Burt Bacharach whom Chandler interviewed for the book Dietrich had an outstanding second career Dietrich spoke candidly with Chandler about her unconventional private life although she never divorced her husband Rudi Sieber she had numerous well publicized affairs with his knowledge and he had a longtime mistress with her approval By the late 1970s plagued by accidents Dietrich had become a virtual recluse in her Paris apartment communicating with the outside world almost entirely by telephone Marlene Dietrich lived an extraordinary life and Marlene relies extensively on the star's own words to reveal how intriguing and fascinating that life really was [Marlene Dietrich](#) Maria Riva,1995-06-21 Portrait of the German film star Marlene Dietrich from her first small part in German play in 1923 to her 1962 production of Black Fox **The Films of Josef Von Sternberg** Andrew Sarris,1966 From the Peter Neil Issacs collection **Marlene Dietrich** Charles Silver,1974

Marlene Dietrich: The Movie Guide Chris Wade,2019-12-17 Chris Wade examines the films of the legendary Marlene Dietrich from her early days in silent German cinema through her iconic collaborations with director Josef von Sternberg and beyond This illustrated movie guide includes pieces on such films as Morocco The Blue Angel Dishonoured Shanghai Express Blue Venus Stage Fright Witness to the Prosecution Touch of Evil and many more **Blue Angel** Donald Spoto,2000 Marlene Dietrich's story spans Germany's cabarets Hollywood's silver screen and beyond *The Films of Marlene Dietrich, the Cinema Triumphs of Josef Von Sternberg, the Films of W.C. foundation of exoticism Of course the mythical qualities of Dietrich's image were no accident Her most famous director Josef von Sternberg did his best to accentuate the foreign and exotic nature of his most famous actress and in conjunction with that the most famous images of Dietrich portray her glowing face juxtaposed against a shadowy silhouette with the ornamental composition making it seem almost as though she were an artificial creation Her life off screen was no less exotic as they were filled with an endless string of affairs that only enhanced the Marlene Dietrich myth At the same time however there is a complexity to her performances that extends far beyond the artificiality of the costumes and the sensuality of her appearance The significance of Dietrich's career lies in the way that she combined feminine sensuality with masculine independence she may have introduced a more overt form of female sexuality to cinema but her films also inaugurated a female independence that had yet to surface in Hollywood Moreover the narrative of her life reveals much about both German and Hollywood as well as the cabaret culture of Berlin and the politics of Nazi Germany and America before and after World War II Film stars become famous for their performances but they are not separate from the cultures in which they operate Legends of Hollywood The Life and Legacy of Marlene Dietrich profiles the life and career of one of Hollywood's most iconic actresses Along with pictures of important people places and events you will learn about Marlene Dietrich like you never have before in no time at all
