

THE FANCHER TRAIN

by
Amelia
Bean

A novel about the
massacre at Mountain
Meade during
the Mexican Revolution

The Fancher Train

John Doyle Lee

The Fancher Train:

The Fancher Train Amelia Bean,1958 *Writings of John D. Lee* John Doyle Lee,2002 This selection from the writings of John Doyle Lee include his autobiography his confession regarding the Mountain Meadows Massacre letters poems last words for his families as well as related historical documents regarding his arrest trials and execution The book includes 14 engravings from the 1891 edition as well as a bibliography **The Fancher/ Baker Train from Salt Lake City to Mountain Meadows** Lawrence George Coates,1994 *The World's Bloodiest History* Joseph Cummins,2009 Handsomely illustrated with more than 100 striking sometimes shocking archival images gathered from around the world The World s Bloodiest History combines compelling depictions of momentous events with fascinating character portraits and arresting eyewitness accounts to create an absorbing multifaceted chronicle of a sobering all too human legacy **The Mormon... and Mr. Sullivan** Hugh Wynn,2002-07-24 On the southern rim of the Great Basin north and east of a sun baked ninety mile desert coils lush Mountain Meadows It is a serpentine pass located in what will become Washington County Utah s extreme southwestern corner beginning about eight miles south of the tiny community of Pinto The Meadows five miles in length and generally one mile wide dramatically narrows near its southwest terminus At its midpoint a gentle divide rises and falls between the Basin and the Pacific Slope Life giving fountains gurgle on opposite ends of the valley The large western spring supports a coverlet of coarse mountain grass on the southern surface of the pass s thin ankle An eight foot bank rises from the spring a monument to its ageless trickle Below the bank stretches 300 yards of level ground ideal for encampment On this spot 140 men women and children oxen and mules for forty wagons and six carriages 900 head of thirsty cattle and 250 horses stopped to quench their thirst and to seek temporary refuse from the interminable heat and dust of a four month journey Avenging angels lurked in the canebrakes nearby Vengeance is mine I will repay saith the Lord Legends and Lies Dale L. Walker,1998-11-15 All of history is mystery Dale L Walker says and he proves his point in this lively humorous and rational approach to the West s greatest puzzles Did Davy Crockett for example go down swinging Ol Betsy defending the ramparts of the Alamo or was he captured Who is buried in Jesse James s grave Was the man Pat Garrett shot that night really Billy the Kid How did Black Bart the gentleman bandit disappear Did Sacajawea the famous Bird Woman who scouted for Lewis and Clark die twice The possibilities unfold as Walker brings together little known facts and the elusive connections that shed light on the biggest enigmas of the American West At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Circle the Wagons!* Gregory F. Michno,Susan J. Michno,2008-10-17 It s a cinematic image as familiar as John Wayne s face a wagon train circling as a defensive maneuver against Indian attacks This book examines actual and fictional wagon train battles and compares them for realism It also describes how fledgling Hollywood portrayed the concept of westward migration but as the evolving industry became more accurate in historical detail how filmmakers then lost sight of the big picture *The Canwell Files* M. Kienholz,2012 Court certified expert on

