The Fathers And Other Fiction

Lewis P. Simpson

The Fathers And Other Fiction:

The Fathers, and Other Fiction Allen Tate, 1977 Since its publication *The Fathers* has been recognized generally as one of the novels that most effectively embodies the modern literary image of the South To this his only novel Allen Tate brought all of the themes and emotions that held his attention in the thirties and forties Set in Virginia in the months just before the beginning of the Civil War and during the early period of the fighting his story is concerned with the meaning behind the aristocratic codes and with the clash in philosophies between the new order and traditional society In the deepest sense it is an inquiry not only into the meaning of southern memory and history but also into the crisis of modern civilization Back cover

The Fathers and Other Fiction Allen Tate, 1977-01-01 *Three Catholic Writers of the Modern South*, 1985

Fathers in Victorian Fiction Natalie McKnight, 2011-08-08 This book examines the changing roles of fathers in the nineteenth century as seen in the lives and fiction of Victorian authors Fatherhood underwent unprecedented change during this period The Industrial Revolution moved work out of the home for many men diminishing contact between fathers and their children Yet fatherhood continued to be seen as the ultimate expression of masculinity and being involved with the lives of one's children was essential to being a good father Conflicting and frustrating expectations of fathers and the growing disillusionment with other paternal authorities such as church and state yielded memorable portrayals of fathers from the best novelists of the age The essays in this volume explore how Victorian authors the Brontës Dickens Gaskell Trollope Eliot Hardy and Elizabeth Sewall and Mary Augusta Ward responded to these tensions in their lives and in their fiction The stern Victorian father cliché persisted but it was countered by imaginative involved albeit faulty fathers and surrogate fathers This volume poses fathering questions that are still relevant today What does it mean to be a good father And with distrust in patriarchal authorities continuing to increase are there any sources of authority left that one can trust The Fable of the

Southern Writer Lewis P. Simpson, 2003-10-14 With a breadth and depth unsurpassed by any other cultural historian of the South Lewis Simpson examines the writing of southerners Thomas Jefferson John Randolph Mark Twain Robert Penn Warren Allen Tate William Faulkner Elizabeth Madox Roberts Arthur Crew Inman William Styron and Walker Percy Simpson offers challenging essays of easy erudition blessedly free of academic jargon They do not propose to support an overall thesis but simply explore the southern writer's unique relationship with his or her region bereft of myth and tradition in the grasp of science and history Library Journal **The Family Saga in the South: Generations and Destinies** Robert O.

Stephens, 1995 *Masculinity and Syrian Fiction* Lovisa Berg, 2021-11-18 What can novels tell us about masculinity in Syria In this book Lovisa Berg explores over 20 Syrian novels covering the last 50 years of the 20th century Uniquely she examines only female writers in order to gauge the changing ways in which Syrian women perceived the function of masculinity and the impact certain attitudes towards masculinity have on men women children and Syrian society from a female perspective The works of writers from Kulit Khuri to Usayma Darwish are analysed to explore changing attitudes to gender in Syria and

the Middle East as well as the political upheavals within the country and region We see the idealistically portrayed men in the novels of female authors in the 1950s give way in time to a more critical depictions of patriarchy Above all we see through the use of novels a plethora of critiques of masculine hegemony in Syrian society the authors of which are able with the use of fiction to reorganise and question maleness in a way denied to them in reality This book will be of interest to scholars of Contemporary Syrian and Arabic Literature Masculinity Studies and Women s Studies *The Chilean*

Dictatorship Novel Helene Carol Weldt-Basson,2024-06-01 Though the civil rights abuses by the Pinochet dictatorship in Chile 1973 1990 were later recognized by reparations and truth commissions the difficult emotions suffered by the victims and their families were often pushed into the background or out of the national conversation entirely In response novelists began writing memory of feelings experienced during the dictatorship into their books In *The Chilean Dictatorship Novel* Weldt Basson examines fifteen novels and one testimony written on the topic of dictatorship to illustrate how these Chilean narratives center on affect and emotions Each chapter focuses on a different emotion feelings of loss because of father abandonment and spatial injustice caused by the neoliberal urbanization of Santiago despair articulated through tragic romances and affective landscapes left wing nostalgia and melancholia communicated through allegory feelings of abjection caused by torture and betrayal and the creation of affect through violent events aggressive child play and sexual torture Through a close look at the work of Jos Donoso Ariel Dorfman Diamela Eltit Carlos Franz and Nona Fernandez among others Weldt Basson effectively argues that by inspiring emotion and creating empathy within readers the authors of these books instill a drive in the readers for ongoing social justice advocacy thereby transforming the process of reading into a platform for future action Weldt Basson s landmark study will serve as a basis for the future study of Latin American literature for decades to come **Christ the Form of Beauty** Francesca Aran Murphy,1995-03-04 Reveals the importance of the sacramental imagination as the key to the renewal of Christology and of modern Christian literature

