

The Changelings

A CLASSICAL
JAPANESE COURT
TALE

Translated, with an
Introduction and Notes, by

ROSETTE F. WILLIG

The Changelings A Classical Japanese Court Tale

Wendy Doniger

The Changelings A Classical Japanese Court Tale:

〆〆〆〆〆〆〆〆, 1983 **Classical Japanese Prose** Helen Craig McCullough, 1990 This volume brings together in convenient form a rich selection of Japanese prose dating from the ninth to the seventeenth centuries a period during which the preeminent cultural and aesthetic values were those of the Heian court It contains 22 works representing all the major indigenous literary forms either complete or in generous excerpts and is particularly rich in writing by women and in autobiographical writings This anthology contains longer selections than the only other available anthology which was published in the 1950s and each selection is preceded by an introduction reflecting the most recent scholarship With three exceptions all the translations are by the compilers and almost all of them are published here for the first time Because of space limitations the compiler has omitted the two long masterpieces of the age The Tale of Genji and The Tale of Heike which deserve to be read in their entirety and which are available in paperback English translations The book contains an extensive general introduction thirteen illustrations five maps a glossary and a selected bibliography of works in English translation *Tales of Idolized Boys* Sachi Schmidt-Hori, 2021-06-30 In medieval Japan 14th 16th centuries it was customary for elite families to entrust their young sons to the care of renowned Buddhist priests from whom they received a premier education in Buddhist scriptures poetry music and dance When the boys reached adolescence some underwent coming of age rites others entered the priesthood and several extended their education becoming chigo or Buddhist acolytes Chigo served their masters as personal attendants and as sexual partners During religious ceremonies adorned in colorful robes their faces made up and hair styled in long ponytails they entertained local donors and pilgrims with music and dance Stories of acolytes chigo monogatari from the fourteenth to sixteenth centuries form the basis of the present volume an original and detailed literary analysis of six tales coupled with a thorough examination of the sociopolitical religious and cultural matrices that produced these texts Sachi Schmidt Hori begins by delineating various dimensions of chigo the chigo title personal names gender sexuality class politics and religiosity to show the complexity of this cultural construct the chigo as a triply liminal figure who is neither male nor female child nor adult human nor deity A modern reception history of chigo monogatari follows revealing not surprisingly that the tales have often been interpreted through cultural paradigms rooted in historical moments and worldviews far removed from the original From the 1950s to 1980s research on chigo was hindered by widespread homophobic prejudice More recently aversion to the age gap in historical master acolyte relations has prevented scholars from analyzing the religious and political messages underlying the genre Schmidt Hori s work calls for a shift in the hermeneutic strategies applied to chigo and chigo monogatari and puts forth both a nuanced historicization of social constructs such as gender sexuality age and agency and a mode of reading propelled by curiosity and introspection **The Bedtrick** Wendy Doniger, 2022-08-22 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that

runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln s truly terrible poem about a bedtrick You will learn that in Hong Kong the film The Crying Game was retitled Oh No My Girlfriend Has a Penis And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can t people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover

Toward an Integrated Approach to Narrative Generation: Emerging Research and Opportunities Ogata, Takashi, 2019-10-25 The concept of narrative has exerted a strong influence on a wide range of fields from the humanities such as literature and art and entertainment to social studies psychiatry and psychology The framework that allows access to narratives across a wide range of areas from science to the humanities has the potential to be improved as a fusion of cognitive science and artificial intelligence Toward an Integrated Approach to Narrative Generation Emerging Research and Opportunities is a critical scholarly book that focuses on the significance of narratives and narrative generation in various aspects of human society Featuring an array of topics such as philosophy narratology and advertising this book is ideal for software developers academicians philosophy professionals researchers and students in the fields of cognitive studies literary studies and digital content design and development

The Cambridge History of Japan: Heian Japan John Whitney Hall, 1988 V 3 Medieval Japan edited by Kozo Yamamura v 4 Early modern Japan edited by John Whitney Hall v 5 The nineteenth century edited by Marius B Jansen v 6 The twentieth century edited by Peter Duus

