The Family Of Abraham:

The Family of Abraham, 1977 **The Family of Abraham** Carol Bakhos, 2014-06-16 Abrahamic religions has gained currency in scholarly and ecumenical circles as a way to refer to Judaism Christianity and Islam Carol Bakhos steps back from the convention to ask What is Abrahamic about these three faiths She challenges references to Judaism and Islam as sibling religions and warns against uncritical adoption of the term **The Estranged Family of Abraham's God J.** GRATHMORE STRATUS III, 2013-12 The Estranged Family of Abraham's God J Grathmore Stratus III the topic of Arab Israeli and Christian relations often invokes strong emotions and frequent hostility It entails extremely sensitive subject matter and cuts deep to the essence of religious beliefs loyalties and sometimes mortal commitments Anyone who follows international media realizes that every family on Earth is or somehow might be either directly or indirectly affected by a situation that is ever expanding from the Middle East If visiting from another planet it might appear as though Earth was inhabited by one very large dysfunctional family Unlike others who have addressed this issue J Grathmore Stratus III does not imply what anyone should believe or what to conclude Looking through the lens of the family microscope J Grathmore Stratus III provides a fresh new perspective to viewing international relations This study presents considerations that seem to be overlooked by many authors attempting to analyze ancient rivalries that continue to shape the history of mankind In the process readers and listeners gain insight into their own family matters along with hope for reconciliation Biblical and Theological Foundation of the Family Joseph C. Atkinson, 2014 This ground breaking work establishes a solid biblical and theological foundation on which a theology of the family can be constructed It thus fills a critical lack in the current literature on the family The wide range of sources including Jewish Catholic Orthodox and Protestant give this work a genuine ecumenical dimension Biblical and Theological Foundations of the Family will become indispensable for anyone wanting to engage in serious study of the structure and meaning of the family and its place in the salvific will of God **Abraham** Terence E. Fretheim, 2024-03-12 Terence E Fretheim guides readers through the intricacies of Abraham's story in Genesis examines his family and assesses the significant roles this family plays across Judaism Christianity and Islam Fretheim frames the narrative as rooted in the trials of family and faith that define Abraham as the father of three religions **God!** **Instructions to the Family** Margaret Ann Gibson, 2011-06-03 The family unit today has many problems because CHRIST is not the center of it The family can be restored by parents repenting of their sins and obeying GOD's instructions to the family Life is a problem solving process and the Word of GOD has a solution for each one It is not too late to restore the family GOD created the family to be successful This book will share many but not all of the scriptures that GOD gave to the family to practice and train their children *The Family Sunday-book, Or, Pleasant Pages for Sabbath Hours, Etc.