Soviet Communism and controversial figure in the Pacific Northwest Albert Canwell born in Spokane Washington followed his father one time Pinkerton detective with his brother Carl Spokane Public Safety Commissioner and nephew David CIA into law enforcement He married the daughter of a prominent Harvard educated surgeon and raised six children at Montvale Farms on the Little Spokane River Elected Washington State representative Canwell was aptly chosen to investigate the notorious Democratic Capitol Club and served as appointed chairman of the state s un American activities committee After unsuccessful campaigns for Congress Canwell established the American Intelligence Service providing material from his personal files to private parties businesses and government agencies FDA FBI INS His life effective activism and network security experts J B Matthews Louis Budenz and Whittaker Chambers legislators and U S presidents were a lightning rod for approbation and condemnation by friends and enemies Repeated smear campaigns professional agitation and uninformed pseudohistorians left a wake of disinformation and historical inaccuracies about his career and data contained in his files As political historian and biographer Kienholz shares the contents of his files and corrects a web of distortions and propaganda promoted by adherents to Soviet Communism Legal Executions in the Western Territories, 1847-1911 R. Michael Wilson,2010-04-19 This reference work contains details of all the crimes resulting in executions in the fifteen western American territories For each territory entries are arranged chronologically and entered under the name of the condemned Each entry provides the date location background and actions of the crime details of the trial and execution of sentence and references to the crime and execution in contemporary newspapers Shadows of the Past: Chronicles of Life in Antebellum America B. P. Stricker,2025-02-15 Antebellum history often focuses on the national and state circumstances facing the American people at the time From the end of the War of 1812 until the beginning of the Civil War America was struggling to find common ground on numerous problems dividing the country Ultimately the government failed to prevent the outbreak of civil war But behind the scenes during all the decades of political maneuvering ordinary citizens throughout the country were still living their lives People worked married had families and interacted daily Shadows of the Past is about those people Through fifteen intriguing chapters Shadows of the Past offers a unique look into how lesser known changes events and social interactions in cities and towns across the country affected the lives of ordinary citizens A few descriptive incidents will better illustrate the approach of Shadows of the Past Steam power revolutionized how Americans traveled and shipped commodities The new technology was an extreme benefit to the individual the economy and the country as a whole But the steamboat also had its complications This new form of energy had not wholly been mastered and if crews were not adequately trained to operate the dangerous equipment malfunctions could easily occur This is precisely what happened to the Lexington and Princess steamboats The experience of the calamity for the people on the boats and those who witnessed the events is extraordinary Personal honor was a complex set of mores in Antebellum America When a man of honor was dishonored by another the result was often violent retribution It could be a duel legal in some regions but not others or

spontaneous violent retaliation The latter occurred in 1859 when two political newcomers in Washington D C settled a problem involving one of their wives An arrest and trial in the case offered a unique legal defense that had never been successfully attempted in America The Mormons struggled in Antebellum America to establish their religion Incidents across the country forced them to move further and further West But even then they found no peace Constant harassment caused them to develop a more offensive position than they preferred When an emigrant wagon train heading to California in 1857 attempted to cross the Utah Territory in an area known as Mountain Meadows the encounter they had with the Mormons changed their lives and the course of Mormon history Freemasonry in the United States has a long and ancient history It began in America in colonial times and grew to such an extent that its power and influence in the country was without reproach However in 1826 in New York when an offended Freemason who threatened to reveal the fraternity s secrets disappeared without a trace the public began to develop a less friendly attitude toward the secret society The investigation into the missing man s disappearance and what was believed to be murder changed the view of the public toward the Freemasons in America The theater was one of the most popular pastimes during the Antebellum Period It was one of the rare venues where all social classes intermingled much to the chagrin of the upper class whose public etiquette differed significantly from the rabble of the working class Patrons were also passionate about specific actors and tended to extend their loyalty to those who fit their social class When an actor from England insulted the working class followers of an American actor nationalism overflowed into a violent confrontation in 1849 at the Astor Place Opera House The approach of *Shadows of the Past* to historical events and incidents in Antebellum America will captivate the reader and inspire them to reassess the history of the common citizen in the Antebellum Era

Under the Banner of Heaven Jon

Krakauer,2004-06-08 NATIONAL BESTSELLER From the author of *Into the Wild* and *Into Thin Air* this extraordinary work of investigative journalism takes readers inside America s isolated Mormon Fundamentalist communities Now an acclaimed FX limited series streaming on HULU Fantastic Right up there with *In Cold Blood* and *The Executioner s Song* San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City the renegade leaders of these Taliban like theocracies are zealots who answer only to God some 40 000 people still practice polygamy in these communities At the core of Krakauer s book are brothers Ron and Dan Lafferty who insist they received a commandment from God to kill a blameless woman and her baby girl Beginning with a meticulously researched account of this appalling double murder Krakauer constructs a multi layered bone chilling narrative of messianic delusion polygamy savage violence and unyielding faith Along the way he uncovers a shadowy offshoot of America s fastest growing religion and raises provocative questions about the nature of religious belief

A prehistoric and historic cultural resources overview of the Rocky Mountain Pipeline Project area Jeanne K. Swartout,1981

