starts away and as he's leaving repeats what he said earlier about not seeing anything special about Dan'l Webster Smiley scratches his head stares at his frog and wonders aloud what happened He's concerned that there's something the matter with Dan'l Webster as he looks mighty baggy somehow He picks up the frog and exclaims that he weighs five pounds When he turns Dan'l Webster upside down Dan'l belches out a double handful of shot Smiley realizes that he has been swindled and runs after the stranger angrily but fails to catch him Simon Wheeler's story gets cut off when he hears his name called from the front yard and goes out He tells the narrator to wait he won't be long
