The Family Curse and Other Stories is a collection of short stories ranging from twisted fairy tales to the paranormal. There are ghosts, vampires, and other things which go bump in the night. *Family Curse* M. G. Higgins, 2014 Breaking Family Curses Jonas A. Clark, 2011-03. Stop the curses that visit your family. Demon powers and familiar spirits look for family curses. Family curses are reoccurring problems that steal, kill, and destroy. There are many curses that can plague you from reoccurring sicknesses and marital problems to repeated financial failures. Curses can visit because of relatives up your family tree because God visits the iniquities of the fathers upon the third and fourth generation. You cannot choose your relatives any more than you can choose skin color, gender, or race. Did someone in your family lineage sin against God? Mature believers don't let the demons of family members past alter their futures. It is comforting to know that deliverance from family curses belongs to you. Before you can break the generational curses, you need to identify what they look like. Family curses are real. WORKBOOK to Deliverance from Demonic Covenant and Curses Rev. James Solomon,2024-09-16 While lecturing on spiritual warfare at a Bible school in Japan some years ago I had an encounter with a student who said she was not a born again Christian and had never been to church she was a Buddhist During our conversation she told me she had read so many books on Buddhism but had never read the Bible or read any book about God In my reasoning with her I asked her how was she to know anything about God whom she has not read about If she wanted to know if God is better than Buddha she would need to read the Bible to know who God is She agreed with me and I got her a Bible which she promised to start reading I

believe this encounter and many others are the reasons the Holy Spirit impressed it upon me to put together this deliverance workbook in order to help create an awareness and to enlighten the upcoming generation on this very important subject matter of deliverance that many seem to lack knowledge about This book explains all the major aspects of deliverance and is strongly recommended to all churches ministries ministers of God prayer band intercessory groups prayer ministries Bible schools seminaries and all other Christian organizations worldwide The book addresses various topics such as What is deliverance Satanic kingdoms Can a Christian have demons Satanic initiations and much more Rejecting the teachings on deliverance is sheer ignorance It is time to rise up and build a militant army to join hands with Jesus Christ in destroying the works of the devil 1 John 3 8
