The Father Of Pharaohs Daughter:

The Father of Pharaoh's Daughter Charles S. Robinson, 2005-12 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. *Pharaoh's Daughter*, 1868 *Pharaoh's Daughter* Edw. Cliborn, 1868 □□□□ [Bithyāh.] *Pharaoh's Daughter: an Ἀνθρωπολογικὰλ drama, on the plan of the mystery and parable play, developed from Herodotus's narrative of the spoliation of the treasury of Rhampsinitus, the monuments of Thothmes III., the Song of Songs, etc. (Followed by "Evidence, Greek, Hebrew, and Egyptian in favour of the original reality of the story of stories as developed in the parable play of Pharaoh's Daughter.")* [By E. Clibborn.] , 1868 *Bethia ... Pharaoh's Daughter: An ... Drama, on the Plan of the Mystery and Parable Play, developed from Herodotus's Narrative of the Spoliation of the Treasury of Rhampsinitus, the Monuments of Thothmes III., the "Song of Songs", etc*, 1868 **Transliterated Hebrew text Pharaoh's daughter: an anthropological drama by E. Clibborn** Edward Clibborn, 1868 *Fathers and Daughters in the Hebrew Bible* Johanna Stiebert, 2013-03-28 The father-daughter dyad features in the Hebrew Bible in all of its narratives, laws, myths and metaphors. In previous explorations of this relationship, the tendency has been to focus on discrete stories, notable among them Judges 11, the story of Jephthah's human sacrifice of his daughter, and Genesis 19, the dark tale of Lot's daughters' seduction of their father. By taking the full spectrum into account, however, the daughter emerges prominently as not only expendable and exploitable, as an emphasis on daughter sacrifice or incest has suggested, but as cherished and protected by her father. Depictions of daughters are multifarious, and there is a balance of very positive and very negative images. While not uncritical of earlier feminist investigations, this book makes a contribution to feminist biblical criticism and utilizes methods drawn from the social sciences and psychoanalysis. Alongside careful textual analysis, Johanna Stiebert offers a critical evaluation of the heuristic usefulness of the ethnographic honour/shame model of parallels with Roman family studies and of the application and meaning of patriarchy. Following semantic analysis of the primary Hebrew terms for father and daughter, as well as careful examination of inter-family dynamics and the daughter's role vis-à-vis the son's, alongside thorough investigation of both Judges 11 and Genesis 19, and also of the metaphor of God the father of daughters, Eve Wisdom and Zion Stiebert provides the fullest exploration of daughters in the Hebrew Bible to date. **Pharaoh's Daughter** Anonymous, 2023-09-26 Reprint of the original first published in 1874. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost. *Daughters in the Hebrew Bible* Kimberly D. Russaw, 2018-03-15 While the expectations and circumstances of women's lives in ancient Israel have received considerable attention in recent scholarship, to date little attention has been

focused on the role of daughters in Hebrew narrative that is of yet unmarried female members of the household who are not yet mothers Kimberly D Russaw argues that daughters are more than foils for the males fathers brothers etc in biblical narratives and that they often use particular tactics to navigate antagonistic systems of power in their worlds Institutions and power structures favor the patriarch sons inherit such privileges and benefits and wives and mothers are ascribed special status because they ensure the patrilineal legacy by birthing sons but daughters do not receive such social favor or standing Instead of privileging daughters systems and institutions control their bodies restrict their access and constrict their movement Combining philological data social science models and cross cultural comparisons Russaw examines the systems that constrict biblical daughters in their worlds and the strategies they employ when hostile social forces threaten their well being

The Father's Secret Billy Boyd Lavender,2021-07-30 Like sands through an hourglass there will come a time when our Father in heaven will reveal the secret that only he holds not the Son nor the angels but the Father only That moment in this day and the hour that no one knows will occur in the twinkling of an eye Within a very short period after this not to exceed several months the Antichrist will sign a seven year peace treaty between Israel and the Arab nations The signing of this peace treaty begins the earth's last 1007 year countdown The first mention of this peace treaty is found in Daniel 9 27 In hindsight we can understand why it made Daniel sick since the vision was given to him centuries before Christ was born Daniel and the Revelation of Christ to John are closely related and chronologically explain these 1007 years When the Father's secret is revealed the generation of believers alive at that time will be changed to immortality and into an imperishable body suited for the New Jerusalem and eternity
