The Final Exodus:

The Final Exodus Apostle Frederick E. Franklin, 2013-10-24 THE FINAL EXODUS is our 47th forty seventh Book which we have written This is the most important and powerful Book that we have written This Book also like all of our previous 46 forty six Books was written because God told us to write it You will agree with us no other Book ever written is as enlightening as this Book with the exception of the Holy Bible This Book is wonderfully informative This Book will turn the world upside down God will use this Book to get all of our Books distributed throughout the earth Although we are little known at this time this Book will make us known by all the world saved and non saved This Book will facilitate Apostle Frederick E Franklin establishing God s end times Church This Book will facilitate my death and my wife s Prophetess Sylvia Franklin s death when God get ready for us to die God has said that we would not die until we allow it to happen God will say to us at that time let them do what they will the sooner they do it the sooner we will be with him **The Final Exodus:**

Deciphering the Book of Revelation Christine Paxson, Rose Spiller, 2022-09-01 What is it about the Book of Revelation Some treat it like a futuristic comic book Some consider it is too complex to try to understand Some worry about getting the interpretation wrong or worse on getting it right Some read it trying to break the code as if John wrote the book in a secret code expecting Christians to try and crack it And then there are those who are terrified of the book and the images so they just avoid it altogether For them ignorance is bliss The Final Exodus is a theologically sound scriptural approach to the Book of Revelation Authors and podcasters Christine Paxson and Rose Spiller examine questions such as Where have we seen this before Is this passage meant to be taken literally symbolically or metaphorically Has this passage already been interpreted somewhere else in Scripture Does our conclusion of the passage line up with everything else in the Bible Is this passage telling us something new or is it a picture of something already seen in the Old Testament or in other parts of the New Testament Using the same careful and systematic exegesis that should be used for interpreting all books of the Bible The Final Exodus brings clarity and understanding to a book that is often misinterpreted in chaotic and irresponsible ways

The Final Exodus William Carr Blood, 2006-02-01 Scripture Tells Us in the last days scoffers will come saying where is the promise of His coming For since the fathers fell asleep all things continue as they were from the beginning of creation 2 Peter 3 3 4 These scoffers were silenced forever when the Nation of Isarel was re established in 1948 Israel is not only the greatest prophetic miracle since the life of Jesus of Nazareth but it is a brilliant signpost pointing to the last days foretold in both the Old and New Testaments The current immigration of Jews to Israel will be their Final Exodus from foreign nations God has told them and I will plant them upon their land and they shall no more be pulled up out of their land Amos 9 15 The Final Exodus outlines our mandates to pray for God s chosen people to help them return to Israel and to provide for their safety in times of persecution **The Final Exodus** Mark Sides, 2005-06-01 This book is about Bible prophecy on the cutting edge of what is happening in our days The days of restoration are coming at us The Final Exodus Glenn Pollert, 1993

