The Female The Tree And Creation:

The Female, the Tree, and Creation James N. Judd Ms. D. D. D., 2001-04-09 At the beginning of this new millennium there is an increasing tension between the doctrines of both orthodox Christianity and Judaism and the changing beliefs of modern society This is particularly noticeable in such areas as the role of women the human relationship with God and life after death as new ideas clash with religious dogmas that based upon a literal acceptance of the Creation Story in Genesis suggest the inferiority of women the inherent sinfulness of humanity an active Devil and an everlasting Hell When this ancient Hebrew Paradisial tale is considered as a myth however rather than historical fact and interpreted from the perspective of what the Jewish mystics kabbalists say was the original intent then all the weak and demeaning ideas are removed When Adam Eve the serpent tree etc are read as archetypal figures an entirely different meaning is revealed that removes the confusion which is contributing to the existing tensions in society This understanding presents a new constructive look at Scripture for a wide audience of both Christian and Jewish women and men as well as those who are outside those two faiths with the exception of the most orthodox Jews and those fundamentalist Christians who insist on a literal reading of the Bible The Female the Tree and Creation 1 explains the original meaning of the Adam and Eve tale as interpreted by Jewish kabbalists 2 traces the themes of the Creation Story e g the role of women human relationship with God sin evil etc through Judaism and early Christianity and their evolvment in public consciousness orthodox religion and other spiritual teachings up to the present time 3 shows the practical value of Kabbalah in helping to resolve the controversies of today irrespective of ones cultural or religious background and 4 interprets historical trends to logically suggest the likely direction of mans consciousness and institutionalized religion in the 21st century 5 This manuscript is enhanced by separate Introductions from Rabbi Gelberman New York and Dr Carol Parrish Harra President Sancta Sophia Seminary Oklahoma 6 The length of the manuscript is approximately 66 000 words and consists of six chapters and an Appendix A condensed outline follows Chapter One The Significance of Myth Uses illustrative stories to explain the value of myth and how the Creation Story fits a mythical pattern Chapter Two Symbols in the Adam and Eve Story An in depth explanation and historical background of the various symbols Tree Serpent etc that appear in this story Chapter Three The Source The source of the Creation Story symbols particularly the female and the serpent I Moses and Egypt II Mythic Formation How and why the Creation Story was constructed along the lines of kabbalstic mysticism to covertly deliver a message of the sacredness of the female the divinity of humanity and the nature of sin and evil Chapter Four Jewish Mysticism and the Creation Story I Jewish Mysticism Explains Jewish mysticism traces the early evolvment of Kabbalah and explains the kabbalists concept of the Sefirot II The Sefirot and Creation An in depth explanation of Kabbalah as it relates to the Creation Story to show the original intended meaning of this tale Chapter Five Sin Guilt and Evil I Jewish Thought II Christian Thought The why and how the sense of sin guilt and evil that pervades the theological presentation of the Creation Story became a part of Jewish and Christian thought The

viewpoint of Jewish and Christian mysticism Chapter Six Past Present and Future I Cyclical Changes Comparison of the radical disruption of traditional religious ways that to *The Case for Lilith* Mark Biggs,2010-03-24 The legend of Lilith is undoubtedly the most fantastic of all ancient rabbinic myths According to lore God created her from dust alongside Adam However Lilith was a failed mate She was not animated by the breath of God like Adam Rather she was preemptively animated by a Satanic mist which erupted from the ground Lilith rebelled against Adam and became the infamous Serpent who deceived Eve and caused Adam to fall Therefore God established eternal enmity between the Serpent Lilith and Eve and between their seed Lilith s seed would bruise the heel of Eve s promised seed Messiah but Eve s seed would revive to crush Lilith s head This book reveals 23 Biblical evidences that prompted ancient rabbis to conclude the various elements of Lilith s legend It also explains how her legend is completely consistent with traditional Judaic Christian teachings on the Bible s redemptive message Her legend solves many ancient Biblical mysteries such as why the Serpent bears seed like Eve

Secret Teachings of Moses Aunel va Daath,2025-01-01 Moses the great patriarch in the heart of Judaism Christianity and Islam wrote the first five books of the Bible or Tanakh perhaps the most influential books in Western history Yet because they were written in Hebrew a highly symbolic and deeply mystical language few have revealed the true meanings of the stories and events he described When you know the Hebrew letters and the structures of Kabbalah the secret teachings of Moses radiate with stark clarity and echo throughout the entire range of Jewish and Christian scriptures especially in the Gospels of Jesus This book focuses on the second chapter of Genesis Bereshit which establishes the foundation of the Jewish and Christian religions With this knowledge you can understand the true meaning of Adam and Eve the Garden of Eden the presence of the serpent and all of the rest of the teachings that follow these symbols Yet this is not merely scholarly theology by understanding what Moses actually wrote anyone can see the true basis of human suffering and how to change it **The Tree of Worlds** Jesse T. Made in God's Image? Penny H. Jolly, Penny Howell Jolly, 1997-01-01 The stunning mosaics that illustrate the story of Creation in the church of San Marco in Venice are the focus of Penny Howell Jolly s compelling and provocative book Scholars of medieval art have long been interested in the Genesis mosaics because they copy a nearly destroyed fifth century illuminated Greek manuscript known as the Cotton Genesis But instead of seeing the mosaics as a vehicle for reconstructing a lost cycle of paintings Jolly presents them as a social document revealing the essential misogyny that existed in thirteenth century Venice Jolly analyzes more than twenty scenes one by one in narrative order and her perceptive reading goes well beyond what the Genesis Vulgate text says about Eve and Adam The mosaics establish Eve as the culpable character from the very moment of her Creation says Jolly and depict her as dangerous and unrepentant at the end Incorporating both feminist religious and narratological studies Jolly poses important questions on the nature of visual language as opposed to verbal language The very ability of visual forms to recall a rich variety of references is one source of their power and propaganda must have enough breadth of reference to be read by diverse groups The San Marco cupola Jolly maintains is dealing in powerful propaganda and her pictorial observations offer an articulate and refreshing new view of this well known work