Blood of the Prophets Will Bagley,2012-09-06 The massacre at Mountain Meadows on September 11 1857 was the single most violent attack on a wagon train in the thirty year history of the Oregon and

California trails Yet it has been all but forgotten Will Bagley's *Blood of the Prophets* is an award-winning riveting account of the attack on the Baker-Fancher wagon train by Mormons in the local militia and a few Paiute Indians Based on extensive investigation of the events surrounding the murder of over 120 men, women, and children and drawing from a wealth of primary sources Bagley explains how the murders occurred, reveals the involvement of territorial governor Brigham Young, and explores the subsequent suppression and distortion of events related to the massacre by the Mormon Church and others

Summary of Jon Krakauer's Under the Banner of Heaven Milkyway Media, 2024-02-06 Get the Summary of Jon Krakauer's *Under the Banner of Heaven* in 20 minutes Please note This is a summary, not the original book *Under the Banner of Heaven* delves into the complexities of Mormonism and its offshoots, particularly the Fundamentalist Church of Jesus Christ of Latter Day Saints (FLDS). The book contrasts the mainstream Latter Day Saints (LDS) Church, which disavowed polygamy for mainstream acceptance, with the FLDS, which clings to the practice as a divine command. It recounts the experiences of DeLoey Bateman, an apostate from the FLDS, and the community's fraudulent practices, isolationism, and belief in conspiracies.

Deseret: A Defense and a Refuge Jeffery W. Olsen, 2023-01-06 In this tale, people scattered throughout the world are woven together in the valleys of the Rocky Mountains. Forty years after Napoleon's defeat, the development of modern warfare on the Crimean Peninsula sends reverberations across the globe, alerting all of the growth in technology, the precursor of the US Civil War in weapons and tactics, as well as the needs of multitudes of dispossessed and underrepresented. The shrinking planet is growing crowded. The bumping into one another becomes increasingly violent. Women and men stand to be counted, molded of numerous talents and abilities, striving for relief and equality, demanding rights and opportunity. Slavery, reservations, women's suffrage, polygamy, and Manifest Destiny are swirled into the murky vat of the United States. Protesting members of the Church of Jesus Christ of Latter Day Saints, known derisively as Mormons, are challenged over religious freedom. Despite the continued criticism heaped upon them for their unique doctrines, missionary work, and its effects spread throughout the nation and the earth, the 1850s see the homeland of Deseret plowing against Bloody Kansas, Buchanan's Blunder, Mountain Meadows, the Sevastopol Policy, the Pony Express, and the Transcontinental Telegraph. These ventures combine with similar troubles and shove the nation into the red-hot furnace of civil war.

The Twenty-Seventh Wife Irving Wallace, 2019-04-27 The big, passionate novel of a woman daring to live and love freely, no matter what the price. She was forced to choose between one man's love and her own pride as a woman Brigham married one woman too many when he took Ann Eliza Webb as his twenty-seventh wife. He was the leader of the polygamous Mormon faith, as powerful in the Utah Territory as the President of the United States. She was a great beauty with a quiet manner and an iron will. For four years, Eliza lived in Brigham Young's harem as his 27th wife. Then one summer morning she walked out, deserting her husband and suing him for divorce.

American Massacre Sally Denton, 2007-12-18 In September 1857, a wagon train passing through Utah, laden with gold, was attacked. Approximately 140 people were slaughtered, only 17 children

under the age of eight were spared This incident in an open field called Mountain Meadows has ever since been the focus of passionate debate Is it possible that official Mormon dignitaries were responsible for the massacre In her riveting book Sally Denton makes a fiercely convincing argument that they were The author herself of Mormon descent first traces the extraordinary emergence of the Mormons and the little known nineteenth century intrigues and tensions between their leaders and the U S government fueled by the Mormons zealotry and exclusionary practices We see how by 1857 they were unique as a religious group in ruling an entire American territory Utah and commanding their own exclusive government and army Denton makes clear that in the immediate aftermath of the massacre the church began placing the blame on a discredited Mormon John D Lee and on various Native Americans She cites contemporaneous records and newly discovered documents to support her argument that in fact the Mormon leader Brigham Young bore significant responsibility that Young impelled by the church s financial crises facing increasingly intense scrutiny and condemnation by the federal government incited the crime by both word and deed Finally Denton explains how the rapidly expanding and enormously rich Mormon church of today still struggles to absolve itself of responsibility for what may well be an act of religious fanaticism unparalleled in the annals of American history American Massacre is totally absorbing in its narrative as it brings to life a tragic moment in our history