Kimbrough,2020 **The Final Exodus; Or, the Restoration to Palestine of the Lost Tribes, the Result of the Present Crisis, Etc** ,1854 [The Final Exodus](#) Wayne D. Connolly,2004-07-01 There have been many attempts to terminate the hostilities between the Palestinians and Israel Various forms of two basic resolutions have failed miserably The real solution has nothing to do with the aforementioned attempts This book delineates the evolution of the hostilities and it demonstrates the Arab and Israeli concerns the U S perspective and the benefits for the State of Israel and the Arab world for its implementation The previous peace accords have not been successful because they have failed to address the fundamental problems which exist between these two bellicose neighbors Even should another plan be offered that is acceptable to both heads of state the radical elements on both sides would violently terminate its ratification The world has waited fifty six years for a viable answer to this conundrum Concomitantly the resolution of this conflict will end the most salient reason for worldwide terrorism *The Final Exodus; Or, The Restoration to Palestine of the Lost Tribes, the Result of the Present Crisis; with a Description of the Battle of Armageddon, and the Downfall of Russia, as Deduced Wholly from Prophecy* Palestine. Appendix,1854 [Final Exodus](#) Nacovin J Norman Ed S,2025-04-17 Final Exodus The Reckoning The battle for truth has begun The war for identity is here And the world will never be the same In Final Exodus The Reckoning the global awakening ignites a war between those who seek to reclaim stolen history and those who will do anything to keep it buried Across continents from the streets of America to the sacred lands of Jerusalem the resistance faces an unprecedented assault as governments institutions and shadow organizations launch their final campaign to suppress the truth As Dr Amina Bediako unveils groundbreaking genetic and historical evidence connecting the descendants of the transatlantic slave trade to the ancient Israelites she finds herself at the center of a deadly conspiracy Pastor Samuel Matthews caught between his faith and an undeniable revelation must decide whether to risk everything to lead his people through the greatest upheaval of their time Miguel Rivera an organizer in Miami watches as his movement is infiltrated and his allies vanish forcing him to make a choice fight back or be silenced forever Meanwhile a covert war erupts in the halls of power Global leaders terrified of losing control conspire to dismantle the movement before it reaches critical mass But the prophecy cannot be stopped As nations crumble alliances shift and the final deception is revealed an unexpected figure steps forward in Jerusalem fulfilling a long foretold warning With biblical prophecy real world science and historical truths woven into a high stakes thriller Final Exodus The Reckoning is more than a novel it is a call to awaken The question is not whether history will be rewritten but whether the world is ready for what comes next The final war is here Are you ready for The Reckoning [The Book of Revelation: A Practical Survey](#) Stephen Dray,2013-01-08 A practical guide that explains the pastoral relevance of this mysterious book to today [Abbot Joachim of Fiore and Joachimism](#) E. Randolph Daniel,2024-10-28 In the articles included in this collection Professor Daniel argues that Abbot Joachim of Fiore was a disciple of Bernard of Clairvaux whose tertius status was reformist not millenialist Like the

other reformists Gerhoch of Reichersberg and Hildegard of Bingen Joachim looked forward to the coming of a thoroughly reformed holy church to be achieved in the near future by reform of the episcopate and the clergy The status of the Holy Spirit was the culmination of the preceding status not a radically new beginning Apocalypticism in both its reformist and in its imperialist versions was part of the mainstream despite the efforts of the schoolmen to suppress it The author also sheds significant new light on apocalyptic thinking in the mid fourteenth century with a thorough analysis of Henry of Kirkstede's *vade mecum* Cambridge Corpus Christi 404 and his first edition of Henry's *De antichristo et de fine mundi* This study and three others are published here for the first time *Armageddon* Grant R. Jeffrey, 2009-02-04 As the world rushed toward the new millennium many were asking Is the Year 2000 significant in the plan of God Are we the generation that will see the return of Christ Will Israel actually rebuild the Temple Why are the Arabs willing to go to war over Jerusalem Why are the nations arming for Armageddon Grant R. Jeffrey has thoroughly revised and expanded his prophetic best selling book *Armageddon* with more than eighty pages of incredible research that will give you the real story behind the fast breaking news from Washington Europe and the Middle East Over half a million readers enjoyed the first edition Now for the rest of the story This book will challenge you with its unique discovery that virtually every major event in the history of Israel has occurred on the anniversary of Feast of the Passover Pentecost Feast of Tabernacles etc Discover the mysterious role of the ark of the covenant in Israel's past and its role in the rebuilding of the temple in our day Explore powerful prophecies that prove that Jesus is the Messiah Twenty prophetic signs warn our generation to prepare for the glorious return of Jesus Christ

confronting head on the romanticized version of Texas history that made heroes out of Houston Lamar and Baylor Anderson helps us understand that the history of the Lone Star state is darker and more complex than the mythmakers allowed

