The Changing Structure Of British Foreign Policy:

The Changing Structure of British Foreign Policy Roy E. Jones, 1974 **Britain and Europe Since 1945** Oliver J. Daddow, 2004-04-15 This important book offers a refreshing and challenging perspective on the nature of history by analyzing the character role functioning and wider uses of historiography Taking British policies toward European integration since the Second World War as a case study the author demonstrates how its interpretation and reportage over time is subject to changing trends Seeking to explain these trends in terms of the different conceptions of the past which are maintained by different schools of writing it forces us to confront the fundamental difficulties we encounter in undertaking studies in history It draws attention to the impact on historical interpretation of changing times political discourse the opening of archives and of subjects being brought to the fore by professional historians **Foreign Policy and Legislatures** M. L. Sondhi, 1988 Contributed articles relating to U K Japan Israel Sri Lanka New Zealand Canada and India
British Foreign Policy Michael Smith, Steve Smith, Brian White, 1988-01-01 British Military Planning for the Defence of Germany 1945-50 Paul Cornish, 1996-03-14 Using recently released archive material British Military Planning for the Defence of Germany 1945 50 reassesses Britain s strategy for the defence of Germany up to the outbreak of the Korean War Convinced of the capabilities of strategic air power with atomic weapons and convinced that the defence of the Middle East should be the first call on British planning Britain s military chiefs made a series of token gestures designed to boost French morale and consistently refused to make a genuine continental commitment of operational troops *British Sources of Information* P. Jackson, 2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual **British Political Facts 1900-1985** David Butler, 1986-02-01 **The Foreign Policy of the Douglas-Home Government** A. Holt, 2014-03-07 This book provides an important study of a short lived government making foreign policy in the shadow of an impending general election It considers Britain s relations with the United States Africa Asia and the Middle East *Foreign Policy Change in Europe Since 1991* Jeroen K. Joly, Tim Haesebrouck, 2021-08-27 In the past three decades the world has witnessed many rapid and invasive changes and seems to be changing countries have adapted their foreign policies to these changes Building on a clear typology of foreign policy change and a consistent theoretical framework this book offers a comparative analysis of foreign policy change in Europe throughout the post Cold War period Along the lines of our analytical framework country experts discuss how and why the further ever more rapidly in ways that seemed only imaginable in movies This book investigates

how European foreign policies of eleven European countries have changed over the past thirty years This book hereby advances our understanding of the phenomenon of foreign policy change and identifies the most important drivers and inhibitors of change

Think Tanks and Power in Foreign Policy I. Parmar, 2004-03-31 What is the role of elites in shaping foreign policy Did unaccountable foreign policy elites shape the post 1945 world order Chatham House and the Council on Foreign Relations were vital in America's shift from isolationism to globalism and in Britain's shift from Empire to its current pro American orientation and were also fundamental in engineering public backing for a new world order Inderjeet Parmar presents new evidence to show how well organized and well connected elite think tanks helped to change the world
