The Chian Wine And Other Stories:

The Chian Wine, and Other Stories Patrick O'Brian, 1974-01-01 Of Sex and Faerie: further essays on Genre Fiction John Lennard, 2010 Taking up where *Of Modern Dragons* 2007 left off these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois McMaster Bujold and Ursula K Le Guin There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world There is an extensive bibliography of genre and critical work with eight illustrations John Lennard is Director of Studies at Hughes Hall Cambridge and has also taught for the Universities of London Notre Dame and for the Open University and was Professor of British American Literature at the University of the West Indies Mona 2004 09 *Of Modern Dragons* and other essays on genre fiction 2007 is also available from Lulu *The Rendezvous and Other Stories* Patrick O'Brian, 1995-11-17 A collection of startlingly vivid short stories from Patrick O Brian author of the highly acclaimed Aubrey Maturin series Patrick O Brian has emerged in the opinion of many as one of the greatest novelists in English His fame rests mainly on the achievement of the epic Aubrey Maturin novels but few readers know that O Brian first made his reputation as a writer of short fiction Collected here are twenty seven stories that O Brian wished to preserve stories of uncommon lyricism and beauty that will confirm his rightful place in the front rank of short story writers as well as of novelists Although the tone of this collection ranges effortlessly from the humorous to the dramatic the most characteristic and memorable stories often have to do with a glimpse of savage destructive forces through the fragile shell of human civilization The threatened chaos may be psychological as in *On the Wolfsberg* or it may be lurking in the natural world as in *A Passage of the Frontier* or as in the dark masterpiece *The Chian Wine* it is suddenly discovered in the ancient irrational impulses of human nature The setting may be the marshes of western Ireland the Pyrenees or the claustrophobic confines of a clockmender's house but each story is a showcase for Patrick O Brian's fresh and meticulous prose each story reaffirms his sympathetic understanding of human passion and suffering This collection proves that O Brian is not simply the master of a genre but an author who will long be honored as one of our most eminent literary figures

Slow Boat to China and Other Stories Kim Chew Ng, 2016-03-01. Dream and Swine and Aurora Deep in the Rubber Forest Fish Bones Allah's Will Monkey Butts Fire and Dangerous Things. Ng Kim Chew's stories are raw, rural, and rich with the traditions of his native Malaysia. They are also full of humor and spirit, demonstrating a deep appreciation for human ingenuity in the face of poverty, oppression, and exile. Ng creatively captures the riot of cultures that roughly coexist on the Malay Peninsula and its surrounding archipelago. Their interplay is heightened by the encroaching forces of globalization, which bring new opportunities for cultural experimentation but also an added dimension of alienation. In prose that is intimate and atmospheric, these sensitively crafted, resonant stories depict the struggles of individuals torn between their ancestral and adoptive homes, communities pressured by violence and minority Malaysian Chinese in dynamic tension with the Islamic Malay majority. Told through relatable characters, Ng's tales show why he has become a leading Malaysian writer of Chinese fiction, representing in mood, voice, and rhythm the dislocation of a people and a country in transition.