Jacques Ellul and the Bible Jacob Marques Rollison, 2022-05-26 The hermeneutic contribution of the French theologian and sociologist Jacques Ellul is given new prominence in this striking collection of essays revealing him to be one of the twentieth century's most creative and insightful interpreters of the Bible With a breadth of contributors ranging from established biblical scholars and theologians to pastoral practitioners from top Ellul scholars to emerging voices and including six first time English translations of Ellul's own articles this volume not only provides a detailed overview of Ellul's biblical approach but also constitutes a crucial moment in Ellul's theological reception The essays gathered here represent a clear demonstration that the full potential of Ellul's theological interpretation of Scripture to rejuvenate and reconfigure contemporary biblical hermeneutics has yet to be seen

The People, the Land, and the Future of Israel Darrell L. Bock, 2014-09-10 What does the Bible teach about the role of the Jewish people and the nation of Israel today What is God's plan for the future of Israel and the neighboring countries How can believers in Jesus be part of God's peace process in the Middle East The People the Land and the Future of Israel walks through the Bible's account of the role of Israel and the Jewish people both now and in the future Each contributor offers a profound insight into God's unfolding plan and purpose for the nation of Israel as the Scripture depicts them Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament Features an extensive foreword by best selling author Joel Rosenberg who addresses the question Will there ever be peace for Israel and her neighbors Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic Discussion questions in each chapter aid book group and classroom discussion

"All Things to All Men" Derek van Rensburg, 2012-02-14 How is it at all possible to project an image of being narrow minded and judgemental and at the same time imagine that you can be an effective witness for Jesus Christ The teaching of Jesus Christ unambiguously rejects such aberrations and by definition His Gospel of Grace renders them inadmissible This is the paradox which Derek van Rensburg sees at the heart of the very conservative brand of Evangelicalism which has been his spiritual home for more than half a century In order to facilitate affordable Bible studies Van Rensburg has over many years compiled his own notes for distribution among the participants in his study sessions Among others wife Wendy has encouraged him to publish these notes and a selection of these comprise this book which he has entitled ALL THINGS TO ALL MEN in the spirit of the Apostle

Paul This title taken from First Corinthians 9 22 is an expression of Van Rensburgs conviction that the Gospel of Gods Grace through Jesus Christ has often been hamstrung by a variety of anathemas and exclusivities While this Gospel is so central to the conservative Evangelical Christian tradition to which he belongs he identifies typical negative trends in this tradition which compromise the Gospel A Christianity obsessed with anathemas is hardly a vehicle for the effective communication of Gods Grace to a hurting and broken world By contrast he notes the transformation of the pharisaically obsessed Saul of Tarsus into the Gospel obsessed Apostle Paul Coming from the one time compulsive persecutor of the early church with all his pharisaical hang ups the following quotation from First Corinthians 9 19 23 expresses a radical conversion transformation It also constitutes the Christ like communication of the Gospel of Grace to a Christless world Paul said Though I am free and belong to no man I make myself a slave to everyone to win as many as possible To the Jews I became like a Jew to win the Jews To those under the law I became like one under the law though I myself am not under the law so as to win those under the law To those not having the law I became like one not having the law though I am not free from Gods law but am under Christs law so as to win those not having the law To the weak I became weak to win the weak I have become all things to all men so that by all possible means I might save some I do all this for the sake of the gospel so that I may share in its blessings How different that is to a very great deal of the conservative evangelicalism the author has known for many many years If evangelism really is fundamental to evangelicalism then the evangelical exclusivists among them need to take a good hard look at 1 Corinthians 9 19 23 This book ALL THINGS TO ALL MEN is in two parts Part One is comprised of six essays expressing the authors views on some contentious topics germane to the above mentioned paradox These essays are entitled 1 Standpoint 2 I believe the Bible 3 In the beginning God created and Christians 4 Difficult Old Testament passages 5 The Resurrection 1 Corinthians 15 6 Christian Inconsistency Part One is fairly polemical and should accordingly stimulate discussion on that level Part Two consists of seven Bible studies in which the authors orthodox Evangelical theological grounding is very evident He is committed to this theology but is convinced that certain important aspects of it are often misrepresented in the habits and practices of Christians and institutions associated with it This conviction prompts the occasional searching question among more regular questions constituting the general method of thes