The Mormon Rebellion David L. Bigler, Will Bagley, 2014-10-22 In 1857 President James Buchanan ordered U S troops to Utah to replace Brigham Young as governor and restore order in what the federal government viewed as a territory in rebellion In this compelling narrative award winning authors David L Bigler and Will Bagley use long suppressed sources to show that contrary to common perception the Mormon rebellion was not the result of Buchanan s blunder nor was it a David and Goliath tale in which an abused religious minority heroically defied the imperial ambitions of an unjust and tyrannical government They argue that Mormon leaders had their own far reaching ambitions and fully intended to establish an independent nation the Kingdom of God in the West Long overshadowed by the Civil War the tragic story of this conflict involved a tense and protracted clash pitting Brigham Young s Nauvoo Legion against Colonel Albert Sidney Johnston and the U S Army s Utah Expedition In the end the conflict between the two armies saw no pitched battles but in the authors view Buchanan s decision to order troops to Utah his so called blunder eventually proved decisive and beneficial for both Mormons and the American republic A rich exploration of events and forces that presaged the Civil War The Mormon Rebellion broadens our understanding of both antebellum America and Utah s frontier theocracy and offers a challenging reinterpretation of a controversial chapter in Mormon annals

It Happened at Grand Canyon Todd R. Berger, 2015-12-01 The Grand Canyon is an American icon a scenic wonder like no other From the several Native American tribes who have called Grand Canyon home to swashbuckling pioneers to an airliner collision over the canyon that led to the formation of the FAA It Happened at Grand Canyon tells the history of this colossal magnificent place

The Colony Sally Denton, 2022-06-28 A Publishers Weekly Summer Reads Selection The Colony is one of the most gripping and disturbing true

stories I've ever come across Douglas Preston An investigation into the November 2019 killings of nine women and children in Northern Mexico an event that drew international attention The Colony examines the strange little understood world of a polygamist Mormon outpost On the morning of November 4 2019 an unassuming caravan of women and children was ambushed by masked gunmen on a desolate stretch of road in northern Mexico controlled by the Sinaloa drug cartel Firing semi automatic weapons the attackers killed nine people and gravely injured five more The victims were members of the LeBaron and La Mora communities fundamentalist Mormons whose forebears broke from the LDS Church and settled in Mexico when their religion outlawed polygamy in the late nineteenth century The massacre produced international headlines for weeks and prompted President Donald Trump to threaten to send in the US Army In The Colony bestselling investigative journalist Sally Denton picks up where the initial incomplete reporting on the attacks ended and delves into the complex story of the LeBaron clan Their homestead Colonia LeBaron is a portal into the past a place that offers a glimpse of life within a polygamous community on an arid and dangerous frontier in the mid 1800s though with smartphones and machine guns Rooting her narrative in written sources as well as interviews with anonymous women from LeBaron itself Denton unfolds an epic disturbing tale that spans the first polygamist emigrations to Mexico through the LeBarons internal blood feud in the 1970s started by Ervil LeBaron known as the Mormon Manson and up to the family's recent alliance with the NXIVM sex cult whose now imprisoned leader Keith Raniere may have based his practices on the society he witnessed in Colonia LeBaron The LeBarons tense but peaceful interactions with Sinaloa deteriorated in the years leading up to the ambush LeBaron patriarchs believed they were deliberately targeted by the cartel Others suspected that local farmers had carried out the attacks in response to the LeBarons seizure of water rights for their massive pecan orchards As Denton approaches answers to who committed the murders and why The Colony transforms into something more than a crime story A descendant of polygamist Mormons herself Denton explores what drove so many women over generations to join or remain in a community based on male supremacy and female servitude Then and now these women of Zion found themselves in an isolated desert navigating the often mysterious complications of plural marriage and supported Denton shows only by one another A mesmerizing feat of investigative journalism The Colony doubles as an unforgettable account of sisterhood that can flourish in polygamist communities against the odds
