The Chinese Renaissance:

The Chinese Renaissance Shi Hu, 1934 **The Chinese Renaissance** Shi Hu, 1923 **The Chinese Renaissance** Shih Hu, 1933 **The Chinese Renaissance** Shih Hu, 2013-10 This is a new release of the original 1934 edition Why China did not have a Renaissance - and why that matters Thomas Maissen, Barbara Mittler, 2018-06-25 Concepts of historical progress or decline and the idea of a cycle of historical movement have existed in many civilizations In spite of claims that they be transnational or even universal periodization schemes invariably reveal specific social and cultural predispositions Our dialogue which brings together a Sinologist and a scholar of early modern History in Europe considers periodization as a historical phenomenon studying the case of the Renaissance Understood in the tradition of J Burckhardt who referred back to ideas voiced by the humanists of the 14th and 15th centuries and focusing on the particularities of humanist dialogue which informed the making of the Renaissance in Italy our discussion highlights elements that distinguish it from other movements that have proclaimed themselves as Renaissance studying in particular the Chinese Renaissance in the early 20th century While disagreeing on several fundamental issues we suggest that interdisciplinary and interregional dialogue is a format useful to addressing some of the more far reaching questions in global history e g whether and when a periodization scheme such as Renaissance can fruitfully be applied to describe non European experiences The Chinese Renaissance ..