Dreams, Myths and Fairy Tales in Japan Hayao Kawai, 2020 Dreams Myths and Fairy Tales in Japan addresses Japanese culture insightfully exploring the depths of the psyche from both Eastern and Western perspectives an endeavor the author is uniquely suited to undertake The present volume is based upon five lectures originally delivered at the prestigious round table Eranos Conferences in Ascona Switzerland Readers interested in Japanese myth and religion comparative cultural studies depth psychology or clinical psychology will all find Professor Kawai s offerings to be remarkably insightful while at the same time practical for their own daily work From the contents Interpenetration Dreams in Medieval Japan Bodies in the Dream Diary of My e Japanese Mythology Balancing the Gods Japanese Fairy Tales The Aesthetic Solution Torikaebaya A Tale of Changing Sexual Roles

Maiko Masquerade Jan Bardsley, 2021-03-09 Maiko Masquerade explores Japanese representations of the maiko or apprentice geisha in films manga and other popular media as an icon of exemplary girlhood

Jan Bardsley traces how the maiko long stigmatized as a victim of sexual exploitation emerges in the 2000s as the chaste keeper of Kyoto's classical artistic traditions. Insider accounts by maiko and geisha, their leaders and fans, show pride in the training challenges and rewards maiko face. No longer viewed as a toy for men's amusement, she serves as catalyst for women's consumer fun. This change inspires stories of ordinary girls and even one boy striving to embody the maiko ideal, engaging in masquerades that highlight questions of personal choice, gender performance, and national identity. **Recreating**

Japanese Women, 1600-1945 Gail Lee Bernstein, 1991-07-09 In thirteen wide-ranging essays, scholars and students of Asian and women's studies will find a vivid exploration of how female roles and feminine identity have evolved over 350 years from the Tokugawa era to the end of World War II. Starting from the premise that gender is not a biological given but is socially constructed and culturally transmitted, the authors describe the forces of change in the construction of female gender and explore the gap between the ideal of womanhood and the reality of Japanese women's lives. Most of all, the contributors speak to the diversity that has characterized women's experience in Japan. This is an imaginative, pioneering work offering an interdisciplinary approach that will encourage a reconsideration of the paradigms of women's history hitherto rooted in the Western experience. **Traditional Japanese Literature** Haruo Shirane, 2012-09-25

Haruo Shirane's critically acclaimed *Traditional Japanese Literature: An Anthology, Beginnings to 1600* contains key examples of both high and low styles of poetry, drama, prose, fiction, and essays. For this abridged edition, Shirane retains substantial excerpts from such masterworks as *The Tale of Genji*, *The Tales of the Heike*, *The Pillow Book*, *The Man'yōshū*, and the *Kokinshū*. He preserves his comprehensive survey of secular and religious anecdotes, *setsuwa*, as well as classical poems with extensive commentary. He features no drama selections from influential war epics and notable essays on poetry, fiction, history, and religion. Texts are interwoven to bring into focus common themes, styles, and allusions while inviting comparison and debate. The result is a rich encounter with ancient and medieval Japanese culture and history. Each text and genre is enhanced by extensive introductions that provide sociopolitical and cultural context. The anthology is organized by period, genre, and topic, an instructor-friendly structure, and a comprehensive bibliography guides readers toward further study. Praise for *Traditional Japanese Literature: An Anthology, Beginnings to 1600* Haruo Shirane has done a splendid job at this herculean task. Joshua Mostow, University of British Columbia. A comprehensive and innovative anthology. All of the introductions are excellent. *Journal of Asian Studies*. One of those impressive erudite must-have titles for anyone interested in Asian literature. *Bloomsbury Review*. An anthology that comprises superb translations of an exceptionally wide range of texts. Highly recommended. *Choice*. A wealth of material. *Monumenta Nipponica*.
