When Mrs Spring Fragrance first arrived in Seattle she was unacquainted with even one word of the American language Five years later her husband speaking of her said There are no more American words for her learning And everyone who knew Mrs Spring Fragrance agreed with Mr Spring Fragrance Mr Spring Fragrance whose business name was Sing Yook was a young curio merchant Though conservatively Chinese in many respects he was at the same time what is called by the Westerners Americanized Mrs Spring Fragrance was even more Americanized Next door to the Spring Fragrances lived the Chin Yuens Mrs Chin Yuen was much older than Mrs Spring Fragrance but she had a daughter of eighteen with whom Mrs Spring Fragrance was on terms of great friendship The daughter was a pretty girl whose Chinese name was Mai Gwi Far a rose and whose American name was Laura Nearly everybody called her Laura even her parents and Chinese friends Laura had a sweetheart a youth named Kai Tzu Kai Tzu who was American born and as ruddy and stalwart as any young Westerner was noted amongst baseball players as one of the finest pitchers on the Coast He could also sing Drink to me only with thine eyes to Laura s piano accompaniment Now the only person who knew that Kai Tzu loved Laura and that Laura loved Kai Tzu was Mrs Spring Fragrance The reason for this was that although the Chin Yuen parents lived in a house furnished in American style and wore American clothes yet they religiously observed many Chinese customs and their ideals of life were the ideals of their Chinese forefathers Therefore they had betrothed their daughter Laura at the age of fifteen to the eldest son of the Chinese Government school teacher in San Francisco The time for the consummation of the betrothal was approaching Laura was with Mrs Spring Fragrance and Mrs Spring Fragrance was trying to cheer her I had such a pretty walk today said she I crossed the banks above the beach and came back by the long road In the green grass the daffodils were blowing in the cottage gardens the currant bushes were flowering and in the air was the perfume of the wallflower I wished Laura that you were with me Laura burst into tears That is the walk she sobbed Kai Tzu and I so love but never ah never can we take it together again Woodpecker Point & Other Stories Carmel Bird,1988

With this collection of twenty four stories New Directions introduces to American readers a wonderful new writing voice from Australia Carmel Bird deftly walks the thin line between the ordinary world and the world of the imagination and the fantastic As she has remarked When I read fiction I want the words to take my spirits into the places beneath the surface of the everyday world I want the freshness of dreams to again be revealed to me By turns Carmel Bird s tales are funny sad frightening gentle mysterious matter of fact Her prose is deceptive lucid and seemingly artless yet

surprising a left hook from a white kid glove Woodpecker Point the center piece of this collection perhaps best evinces Carmel Bird's many special qualities in concert above all her unique feeling for the materiality and color of things and for the mystery of the everyday The assembled stories have been chosen from her first book Birth Death and Marriages privately printed in Australia in 1983 on through her most recent work which shows in the concluding pieces Goczka and Every Home Should Have a Cedar Chest a poetic dimension intimated in her earlier writing and now brought to full bloom [The Matador of the Five Towns and Other Stories](#) Arnold Bennett,2025-02-14 Step into the vivid world of Arnold Bennett's The Matador of the Five Towns and Other Stories a masterful collection of short stories that capture the humor drama and everyday struggles of life in England's industrial heartland Set against the backdrop of the Five Towns Bennett's richly detailed tales explore the complexities of human nature ambition and fate From the gripping title story of an unexpected rivalry in the world of bullfighting to poignant and satirical glimpses into working class life each narrative is infused with wit irony and emotional depth Through compelling characters and sharp social observation The Matador of the Five Towns and Other Stories offers a fascinating window into early 20th century life with themes of love deception aspiration and human folly at its core Bennett's storytelling brilliance shines through in this collection making it a must read for lovers of classic literature and insightful social commentary Discover the charm wit and humanity of Arnold Bennett's unforgettable tales grab your copy of The Matador of the Five Towns and Other Stories today [The Pearl Jacket and Other Stories](#) Shouhua Qi,2008-03-01 China's hottest literary genre brings together the traditional the experimental and the avant garde Hugely popular in China flash fiction is poised to be the most exciting new development in contemporary Chinese literature in a decade Integrating both vernacular and contemporary styles while embracing new technologies such as text messaging SMS and blogging contemporary Chinese flash fiction represents the voice of a civilization at the brink of a startling and unprecedented transformation This collection features 120 short short stories from 100 to 300 words each written by some of China's most dynamic and versatile authors Dong Rui's The Pearl Jacket offers a glimpse of the real and surreal in human evolution Chen Qiyu's Butterfly Forever brings an ancient Chinese literary motif into a startling modern context while Liu Jianchao's Concerned Departments mocks the staggering complexity of life in the new urban China Traditional experimental and avant garde The Pearl Jacket and Other Stories will reinvigorate the position of young Chinese writers as a major presence in contemporary literature Their voices breathe new energy into modern Chinese literature leaving the literary and societal stagnation of the Cultural Revolution behind as a distant memory [China Reporting](#) Stephen R. MacKinnon,Oris Friesen,2023-11-10 China Reporting is an oral history showing how the China correspondent of the 1930s and 1940s constructed his or her news reality or the network of facts from which their stories were written How these men and women pooled information and decided upon the legitimacy of particular sources is explored The influences of competition language facility or lack thereof common personal backgrounds camaraderie and changes in American official China policy are also

discussed with special attention paid to the prescriptive gatekeeping role of editors back home This is an approach which has often been applied to the domestic journalist China Reporting is a pioneering effort at using historical perspective to view the foreign correspondent in terms of the total epistemological context in which he or she operates to produce the news that in turn provides the data base upon which the public and policy makers inevitably draw This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987
