Edward Waite's study of the elusive Rosicrucians a secret society which first appeared to the public in Germany in the early 17th century Arthur Edward Waite 1857-1942 more commonly referred to as A. E. Waite was an American born British mystic and poet. He wrote profusely on the subject of the occult and esoteric matters and is famous for being the co-creator of the Rider-Waite Tarot deck. His work arguably constitutes the first attempt to systematically study the history of western occultism which he viewed more of a spiritual tradition than proto-science or pseudo-religion as was the more common conception. Contents include: Mythical Rosicrucian Precursors, Militia Crucifera Evangelica, Alchemists And Mystics, Symbolism Of The Rose And Cross, Fama Fraternitatis, R. C. Confessio Fraternitatis, R. C. The Chemical Nuptials, Authorship Of The Chemical Nuptials, Development Of Rosicrucian Literature etc. Other works by this author include: The Alchemical Writings of Edward Kelly 1893, Turba Philosophorum 1894 and Devil Worship in France 1896. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with the original text and artwork.

The Angel & The Abyss J. Daniel Gunther, 2014-10-01 In this companion to *Initiation in the Aeon of the Child* now available in paperback author J. Daniel Gunther provides detailed and cohesive analysis of the two major spiritual crises in the career of the aspirant in the Aeon of the Child: the Knowledge Conversation of the Holy Guardian Angel and the Crossing the Abyss between the divine realms and the human. Expounding on the sublime Formulas of Initiation confronting those who would aspire to these Mysteries the author draws deeply from Jungian psychology, world mythology and religion and the doctrines of the classic Mystery traditions explaining how the revelations of Thelema apply to the individual. *The Angel & The Abyss* is written in clear, precise language that will aid those students who seek to navigate the difficult terrain of this advanced stage of the Spiritual quest. More knowledgeable students will find tantalizing clues to serve as guideposts and eventual confirmations of their direct experience. The book offers copious illustrations including some in full color and numerous diagrams. It features detailed references that encompass ancient Egyptian hieroglyphic texts, the Old and New Testaments, the Apocrypha, Greek philosophy, alchemy, hermetic qabalah and tarot as well as the writings of Carl Jung, Eric Neumann and Aleister Crowley.

The Shortest Way with Defoe Michael B. Prince, 2020-04-28 A scholarly and imaginative reconstruction of the voyage Daniel Defoe took from the pillory to literary immortality. *The Shortest Way with Defoe* contends that *Robinson Crusoe* contains a secret satire written against one person that has gone undetected for 300 years. By locating Defoe's nemesis and discovering what he represented and how Defoe fought him, Michael Prince's book opens the way to a new account of Defoe's emergence as a novelist. The book begins with Defoe's conviction for seditious libel for penning a pamphlet called *The Shortest Way with the Dissenters* 1702. A question of biography segues into questions of theology and intellectual history and of formal analysis; these questions in turn require close attention to the early reception of Defoe's works especially by those who hated or suspected him. Prince aims to

recover the way of reading Defoe that his enemies considered accurate Thus the book rethinks the positions represented in Defoe s ambiguous alternation and mimicking of narrative and editorial voices in his tracts proto novels and novels By examining Defoe s early publications alongside Robinson Crusoe Prince shows that Defoe traveled through nonrealist nonhistorical genres on the way to discovering the form of prose fiction we now call the novel Moreover a climate or figure of extreme religious intolerance and political persecution required Defoe always to seek refuge in literary disguise And religious convictions aside Defoe s practice as a writer found him inhabiting forms known for their covert deism
