Leadbeater, 2017-11-23 Excerpt from The Christian Creed Its Origin and Signification I have spoken of the ideas originally connected with them I ought perhaps rather to say the ideas connected with the ancient formula upon which all the most valuable portion of them is based For I do not mean to say for a moment that any large number of the members or even of the leaders of the Church which now recites these Creeds have for many a century known their true meaning I do not even claim that the ecclesiastical councils which edited and authorized them ever realized the full and glorious signification of the rolling phrases which they used for much of the true meaning had already been lost much of the materializing corruption had been introduced long before those unfortunate assemblies were convoked About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Christian Creed** C.W.