Clinical Fictions Jeffrey Berman,2025-07-14 *Clinical Fictions* Psychoanalytic Novelists and Short Story Writers is the first book to explore works of fiction written by prominent psychoanalysts Broken down into thematic sections the book traces the literary output of pioneering psychoanalysts such as Julia Kristeva Bruce Fink Thomas Odgen and Gregorio Kohon among others Berman looks at works of historical fiction detective fiction and the short story and shows how recurring themes typical of these genres can be understood both psychoanalytically and through a literary lens The works included investigate experiences of childhood adversity life in dystopian societies experiences of psychosis bodily autonomy personal loss and above all trauma Unpacking these themes and their depiction through fiction Berman gives the reader the tools to apply psychoanalytic literary theory to further works Interweaving his personal correspondence with authors including a heartwarming exchange with Cliff Wilkerson Berman offers unparalleled access to the inner workings of the writers minds This book will be of interest to students and researchers using psychoanalytic literary theory as well as mental health practitioners who are

interested in the intersections between literature and psychoanalysis and discovering new ways of probing the unspoken and unconscious

Loser Sons Avital Ronell, 2012-01-30 There are sons who grow up unhappily believing that no matter what they do they cannot please their fathers Often unable to shed their sense of lifelong failure either they give up and suffer in a permanent sulk or they try with all their might to prove they are worth something after all These are the loser sons a group of historical men as varied as President George W Bush Osama bin Laden and Mohammed Atta Their names quickly illustrate that not only are their problems serious but they also make serious problems for others expanding to whole nations When God is conceived and inculcated as an angry and impossible to please father the problems can last for generations In *Loser Sons* Avital Ronell draws on current philosophy literary history and political events to confront the grim fact that divested boys become terrifying men This would be old news if the problem didn't recur so often with such disastrous consequences Looking beyond our current moment she interrogates the problems of authority paternal fantasy and childhood as they have been explored and exemplified by Franz Kafka Goethe's *Faust* Benjamin Franklin Jean-François Lyotard Hannah Arendt Alexandre Kojève and Immanuel Kant Brilliantly weaving these threads into a polyvocal discourse Ronell shows how with their arrays of powerful symbols ideologies of all sorts perpetuate the theme that while childhood represents innocence adulthood entails responsible cruelty The need for suffering preferably somebody else's has become a widespread assumption not only justifying abuses of authority but justifying authority itself Shockingly honest *Loser Sons* recognizes that focusing on the spectacular catastrophes of modernity might make writer and reader feel they're engaged in something important while in fact what they are engaged in is still only spectacle To understand the implications of her insights Ronell addresses them directly to her readers challenging them to think through their own notions of authority and their responses to it

Daughters, Fathers, and the Novel Lynda Marie Zwinger, 1991 Interprets the fundamental relationship between fathers and daughters in fiction as the father proposing and the daughter either accepting or refusing Considers a wide range of works and writers from *Little Women* and *Huckle Finn* to Henry James and *The Story of O* Paper edition unseen 12 95 Annotation copyrighted by Book News Inc Portland OR

Memories and portraits Robert Louis Stevenson, 1898 *The Cambridge Companion to the Twentieth-Century English Novel* Robert L. Caserio, 2009-04-30 The twentieth century English novel encompasses a vast body of work and one of the most important and most widely read genres of literature Balancing close readings of particular novels with a comprehensive survey of the last century of published fiction this Companion introduces readers to more than a hundred major and minor novelists It demonstrates continuities in novel writing that bridge the century's pre and post War halves and presents leading critical ideas about English fiction's themes and forms The essays examine the endurance of modernist style throughout the century the role of nationality and the contested role of the English language in all its forms and the relationships between

realism and other fictional modes fantasy romance science fiction Students scholars and readers will find this Companion an indispensable guide to the history of the English novel The History of Fiction John Colin Dunlop,1845 **The History of Fiction** John T. Dunlop,1825 *Irish American Fiction from World War II to JFK* Beth O'Leary Anish,2021-11-02 Irish American Fiction from World War II to JFK addresses the concerns of Irish America in the post war era by studying its fiction and the authors who brought the communities of their youth to life on the page With few exceptions the novels studied here are lesser known works with little written about them to date Mining these tremendous resources for the details of Irish American life this book looks back to the beginning of the twentieth century when the authors immigrant grandparents were central to their communities It also points forward to the twenty first century as the concerns these authors had for the future of Irish America have become a legacy we must grapple with in the present *Unbored* Joshua Glenn,Elizabeth Foy Larsen,2013-07-18 Unbored is the book every modern child needs Brilliantly walking the line between cool and constructive it s crammed with activities that are not only fun and doable but that also get kids standing on their own two feet If you re a kid you can Build a tipi or an igloo Learn to knit Take stuff apart and fix it Find out how to be constructively critical Film a stop action movie or edit your own music Do parkour like James Bond Make a little house for a mouse from lollipop sticks Be independent Catch a bus solo or cook yourself lunch Make a fake exhaust for your bike so it sounds like you re revving up a motorcycle Design a board game Go camping or glamping Plan a road trip Get proactive and support the causes you care about Develop your taste and decorate your own room Make a rocket from a coke bottle Play farting games There are gross facts and fascinating stories reports on what stuff is like home schooling working in an office Q As with inspiring grown ups extracts from classic novels lists of useful resources and best ever lists like the top clean rap songs stop motion movies or books about rebellion Just as kids begin to disappear into their screens here is a book that encourages them to use those tech skills to be creative try new things and change the world And it gets parents to join in Unbored is fully illustrated easy to use and appealing to young and old girl and boy Parents will be comforted by its anti perfectionist spirit and humour Kids will just think it s brilliant
